“CHAPTER 4

PART 1

AIRCRAFT ACCIDENTS AND INCIDENTS INVESTIGATION AND ESTABLISHMENT OF AVIATION SAFETY INVESTIGATION BOARD

Application of Chapter

9.(1) This Chapter applies in respect of aircraft accidents and incidents in or over—

- (a) the Republic;
- (b) any place that is under the Republic’s air traffic control; and
- (c) any other place, if—
 - (i) the Republic is requested to investigate by an appropriate authority in terms of the Convention; or
 - (ii) the aircraft accident or incident involves an aircraft in respect of which, or that is operated by a person to whom, a South African aviation authorisation, aviation certificate or any aviation approval document has been issued.

(2) The application of this Chapter in respect of aircraft accidents and incidents referred to in section 12(4) is subject to such restrictions in the interests of national security as are provided in the Defence Act, 2002 (Act No. 42 of 2002), or as prescribed by the Minister by notice in the Gazette.

(3) In this Chapter “department” means any department in the national sphere of Government.

Establishment of Aviation Safety Investigation Board

10. The Aviation Safety Investigation Board, which is a juristic person, is hereby established.

Objects of Aviation Safety Investigation Board

11.(1) The objects of Aviation Safety Investigation Board are to advance aviation transportation safety by—

- (a) conducting independent investigations, including, when necessary, public inquiries into selected aircraft accidents and incidents in order to make findings as to their causes and contributing factors;
- (b) identifying safety deficiencies as evidenced by aircraft accidents and incidents;
- (c) making recommendations designed eliminate or reduce any such safety deficiencies;
- (d) reporting publicly on its investigations or on the findings in relation thereto;
- (e) promoting compliance with the provisions and procedures of Annex 13 to the Convention;
- (f) investigating aircraft accidents and incidents in compliance with the provisions and procedures of Annex 13 to the Convention; and
- (g) discharging all other findings and obligations in compliance with the provisions and procedures of Annex 13 to the Convention.

(2) The Aviation Safety investigation Board must not apportion blame or liability in any report following the investigation of any aircraft accident or incident, and the sole objective of the investigation is accident prevention.

(3) In making its findings as to the causes and contributing factors of an aircraft accident and incident, it is not the function of the Aviation Safety Investigation Board to assign fault or determine civil or criminal liability, but the Board must not refrain from fully reporting on the causes and contributing factors merely because fault or liability might be inferred from the Aviation Safety Investigation Board's findings.

(4) No finding of the Aviation Safety Investigation Board must be construed as assigning fault or determining civil or criminal liability.

(5) The findings of or the evidence before the Aviation Safety Investigation Board are not binding on the parties to any legal, disciplinary or any other proceedings and may not be used in any civil, criminal or disciplinary proceedings against persons giving such evidence.

(6) Where the causes and contributing factors of any aircraft accident or incident is known to the Aviation Safety Investigation Board it may refuse to investigate such aircraft accident or incident.

(7) Subject to the provisions of the South African Maritime and Aeronautical Search and Rescue Act, 2002 (Act No. 44 of 2002), and the Convention, the South African Police Service, shall have rights of prior access to any scene of aircraft accident or incident.

Jurisdiction of Aviation Safety Investigation Board

12. (1) Notwithstanding any other legislation, the Aviation Safety Investigation Board must, in compliance with Annex 13 to the Convention, investigate any aircraft accident and incident for the purpose of carrying out its objects.

(2) Notwithstanding any other legislation—

(a) no department, other than the Department of Defence, may commence an investigation into an aircraft accident or incident for

the purpose of making findings as to its causes and contributing factors, if—

(i) that aircraft accident or incident is being or has been investigated by the Aviation Safety Investigation Board under this Act; or

(ii) the Department has been informed that that aircraft accident or incident is proposed to be investigated by the Aviation Safety Investigation Board under this Act; and

(b) where an investigation into an aircraft accident or incident is commenced by the Aviation Safety Investigation Board under this Act after an investigation into that aircraft accident or incident has been commenced by a department other than the Department of Defence, that department must forthwith discontinue its investigation, to the extent that it is an investigation for the purpose of making findings as to the causes and contributing factors of the aircraft accident or incident.

(3) Subsection (2) does not prevent—

(a) a department from commencing an investigation into or continuing to investigate an aircraft accident or incident for any purpose other than that of making findings as to its causes and contributing factors, or from investigating any matter that is related to the aircraft accident or incident and that is not being investigated by the Aviation Safety Investigation Board; or

(b) the South African Police Service from investigating the aircraft accident or incident for any purpose for which it is empowered to conduct investigations.

(4) The Aviation Safety Investigation Board may investigate an aircraft accident and incident that involves—

(a) a military conveyance and an aircraft, none of which is a military conveyance;

(b) a military conveyance and a civil aviation facility; or

(c) a military aviation facility and an aircraft, none of which is a military conveyance.

(5) Where the Aviation Safety Investigation Board does not investigate an aircraft accident or incident, no department is prevented from investigating any aspect of the aircraft accident or incident that it is empowered to investigate.

(6) The Aviation Safety Investigation Board must not inquire into any aircraft accident or incident in respect of which a prosecution, an inquest or an inquiry by a commission has been established by the Minister which was instituted or completed before the commencement of this Act.

Coordination of investigations and remedial actions

13. (1) Where, at any time during an investigation into an aircraft accident or incident under this Act, a department other than the Department of Defence investigates that aircraft accident or incident, or undertakes remedial measures with respect to that aircraft accident or incident, the Aviation Safety Investigation Board and such department must take all reasonable measures to ensure that their activities with respect to that aircraft accident or incident are coordinated.

(2) Where conflicting interests arise between the Aviation Safety Investigation Board and a department in coordinating their activities pursuant to subsection (1), the requirements and interests of the Aviation Safety Investigation Board, subject to subsection (3) and any agreement entered into under section 27, take precedence and are paramount to the extent of the conflict.

(3) No item in subsection (2) gives the requirements and interests of the Aviation Safety Investigation Board precedence over those of the South African Police Service, or prevents a department from taking emergency remedial measures under any other legislation.

(4) Where an aircraft accident or incident referred to in subsection (1) is being investigated by the Aviation Safety Investigation Board, the Department of Defence, the South African Police Service or a visiting force, the Aviation Safety

Investigation Board and the Minister of Defence must take all reasonable measures to ensure that the investigations are coordinated.

