MEMORANDUM ON THE OBJECTS OF THE CROSS- BOUNDARY MUNICIPALITIES LAWS REPEAL BILL

1.1 Section 155(6A) of the Constitution provides for the establishment of a cross- boundary municipality where the municipal boundary of that municipality cannot be determined without the municipal boundary extending across a provincial boundary.

The Cross -boundary Municipalities Laws Repeal Bill ("the Bill") seeks to repeal all local government laws providing for cross- boundary municipalities.

In order to ensure a smooth transition from the cross-boundary municipality dispensation to a new dispensation where any municipality would only be located in one particular province, provision has been made for the following transitional arrangements:

- (a) The Bill seeks to dispense with the provisions of the Local Government: Municipal Demarcation Act, 1998 (Act No. 27 of 1998), and the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998) by allowing the demarcation of a particular cross-boundary municipality as reflected in Schedule 2 of the Bill, to be the demarcation of the newly established municipality (a municipality whose boundaries fall within one province).
- (b) The Bill seeks to allow for a section 12 notice as reflected in Schedule 3 of the Bill, to be a section 12 notice of the newly established municipality (a municipality whose boundaries fall within one province) issued by the MEC for local government of the corresponding province as indicated in Schedule 3.
- (c) The Bill seeks to provide that the newly established municipality is the successor in law of the municipality reflected in Schedule 3.
- (d) The Bill further seeks to allow the MEC for local government and the Electoral Commission to take any steps to prepare for the general elections of all municipal councils of the newly established municipalities (municipalities whose boundaries fall within one province).

1.2 The Bill also seeks to address challenges related to the provincial boundary between the Eastern Cape and KwaZulu-Natal Provinces in a manner that would avoid going through a process of first establishing cross-boundary municipalities in order to address these challenges. (In this regard, the provisions of the Bill must be read with the provisions of the Twelfth Constitution Amendment Bill, 2005.) In order to ensure a smooth transition in dealing with these challenges, provision has been made for the following transitional arrangements:

- (a) The Bill seeks to dispense with the provisions of the Local Government: Municipal Demarcation Act, 1998 (Act No. 27 of 1998), and the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998) by allowing proposed demarcations of particular municipalities as reflected in Schedule 4 of the Bill, to be deemed to be the demarcation of municipalities that reflect a new composition or location in a particular province.
- (b) The Bill seeks to allow for proposed section 12 notices as reflected in Schedule 5 of the Bill, to be deemed to be the section 12 notices of municipalities that reflect a new composition or location in a particular province.
- (c) The Bill seeks to provide for municipalities that reflect a new composition or location in a particular province, to be regarded as the successors in law of the former municipalities reflected in the last column of Schedule 5.
- (d) The Bill further seeks to allow the MEC for local government and the Electoral Commission to take any steps to prepare for the general elections of all municipal councils of municipalities that reflect a new composition or location in a particular province.

1.3 The Bill contains a savings clause to ensure that licences, permits or authorisations and appointments made in terms of laws applicable in a releasing province, continue to have the force of law where a particular area is relocated in another province (the receiving province) as a result of the provisions of the Bill.

1.4 It is the intention that once the Bill becomes an Act, it would only be put into effect from the date of the next local government elections.

2. BODIES/ ORGANISATIONS CONSULTED

The Municipal Demarcation Board

MEC's for local government

The Department of Justice and Constitutional Development

The Bill was published for public comment in terms of section 154(2) of the Constitution.

3. FINANCIAL IMPLICATIONS FOR THE STATE

An adjustment to provincial equitable share allocations based on the provincial shifts in population will need to be effected.

4. IMPLICATIONS FOR PROVINCES

Provincial functions performed in affected municipalities, either by provincial governments or on an agency basis by the affected municipalities, would need to be addressed. This might also require adjustments to provincial budgets in order to address the shift in functions performed by one province to the other.

5. IMPLICATIONS FOR MUNICIPALITIES

Former cross- boundary municipalities will, as from the local government elections be located in one particular province. One district municipality will have to be disestablished.

6. PARLIAMENTARY PROCEDURE

6.1 The State Law Advisers and the Department of Provincial and Local Government are of the opinion that the Bill must be dealt with in accordance with the procedure prescribed by section 75 of the Constitution. The Bill does not fall within the functional areas listed in

Schedule 4 to the Constitution, nor does it provide for legislation envisaged in the sections referred to in section 76(3) of the Constitution.

6.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
