Short title

6. This Act is called the South African Olympic Bid and Hosting Act, 1997.

**MEMORANDUM ON THE OBJECTS OF THE SOUTH AFRICAN
OLYMPIC BID AND HOSTING BILL, 1997**

Since it is deemed desirable for the Government of the Republic of South Africa to convey its support for a South African city to host the Olympic Games by making specific provision for a city to host the Olympic Games, the object of the Bill is to provide for present and future actions regarding the hosting of the Olympic Games by a South African city.

In so far as the hosting of the Olympic Games involves **the local** sphere of government, section 164 of the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 1996), provides the necessary authorisation for national legislation to prescribe any matter concerning **local** government not dealt with in the Constitution. Section 10C(2) and (3) of the Local Government Transition Act, 1993 (Act No. 209 of 1993), makes provision for a **metropolitan** council or a metropolitan local council, as the case may be, to have such other powers and duties conferred or imposed upon or delegated or assigned to it by or under any law. The same arrangement is made by section 10D(1)(b) of the Local Government Transition Act, 1993, in respect of a district council, a local council and a **rural** council. The Bill, if adopted, will be such a law.

Clause 1 of the Bill contains certain definitions.

Clause 2 of the Bill authorises a city to enter a bid to host the Olympic Games.

Clause 3 of the Bill authorises the Host City to enter into the host contract on being awarded the bid to host the Olympic Games.

Clause 4 of the Bill provides for the protection of Olympic Symbols.

Clause 5 of the Bill validates actions taken in respect of a bid to **the** Olympic Games before the Act takes effect.

In view of the fact that the Bill is not a Bill referred to in subsection (3), (4) or (5) of section 76 of the Constitution the Department for Provincial Affairs and Constitutional Development and the State Law Advisers are of the opinion that the legislative procedure provided for in section 75 of the Constitution has to be followed in respect of the Bill.

CONSULTATION

The Bill has been published for public comment as required by section 154(2) of the Constitution. The Departments of Finance and Trade and Industry were consulted.