Compatible procedures and practices

14. (1) The Aviation Safety Investigation Board must take all reasonable measures to ensure that the investigation procedures and practices that it follows in relation to aircraft accidents and incidents are compatible with—

- (a) any international agreements or Conventions to which the Republic is a party; and
- (b) investigation procedures and practices followed by the judicial inquests in terms of the Inquests Act, 1959 (Act No. 58 of 1959).

(2) The Aviation Safety Investigation Board must make all reasonable efforts to enter into agreements in order to ensure that the procedures and practices followed by the Aviation Safety Investigation Board are compatible as far as possible with those followed by the judicial inquests in terms of the Inquests Act, 1959.

PART 2

Annual report

31. (1) The Aviation Safety Investigation Board must, as soon as practicable after 31 March of each year, but not later than 31 December of that year, submit to the Minister a report giving particulars regarding the activities of the Board during the year which ended on the first mentioned date.

(2) The Minister must cause copies of the report submitted under subsection (1) to be tabled in Parliament within 30 days of receipt of that report, if Parliament is not in session, within 30 days of the ensuing session.

Delegation of powers

32. (1) The Aviation Safety Investigation Board may delegate to any competent person, subject to any limitations specified in the instrument of delegation, any of the powers conferred or duties imposed on the Aviation Safety Investigation Board under this Act, other than the power—

- (a) of delegation under this subsection;
- (b) to make rules and procedures; and
- (c) to make recommendations.

(2) The Aviation Safety Investigation Board may revoke a delegation made under this section in writing at any time.

Designation and powers of investigators

33. (1) The Aviation Safety Investigation Board may designate an investigator in charge and any number of investigators to investigate any aircraft accident or aircraft incident in the Republic.

(2) An investigator designated in terms of subsection (1) has authority to—

- (a) have unrestricted access to and control over an aircraft which has been involved in an accident or incident, the wreck or wreckage, the place where the aircraft, the wreck or wreckage is located and the places where marks resulting from the aircraft accident or incident which may be of assistance in an investigation, are located;
- (b) preserve an aircraft which has been involved in an accident or incident or the wreck or wreckage, any remains and any marks resulting from the aircraft accident or incident which may be of assistance in the investigation, by any means available, including photographic means;
- (c) examine an aircraft involved in an accident or incident, the wreck or wreckage, any part or component thereof or any item transported therein or any marks resulting from the aircraft accident or incident which may be of assistance in the investigation, and to remove any such aircraft, wreck or wreckage, or any part or component thereof or any item transported therein for the purpose of the investigation or for an inquiry in terms of section 69 or 70;
- (d) compile reports in connection with the investigation;
- (e) have unrestricted access to all documents, including relevant medical records, books, notes, photographs, recordings and transcripts which the investigator-in-charge may consider necessary for the investigation and which must be produced without delay by the possessor thereof when so requested;
- (f) obtain information and take statements, from any person, which may be necessary for the investigation;

- (g) have unrestricted access to and control over all relevant evidence, including flight recorders and air traffic service recordings;
 - (h) summon and examine witnesses under oath and call for the production, and grant inspection, of books, logs, certificates, licences and other documents, including medical information and records, and summon any person to give evidence before it or to produce any official document or such other information or object as may be necessary for the performance of the Aviation Safety Investigation Boards functions; and
 - (i) regulate, prohibit and control any access to the scene of any aircraft accident or incident.
- (3) An investigator who is investigating an aircraft accident or incident may—
- (a) where the investigator believes on reasonable grounds that a person is in possession of information relevant to that investigation—
 - (i) by notice in writing signed by the investigator, require the person to produce the information to the investigator or to appear before the investigator and give a statement referred to in subsection (2)(f) under oath or solemn affirmation if required by the investigator; and
 - (ii) make such copies of or take such extracts from the information as the investigator considers necessary for the purposes of the investigation;
 - (b) where the investigator believes on reasonable grounds that the medical examination of a person who is directly or indirectly involved in the operation of an aircraft, or may be relevant to the investigation, by notice in writing signed by the investigator require the person to submit to a medical examination;
 - (c) where the investigator believes on reasonable grounds that a physician or other health practitioner has information concerning a patient that is relevant to that investigation, by notice in writing signed by the investigator require the physician or practitioner, if so authorised by the patient of such physician or practitioner, to provide that information to the investigator; or

(d) where the investigator believes on reasonable grounds that the performance of an autopsy on the body of a deceased person, or the carrying out of other medical examinations of human remains, is or may be relevant to the conduct of the investigation, cause such an autopsy or medical examination to be performed and, for that purpose, by notice in writing signed by the investigator, require the person having custody of the body of the deceased person or other human remains to permit the performance of that autopsy or that medical examination.

(4) The requirement under subsection (3) that a person submit to a medical examination shall not be construed as a requirement that the person submit to any procedure involving surgery, perforation of the skin or any external tissue or the entry into the body of any drug or foreign substance.

(5) Where an investigator has required a person to do something under subsection (3)(a), (b), (c) or (d) and the person has refused to do as required, the investigator may make an application to a court of competent jurisdiction, setting out the facts, and the court may inquire into the matter and, after giving the person an opportunity to comply with the requirement, take steps for the punishment of the person as if the person had been guilty of contempt of the court, or may make such other order as it finds appropriate.

Search and seizure by appointed investigators

34. (1) In the execution of the authority contemplated in section 33 an investigator may search and seize any property or item, including medical records, recorders and air traffic service recordings of an aircraft accident or aircraft incident without a warrant.

(2) An investigator in respect of this Act is considered to have been appointed as a peace officer by the Minister responsible for justice in terms of section 334 of the Criminal Procedure Act for the Republic, and for the purpose of exercising the powers contemplated in sections 40, 41, 44, 45, 46, 47, 48, 49 and 56 of the Criminal Procedure Act.

(3) In the execution of the authority contemplated in section 33 an investigator may without a warrant search and seize any property or item, including medical records, recorders and air traffic service recordings of an aircraft accident or aircraft incident—

(a) if the person concerned consents to the search for and the seizure of the property or item, including medical records, recorders and air traffic service recordings of an aircraft accident in question, or if the person who may consent to the search of the premises consents to such search and the seizure of the property or item, including medical records, recorders and air traffic service recordings of an aircraft accident articles in question; or

(b) if he on reasonable grounds believes—

(i) that a search warrant will be issued to him if he applies for such warrant; and

(ii) that the delay in obtaining such warrant would defeat the object of the search without a warrant.

(4) An investigator may use the powers in terms of this section only to serve the purposes of this Act and matters incidental thereto, and must take the necessary steps to secure the safekeeping of the property or items seized.

(5) Before acting under this section, an investigator must, on request, produce the investigator' certificate of appointment issued by the Aviation Safety Investigation Board.

Power to test items seized

35. (1) Where any item is seized by an investigator under section 34 , the investigator—

(a) may, subject to paragraph (b), cause such tests, including tests to destroy, to be conducted on the item as are necessary for the purposes of the investigation in respect of which the item was seized;

(b) must, to the extent that it is practical and safe to do so and does not unreasonably impede the progress of the investigation, take all reasonable measures to invite the owner of the item, and any person who appears on reasonable grounds to be entitled to it, to be present at any tests referred to in paragraph (a); and

(c) subject to the need to conduct such tests, shall cause the item to be preserved pending its return in accordance with section 36.

(2) Nothing in this section must be taken—

(a) to imply that an item seized pursuant to subsection (1) may not be an aircraft or any part thereof; or

(b) to authorise the exercise of a power by an investigator in circumstances where the exercise of that power would be inconsistent with the objective of the investigation.

Return of seized property

36. (1) Any item seized pursuant to section 34, except on-board recordings as defined in section 47, must, unless—

(a) the owner thereof or a person who appears on reasonable grounds to be entitled to it consents in writing; or

(b) a court of competent jurisdiction orders otherwise,

be returned to that owner, person, or the person from whom it was seized, as soon as possible after it has served the purpose for which it was seized.

(2) A person from whom any item was seized pursuant to section 34, except on-board recordings as defined in section 47, or the owner or any other person who appears on reasonable grounds to be entitled thereto, may apply to a court of competent jurisdiction for an order that the seized item be returned to the person making the application.

(3) Where, on an application under subsection (2) of this section, the court is satisfied that the seized item has served the purpose for which it was seized or should, in the interests of justice, be returned to the applicant, the court may grant

the application and order the seized item to be returned to the applicant, subject to any terms or conditions that appear necessary or desirable to ensure that the item is safeguarded and preserved for any purpose for which it may subsequently be required by the Aviation Safety Investigation Board under this Act.

(4) This section does not apply in respect of any item seized and tested to destruction in accordance with section 35.

Public inquiry

37. (1) Where, in the course of an investigation of an aircraft accident or incident, the Aviation Safety Investigation Board considers it necessary that a public inquiry be made into the aircraft accident or incident, the Chairperson may designate a person or persons, who may be, or may include, the Chairperson, to conduct a public inquiry into that aircraft accident or incident in accordance with any rules made under section 63 and to report to the Aviation Safety Investigation Board thereon.

(2) Any person designated to conduct a public inquiry under this section has and may exercise the powers of a person appointed as an investigator, subject to any restrictions specified in the designation.

Notification of department of aircraft accident or aircraft incident and investigation by department

38. (1) Where a department is notified of an aircraft accident or incident in which such department has a direct interest and which the Aviation Safety Investigation Board has the power to investigate under this Act, that department must—

(a) forthwith provide the Aviation Safety Investigation Board with particulars of the aircraft accident or aircraft incident; and

(b) forthwith, after complying with paragraph (a), advise the Aviation Safety Investigation Board of any investigation that the department plans to conduct and of any remedial measures that the department plans to take.

(2) An investigator authorised by the Aviation Safety Investigation Board may attend as an observer at an investigation conducted by the department referred to in subsection (1) or during the taking of remedial measures by that department following an aircraft accident or incident.

(3) Subject to any other Act the Aviation Safety Investigation Board must, on request, be provided with and may review and comment on any interim or final report prepared in respect of an investigation conducted by the department referred to in subsection (1)(b).

Notification of Minister of department having direct interest in aircraft accident or aircraft incident by Aviation Safety Investigation Board

39. Where the Aviation Safety Investigation Board is notified of an aircraft accident or incident, it must—

(a) forthwith provide particulars of the aircraft accident or incident to any Minister responsible for a department having a direct interest in the aircraft accident or incident; and

(b) forthwith after complying with paragraph (a), advise the Minister referred to in paragraph (a) of any investigation that it plans to conduct and the scope of the investigation.

Attendance and removal of observers at aircraft accident and incident investigations

40. (1) Subject to any conditions that the Aviation Safety Investigation Board may impose, a person may attend as an observer at an investigation of an aircraft accident or incident conducted by the Aviation Safety Investigation Board if the person—

(a) is designated as an observer by the Minister responsible for a department having a direct interest in the subject matter of the investigation;

(b) has observer status or is an accredited representative or an adviser to an accredited representative, pursuant to an international agreement or convention relating to transportation to which the Republic is a party; or

(c) is invited by the Aviation Safety Investigation Board to attend as an observer because, in the opinion of the Aviation Safety Investigation Board, the person has a direct interest in the subject matter of the investigation and will contribute to achieving the Aviation Safety Investigation Board's objects.

(2) The Aviation Safety Investigation Board may remove an observer from an investigation if the observer contravenes any condition imposed by the Aviation Safety Investigation Board on the observer's presence or if, in the Aviation Safety Investigation Board's opinion, the observer has a conflict of interest that impedes the conduct of the investigation.

PART 4

REPORTING ON COMPLETION OF AIRCRAFT ACCIDENT OR AIRCRAFT INCIDENT INVESTIGATION

Aircraft accident or incident investigation report

41. (1) On completion of any investigation, the Aviation Safety Investigation Board must prepare and make available to the public a report on its findings, including any safety deficiencies that it has identified and any recommendations that it considers appropriate in the interests of aviation safety.

(2) Before making public a report under subsection (1) the Aviation Safety Investigation Board must—

- (a) send a copy of the draft report on its findings and any safety deficiencies that it has identified to each department and any other person who, in the opinion of the Aviation Safety Investigation Board, has a direct interest in the findings of the Aviation Safety Investigation Board;
- (b) give that department or interested person a reasonable opportunity to make representations to the Aviation Safety Investigation Board with regard to the draft report before the final report is prepared; and
- (c) comply with the provisions of Annex 13 to the Convention.
- (3) The period for submission of any representations must be within 60 days of receipt of the report.
- (4) No person may communicate or use the draft report or permit its communication or use for any purpose, other than the taking of remedial measures, not strictly necessary to the study of, and preparation of representations concerning, the draft report.
- (5) The Aviation Safety Investigation Board must provide an interim report on the progress and findings of an investigation—

 - (a) on written request made in respect of that investigation, to any Minister responsible for a department having a direct interest in the subject matter of the investigation; and
 - (b) to any coroner investigating the aircraft accident or aircraft incident, where the aircraft accident or aircraft incident involved a fatality and significant progress has been made in the Aviation Safety Investigation Board's investigation.
- (6) A person, other than a Minister of a department, who is provided with an interim report under subsection (5) must not use the report or permit its use for any purpose not strictly necessary to the examination of the report.
- (7) The Aviation Safety Investigation Board must reconsider its findings and recommendations pursuant to an investigation that it has conducted under this Act where, in its opinion, new material facts appear.

Manner of dealing with representations

42. (1) Representations made pursuant to section 41 may be submitted in any manner the Aviation Safety Investigation Board considers appropriate.

(2) The Aviation Safety Investigation Board must—

(a) keep a record of those representations;

(b) consider those representations before preparing its final report;

and

(c) notify, in writing, each of the persons who made those representations, how the Aviation Safety Investigation Board has disposed of that person's representations.

(3) A representation is privileged, except if it is a representation made by a Minister responsible for a department having a direct interest in the findings of the Aviation Safety Investigation Board subject to this Act or to a written authorisation from the author of a representation, and no person may knowingly communicate any representation or permit it to be communicated to any other person.

(4) The Aviation Safety Investigation Board may use representations it considers necessary in the interests of aviation safety.

(5) If requested to do so by a judicial inquest instituted in terms of the Inquests Act, 1959, conducting an inquest into any circumstances in respect of which representations were made to the Aviation Safety Investigation Board, it must make such representations available to such inquest.

(6) Except for use for the purpose of an investigation by a judicial inquest in terms of the Inquest Act, no person may use any representations made to the Aviation Safety Investigation Board under this section in any criminal, civil, disciplinary or other proceedings.

Notification of findings and recommendations

43. (1) At any time during its investigation of an aircraft accident or incident, the Aviation Safety Investigation Board must notify forthwith in writing the Minister or any person who in its opinion has a direct interest in its findings and recommendations, whether interim or final, that in its opinion the matter requires urgent action

(2) On completion of its investigation of an aircraft accident or incident, the Aviation Safety Investigation Board must—

(a) notify forthwith in writing any Minister or person who, in its opinion, has a direct interest in its findings as to the causes and contributing factors of the aircraft accident or incident, any safety deficiencies it has identified and any recommendations resulting from its findings; and

(b) comply with the provisions of Annex 13 to the Convention and furnish the Civil Aviation Authority with such findings as to the causes and contributing factors of the aircraft accident or incident, and safety deficiencies it has identified and any recommendations resulting from its findings.

Response by Minister

44. (1) A Minister of a department who is notified of the findings and recommendations of the Aviation Safety Investigation Board under section 43

(2)(a) must, within 90 days after being so notified—

(a) advise the Aviation Safety Investigation Board in writing of any action taken or proposed to be taken in response to those findings and recommendations; or

(b) provide written reasons to the Aviation Safety Investigation Board if no action will be taken or if the action to be taken differs from the action that was recommended.

(2) Where the Aviation Safety Investigation Board is satisfied that a Minister is unable to respond to the Aviation Safety Investigation Board within the period referred to in subsection (1) the period may be extended as the Aviation Safety Investigation Board considers necessary.

PART 5

APPEALS AGAINST FINDINGS OF AVIATION SAFETY INVESTIGATION BOARD AND REOPENING OF AIRCRAFT ACCIDENT OR INCIDENT INVESTIGATION

Appeal against findings on aircraft accident and incident investigation

45. (1) Any affected person who feels aggrieved by the findings on an investigation may appeal against such findings to an appeal committee, within 60 days after the publication of such findings.

(2) An appeal must be lodged in writing, stating the reasons why the findings should be varied or set aside.

(3) A person lodging an appeal must submit a copy of the appeal and any documents or records supporting such appeal, to the Aviation Safety Investigation Board and must furnish proof of such submission to the appeal committee.

(4) The Aviation Safety Investigation Board must, within 60 days of receipt of the copy of the appeal referred to in subsection (3), deliver a written reply to such appeal to the appeal committee.

(5) The appeal committee must adjudicate the appeal in accordance with Appeal Committee Rules as approved by the Minister.

(6) The appeal committee may confirm, vary or set aside the findings referred to in subsection (1).

(7) The appeal committee may keep in abeyance an appeal lodged in terms of this section if the Minister has applied or intends to apply the provisions of section 69.

Reopening of an aircraft accident or incident investigation

46. (1) The Minister may, upon request, decide to reopen an investigation of an aircraft accident or incident if—

- (a) new and significant evidence, which was not considered by the Aviation Safety Investigation Board exist and such evidence is likely to influence the findings of the Aviation Safety Investigation Board and the reopening of the investigation is in the interest of aviation safety; and
- (b) the findings of the Aviation Safety Investigation Board have been set aside in terms of section 45(6).

(2) In making a decision in subsection (1), the Minister may prescribe the condition according to which the reopened aircraft accident or incident shall be conducted provided that such conditions are not in conflict with the provisions of Annex 13 to the Convention.

PART 6

PRIVILEGED AND PROTECTED INFORMATION

Definition of “on-board recording”

47. (1) In this Part, “on-board recording” means the whole or any part of—

- (a) a recording of voice communications originating from, or received on or in, the flight deck of an aircraft; or

(b) a video recording of the activities of the personnel of an aircraft, that is made, using recording equipment that is intended not to be controlled by the personnel, on the flight deck of the aircraft, and includes a transcript or substantial summary of such a recording.

Privilege for on-board recordings

48. (1) Every on-board recording is privileged and, except as provided by this section, no person, including any person to whom access is provided under this section, must—

- (a) knowingly communicate an on-board recording or permit it to be communicated to any other person; or
- (b) be required to produce an on-board recording or give evidence relating to it in any legal, disciplinary or other proceedings.

Access by investigator

49. Notwithstanding section 48, any on-board recording that relates to an aircraft accident or incident being investigated under this Act must be released to an investigator who requests it for the purposes of the investigation.

Use of on-board recording

50. The Aviation Safety Investigation Board may make such use of any on-board recording obtained under this Act as it considers necessary in the interests of aviation safety but, subject to section 51, must not knowingly communicate or permit to be communicated to anyone any portion thereof that is unrelated to the causes or contributing factors of the aircraft accident or incident under investigation or to the identification of safety deficiencies.

Access to on-board recording by peace officers, inquests and other investigators

51. The Aviation Safety Investigation Board must make available any on-board recording obtained under this Act to—

- (a) a coroner who requests access thereto for the purpose of an investigation that the coroner is conducting; or
- (b) any person carrying out a coordinated investigation under section 13.

Power of court or inquest

52. Notwithstanding any item in this section, where, in any proceedings before a court or a judicial inquest in terms of the Inquests Act or a person or persons appointed or designated to conduct a public inquiry into an aircraft accident or incident pursuant to this Act, a request for the production and discovery of an on-board recording is made, the court or a judicial inquest in terms of the Inquests Act, or a person or persons appointed or designated to conduct a public inquiry into an aircraft accident or incident pursuant to this Act, must—

- (a) cause a notice of the request to be given to the Aviation Safety Investigation Board, if the Aviation Safety Investigation Board is not a party to the proceedings;
- (b) in camera, examine the on-board recording and give the Aviation Safety Investigation Board a reasonable opportunity to make representations with regard thereto; and
- (c) if the court or a judicial inquest in terms of the Inquests Act concludes in the circumstances of the case that the public interest in the proper administration of justice outweighs the privilege attached to the on-board recording by virtue of this section, order the production and discovery of the on-board recording, subject to such restrictions or conditions as the court or a judicial inquest in terms of the Inquests Act considers

appropriate, and may require any person to give evidence that relates to the on-board recording.

Use of on-board recording prohibited

53. An on-board recording may not be used against any of the following persons in disciplinary proceedings, proceedings relating to the capacity or competence of an officer or employee to perform the officer's or employee's functions, or in legal or other proceedings:

- (a) air crew members;
- (b) airport vehicle operators;
- (c) flight service station specialists; and
- (d) persons who relay messages respecting air traffic control, or related matters.

Definition of "communication record"

54. (1) In this Part, "communication record" means the whole or any part of any record, recording, copy, transcript or substantial summary of any type of communications in respect of air traffic control or related matters that take place between any of the following persons, namely air traffic controllers, aircraft crew members, airport vehicle operators, flight service station specialists and persons who relay messages in respect of air traffic control or related matters.

(2) A communication record obtained under this Act must not be used against any person referred to in section 57 in any legal or disciplinary proceedings.

Statement privileged

55. (1) For the purposes of this Part and section 33 (2)(f)—

- (a) "statement" means—

- (i) the whole or any part of an oral, written or recorded statement relating to an aircraft accident or aircraft incident and given, by the author of the statement, to the Aviation Safety Investigation Board, an investigator or any person acting for the Aviation Safety Investigation Board or for an investigator;
 - (ii) a transcription or substantial summary of a statement referred to in subparagraph (i); or
 - (iii) conduct that could reasonably be taken to be intended as such a statement; and
- (b) where a statement is privileged, the identity of its author is privileged to the same extent.

(2) A statement is privileged, and no person, including any person to whom access is provided under this section, must knowingly communicate it or permit it to be communicated to any person except as provided by this Act or as authorised in writing by the person who made the statement.

Access by judicial inquest and other investigators

- 56.** The Aviation Safety Investigation Board must make statements available to—
- (a) a judicial inquest in terms of the Inquests Act, who requests access thereto for the purpose of an investigation that the coroner is conducting; or
 - (b) any person carrying out a coordinated investigation under section 13.

Power of court or inquest with regard to statements

57. Notwithstanding any item in this section, where, in any proceedings before a court or an inquest or a person or persons appointed or designated to conduct a public inquiry into an aircraft accident or incident pursuant to this Act, a request for the production and discovery of a statement is contested on the ground that it is privileged, the court or coroner must—

- (a) in camera, examine the statement; and

(b) if the court or a judicial inquest concludes in the circumstances of the case that the public interest in the proper administration of justice outweighs the privilege attached to the statement by virtue of this section, order the production and discovery of the statement, subject to such restrictions or conditions as the court or coroner considers appropriate, and may require any person to give evidence that relates to the statement.

Use of statement prohibited

58. A statement must not be used against the person who made it in any legal, disciplinary or other proceedings except in a prosecution for perjury or for giving contradictory evidence or a prosecution under section 60.

Certain information privileged

59. Where the identity of a person who has made a report to the Aviation Safety Investigation Board pursuant to rules made under section 61 is protected, information that could reasonably be expected to reveal that identity is privileged, and no person must—

- (a) knowingly communicate it or permit it to be communicated to any person;
- or
- (b) be required to produce it or give evidence relating to it in disciplinary or other proceedings.

Use of report made to Aviation Safety Investigation Board under reporting system established by rules prohibited

60. (1) A report made to the Aviation Safety Investigation Board under a voluntary reporting system established by rules made under section 63 must not be used against the person who made the report in any legal, disciplinary or

other proceedings if the person's identity is protected by the rules referred to in section 63.

(2) The Aviation Safety Investigation Board may, subject to this Act, make such use of any report made to it pursuant to rules made under subsection (1) as it considers necessary in the interests of aviation safety.

Appearance of investigator

61. Except for proceedings before a judicial inquest, an investigator is not competent or compellable to appear as a witness in any proceedings, unless the court or other person or body before whom the proceedings are conducted so orders for a special cause.

Opinions inadmissible

62. An opinion of a member of the Aviation Safety Investigation Board, an investigator or accredited representative is not admissible as evidence in any legal, disciplinary or other proceedings.

PART 6

RULES

Rules

63. (1) The Aviation Safety Investigation Board may, make rules for the establishment and administration of systems for the mandatory or voluntary reporting to the Aviation Safety Investigation Board of aircraft accidents and incidents.

(2) The Aviation Safety Investigation Board may make rules—

- (a) prescribing the manner in which to exercise or carry out any of its powers, duties and functions under this Act and, generally, for its efficient operation;
- (b) regulating the keeping and preservation of records, documents and other evidence relating to aircraft accidents and aircraft incidents;
- (c) regulating the attendance of interested persons at tests to destruction conducted under section 35;
- (d) defining, for the purposes of an investigation, the site or sites of an aircraft accident or aircraft incident and for the protection of those sites;
- (e) defining the rights or privileges of persons attending investigations as accredited representatives, advisers, experts, and observers or with observer status;

“Prohibition of conveyance of conventional arms, drugs, explosives, radioactive material, weapons of mass destruction or animal products in aircraft and interference with aircraft in flight in order to exercise criminal jurisdiction”

(b) by the substitution for subsection (3) of the following subsection:

“(3) An aircraft which upon reasonable grounds is believed to be engaged in conveying any conventional arms, drugs, explosives, radioactive or nuclear material, weapon of mass destruction or animal product contrary to subsection **[(1)] (2)**, is subject to the provisions of the regulations with regard to the identification and interception of aircraft: Provided that any identification and interception of an aircraft shall take place with due regard to the provisions of Annex 2 **[of]** to the Convention in respect of Marshalling Signals, Interception Manoeuvres and Orders of the Convention on Offences and certain other Acts committed on board Aircraft, 1963, entered into on 14 September 1963 in Tokyo.”.

(c) by the insertion of the following words “explosive, radioactive or nuclear material, weapon of mass destruction” between the word “drugs” and the expression “or animal product” in subsections 5(a), 5(b)(i) and 5(b)(ii).

(d) by the substitution for paragraph (a) in subsection (7) of the following paragraph:

“(a) Any conventional arms, drugs, explosive, radioactive or nuclear material, weapon of mass destruction, animal product, aircraft or other thing seized under subsection (5) must be forfeited to the State unless the court finds—

- (i) in the case of such conventional arms, drugs, explosive, radioactive or nuclear material, weapon of mass destruction or animal product, that they were not conveyed contrary to **[subsection (5)(b)]** any provision of the Act and were not intended to be used for any unlawful purpose; or
- (ii) in the case of such an aircraft or other thing, that it was not used or intended to be used for the commission, or in connection with the commission, of any offence;”.

Amendment of section 143 of Act 13 of 2009

45. Section 143 of the principal Act is hereby amended by—

(a) the substitution for subsections (1) and (2) of the following subsections:

“(1) If the Chief Executive Officer **[Minister]**, after consultation with the **[Director]** Minister is of the opinion that any action by any person or any group of persons is of such a nature that the safety or security of any person, aircraft, airport, heliport or aviation facility is being seriously and immediately threatened, he or she or any person designated by persons to counter such action.

(2) An authorised person, authorised officer or inspector may take such steps as he or she considers that an order referred to in subsection (1) is complied with.”.

Amendment of section 144 of Act 13 of 2009

46. Section 144 of the principal Act is hereby amended by the substitution for subsection (8) of the following subsection:

“(8) If a person fails to pay an administrative penalty within the specified period, the Chief Executive Officer may—

(a) refuse to issue or renew a licence, certificate, approval, registration or rating; or

(b) recover the amount of the administrative penalty from such person by way of civil action in a competent court.”.

Amendment of section 145 of Act 13 of 2009

47. Section 145 of the principal Act is hereby amended by—

(a) the substitution for subsection (1) of the following subsection:

“(1) An authorised person, authorised officer or inspector may, in the interests of aviation security without a warrant, search any person baggage, vehicles,

personal effects, cargo or goods, before or after boarding, disembarking, loading or off-loading the aircraft, as the case may be.”.

(b) the substitution for subsections (5) and (6) of the following subsections:

“(5) If an aircraft manager believes on reasonable grounds that it is necessary for the security of the airport that a person or vehicle, or the baggage or personal effects of a person or an vehicle, cargo or goods which are to enter a restricted area be searched, he or she may direct any authorised person, authorised officer or inspector to conduct such a search without a warrant.

(6) The Minister may direct the manager of any airport, or the manager of any organisation conducting any business at any particular airport, that any person or vehicle or the baggage or personal effects of any person entering any restricted area at the designated airport, or that any vehicle or cargo which is, or any goods which are, to enter a restricted area at the designated airport, be searched by an authorised person, authorised officer or inspector without a warrant.”.

(c) the substitution for subsections (8), (9) (10) and (11) of the following subsections:

“(8) Any authorised person, authorised officer or inspector may, if on reasonable grounds believe that the search is necessary for the security of any **[airport]** aerodrome, aircraft passengers or any aviation facility, or to avoid interference with the operation of an air carrier, airport or an air navigation facility, search, without a warrant, any building structure equipment, vehicle, cargo, goods or aircraft.

(9) Any authorised person, authorised officer or inspector may without a warrant search any aviation facility or its contents, or any person, vehicle or article found in it, if he or she has reasonable grounds to believe that the search is necessary in the interest of aviation security, or to avoid interference with the operation of such facility.

(10) An authorised person, authorised officer or inspector may, in writing, order a person who refuses to be searched, or to have his or her baggage, vehicle or personal effects searched, to immediately leave the aerodrome

[airport or heliport], as the case may be and not to return for a specified period, which period may not exceed 24 hours.

(11) An authorised person, authorised officer or inspector may, in writing, order a person who refuses to have his or her cargo, goods, vehicle or article searched, to immediately remove such cargo, goods, vehicle or article from the aerodrome **[airport or heliport, as the case may be]**"; and

(d) the substitution for subsection (15) of the following subsection:

“(15) During any search under this section, only a female authorised officer, inspector or person may search a female person and only a male authorised officer, inspector or person may search a male person.”.

Amendment of section 146 of Act 13 of 2009

48. Section 146 of the principal Act is hereby amended by the substitution for subsection (1) of the following subsection:

“(1) An authorised person, authorised officer or inspector may seize any harmful article found during a search carried out under section 145 or retain such article for safe custody while the person in whose possession or custody or under whose control the article was found, remains on the aircraft or in the restricted area or at or in the aviation facility, as the case may be.”.

Substitution of section 147 of Act 13 of 2009

49. The following section is hereby substituted for section 147 of the principal Act:

“Powers of arrest of authorised person, authorised officer or inspector

147.(1) An authorised person, authorised officer or inspector may under circumstances where there are no other means of ensuring the presence of a

person in court without a warrant arrest any person who has committed or is reasonably suspected to have committed an offence referred to in this Act.

(2) The authorised person, authorised officer or inspector may, in order to effect the arrest, use such force as may in the circumstances be reasonably necessary to overcome resistance or to prevent the person concerned from fleeing, and may call on any person to assist him or her to effect the arrest.”.

Amendment of section 148 of Act 13 of 2009

50. Section 148 of the principal Act is hereby amended by substitution for subsection (1) of the following subsection:

“(1) An authorised person, authorised officer or inspector or an employee with the written authorisation of the airport or heliport manager or the person in control of the aviation facility, as the case may be, may, if he or she considers it necessary in the interest of security, call upon any person at, in or upon any airport, heliport or air navigation facility to furnish him or he full names and address.”.

Amendment of section 155 of Act 13 of 2009

51. Section 155 of the principal Act is hereby amended by—

(a) the substitution for paragraph (h) of subsection (1) of the following paragraph:

“(h) the designation of one or more bodies or institutions for the purpose of this Act—

- (i) to promote aviation safety or to reduce the risk of aircraft accidents or aircraft incidents; **[and]**
- (ii) to advise the Chief Executive Officer **[Director]** on any matter connected with the promotion of aviation safety or the reduction of the risk of aircraft accidents or aircraft incidents;” and

- (iii) to implement and manage a State safety programme in order to achieve an acceptable level of safety in the operation of aircraft;”.
- (b) the substitution for paragraph (v) of subsection (1) of the following paragraph:
“(v) national aviation emergency **[disaster]** plans and next-of-kin plans in the event of an aircraft accident;”.
- (c) the substitution for paragraph (nn) of subsection (1) of the following paragraph:
“(nn) the fees payable **[to the Civil Aviation Authority]** for the lodging of appeals in terms of Chapter 8; **[and]**”
- (d) the substitution for paragraph (oo) of the following paragraph:
“(oo) generally, any matter which the Minister may consider necessary or expedient to prescribe in order that the objects of this Act or the Convention may be achieved and the generality of this paragraph must not be limited by the preceding paragraphs[.]; and
- (e) the insertion after paragraph (oo) of subsection (1) of the following paragraphs:
“(pp) the establishment of any advisory committee;
(qq) the establishment, implementation and management of State Safety Programme in order to achieve acceptable level of safety;
(rr) the establishment, implementation and management of the National Air Transport Facilitation Programme; and
(ss) the establishment of the National Air Transport Facilitation Committee.”; and
- (j) the substitution for subsection (5) of the following subsection:
“(5) A regulation relating to a financial matter, except the amendment of user fees, may only be made **[after]** in consultation with the Minister of Finance.”;

Repeal of sections 156, 157, 158,159,160,161, and 162 of Act 13 of 2009

52. Sections 156, 157, 158, 159, 160, 161, and 162 of the principal Act are hereby repealed.

Amendment of section 163 of Act 13 of 2009

53. Section 163 of the principal Act is hereby amended by the substitution for subsection (3) of the following subsection:

(3) An officer in the **[Department]** Civil Aviation Authority designated by the **[Director]** Chief Executive Officer for that purpose must keep in his or her office a copy of the complete text of each international aviation standard or each amendment thereof which has been incorporated into any technical standard in accordance with subsection (2), and must at the request in writing of any interested person make such copy available free of charge to such person for inspection or for making a copy, at such person's expense, at a place approved by the said officer.”.

Amendment of Schedule 3 to Act 13 of 2009

54. Schedule 3 of the Principal Act is hereby amended by the substitution in Article 7 for the word “**Sabotage**” of the word “**Cabotage**”.

Amendment of laws

55. The laws mentioned in Schedule 1 are hereby amended to the extent set out in the third column of that schedule.

Short title and commencement

55. This Act is called the Civil Aviation Amendment Act, 2016, and comes into operation on a date fixed by the President by proclamation in the *Gazette*.

**MEMORANDUM ON THE OBJECTS OF THE CIVIL AVIATION
AMENDMENT BILL, 2016**

1. BACKGROUND AND PURPOSE

- 1.1 The Civil Aviation Act, 2009 (Act No. 13 of 2009) (“the principal Act”), provides for the establishment of the Aviation Safety Investigation Board, a juristic body vested with the powers to investigate aircraft accidents and incidents in South Africa. The principal Act also establishes the South African Civil Aviation Authority, an authority vested with the powers to promote civil aviation safety and security. The principal Act was enacted in 2009 to consolidate the various pieces of legislation dealing with the regulation of civil aviation which existed at the time. Following the implementation of the principal Act it became evident that certain provisions thereof were hampering the full operation of the Act.
- 1.2 Most provisions of Chapter 4 of the principal Act were never promulgated due to various reasons, one of which was the practical difficulties in the establishment of the entity, the Aviation Safety Investigation Board (“ASIB”), which is established by the Chapter. As a result of this, the full establishment of the ASIB was never achieved.

2. CLAUSE-BY-CLAUSE ANALYSIS OF BILL

2.1 Clause 1: General amendment of Act 13 of 2009

Clause 1 amends the principal Act in a general way to change “Director of Civil Aviation” to “Chief Executive Officer”. The title “Director” is a phenomenon in the Public Service where there are Directors operating at a managerial level within the Government structural establishments. This title is also not consistent with the titles of other DoT agencies, where they are referred to as CEOs.

2.2 Clause 2: Amendment of section 1 of Act 13 of 2009

Clause 2 amends and inserts various definitions. The definition of “helistop” is amended in order to differentiate a helistop from a heliport. A new definition of “safety programme” is inserted as the Bill extends the powers of the Minister to issue regulations relating to the implementation

of a safety programme. The other inserted definitions are intended to clarify terms inserted by the Bill.

2.3 Clause 3: Amendment of section 2 of Act 13 of 2009

Section 3 is amended to remove incorrect references. Furthermore, state aircraft (aircraft belonging to the SANDF, SAPS and customs) are precluded from legislation regulating civil aviation. However, such aircraft may be subject to certain civil aviation regulations under certain circumstances. The principal Act was not very clear with regards to those circumstances and this Clause amends such provisions.

2.4 Clause 4: Amendment of section 3 of Act 13 of 2009

Clause 4 amends section 3 to remove the obligation imposed on the Minister of Transport to consult the Civil Aviation Authority in the process of ratification of amendments to the Chicago Convention. This is intended to align the Act with section 231 of the Constitution of the Republic of South Africa, 1996.

2.5 Clause 5: Amendment of section 4 of Act 13 of 2009

Clause 5 amends section 4 of the Act to delete the provision which requires the designation of the Civil Aviation Authority. This provision is unnecessary as the Civil Aviation Authority derives its powers and functions directly from the Act.

2.6 Clause 6: Amendment of section 5 of Act 13 of 2009

Clause 6 amends section 5 of the Act to remove the reference to a Protocol that does not exist.

2.7 Clause 7: Amendment of section 7 of Act 13 of 2009

Clause 7 amends section 7 of the Act to remove obsolete references.

2.8 Clause 8: Amendment of section 8 of Act 13 of 2009

Clause 8 amends section 8 of the Act to effect textual improvements.

2.9 Clause 9: Substitution of Chapter 4 of Act 13 of 2009

Clause 9 substitutes Chapter 4 of the Act so as to redefine the establishment of an aircraft accident and incident investigation authority in compliance with the international obligation that South Africa has as a Contracting State to the Convention on International Civil Aviation, 1944, whilst taking into account the national legislative framework. Following the enactment of Chapter 4 of the Act which establishes ASIB, it transpired that certain provisions thereof, namely, the provisions dealing with the structure of ASIB as well as the conflict of interest of members, posed a hindrance to the appointment of members of the ASIB. The amendment is intended to remove these hindrances.

The provisions which gave the Chairperson of the ASIB the powers to appoint and manage staff are deleted in the attached draft. Another notable amendment in this Part is with regards to the provision dealing with conflict of interests. The existing legislation prohibits the appointment of a person as a member of the ASIB if they or their family is involved in any way in the aviation business. The Amendment on the other hand requires a member of ASIB to recuse themselves when there is a potential conflict of interest. Furthermore, all the provisions dealing with the appointment of staff of the entity are deleted.

The provisions of the existing legislation dealing with the Director of Investigation are deleted and the power to designate accident investigators is vested with the ASIB.

The Bill also provides for the insertion of a provision dealing with appeals against findings of the ASIB in relation to an accident.

2.10 Clause 10: Amendment of section 71 of Act 13 of 2009

Clause 10 amends section 71 of the Act to clarify the fact that the Civil Aviation Authority was already in existence when the Act was promulgated in 2009.

2.11 Clause 11: Amendment of section 72 of Act 13 of 2009

Clause 11 amends section 72 of the Act to extend the objects of the Civil Aviation Authority to include the environmental regulation, amongst others. The importance of the protection of the environment is increasing and International Civil Aviation Organization has adopted an amendment to one of its Annexes to put emphasis on this.

2.12 Clause 12: Amendment of section 73 of Act 13 of 2009

Clause 12 amends section 73 of the Act to clarify the functions of the Civil Aviation Authority. The amendment includes the environmental protection as one of the functions of the Civil Aviation Authority. The amendment further effects certain textual amendments to clarify the role of the Civil Aviation Authority.

2.13 Clause 13: Amendment of section 74 of Act 13 of 2009

Clause 13 amends section 74 of the Act to remove incorrect references.

2.14 Clause 14: Amendment of section 76 of Act 13 of 2009

Clause 14 amends section 76 of the Act to extend the role of the Civil Aviation Board to cover the oversight of all the functions of the Civil Aviation Authority, instead of limiting it to corporate governance only. The amendment is also intended to effect some textual changes.

2.15 Clause 15: Amendment of section 77 of Act 13 of 2009

Clause 15 amends section 77 of the Act to align the provision relating to the period of appointment of the Chairperson to that dealing with the period of appointment of other Board members. The amendment also removes an unnecessary qualification for one of the Board members.

2.16 Clause 16: Amendment of section 82 of Act 13 of 2009

Clause 16 amends section 82 of the Act to extend the restriction relating to the remuneration of Board members to persons not only employed by the State, but by other State institutions that are wholly or partially funded by the State.

2.17 Clause 17: Repeal of section 83 of Act 13 of 2009

Clause 17 repeals section 83 of the Act. This is intended to bring the Act in line with the Public Finance Management Act, 1999 (Act No. 1 of 1999) (“the PFMA”). The Civil Aviation Authority does not fall under the list of public entities that are required by the PFMA to submit a corporate governance plan.

2.18 Clause 18: Substitution of section 85 of Act 13 of 2009

Clause 18 substitutes section 85 of the Act so as to amend the process of the appointment of the Chief Executive Officer (Director of Civil Aviation) to include the role of the Civil Aviation Authority Board. The Bill proposes that the Minister appoints a suitable candidate following a recommendation of the Board. The Bill further bestows on the Board, the power to suspend the Chief Executive Officer.

2.19 Clause 19: Amendment of section 86 of Act 13 of 2009

Clause 19 effects a consequential amendment to section 86 of the Act so as to include the Board in the oversight reporting of the Chief Executive Officer.

2.20 Clause 20: Amendment of section 90 of Act 13 of 2009

Clause 20 amends section 90 of the Act to afford the Civil Aviation Authority Board, the power to appoint an acting Chief Executive Officer. The amendment is also intended to remove the provision which limits the acting period of the Chief Executive Officer to 12 months.

2.21 Clause 21: Amendment of section 94 of Act 13 of 2009

Clause 21 amends section 94 of the Act to effect textual amendments and to remove redundant references. The amendment is also intended to remove provisions which have been found unnecessary to implement.

2.22 Clause 22: Amendment of section 95 of Act 13 of 2009

Clause 22 amends section 95 of the Act to remove an incorrect reference.

2.23 Clause 23: Amendment of section 99 of Act 13 of 2009

Clause 23 amends section 99 of the Act to extend the limitation of liability to the Civil Aviation Authority, rather than limit it to only the employees of the Authority. In contradistinction to section 19 of the repealed South African Civil Aviation Authority Act, the current provision does not protect the interest of SACAA, in instances where the SACAA does something in good faith. This proposed provision is standard and is similar to the one that is contained in other legislation.

2.24 Clause 24: Amendment of section 103 of Act 13 of 2009

Clause 24 amends section 103 of the Act to remove the provision conferring certain powers relating to aviation security which have already been bestowed to the Civil Aviation Authority by virtue of section 73 of the Act. The segregation of powers relating to aviation security was highlighted during an ICAO security audit conducted to verify the aviation security functions of the Republic.

2.25 Clause 25: Amendment of section 104 of Act 13 of 2009

Clause 25 amends section 104 of the Act to amend obsolete references and to remove the representative of the South African Secret Service from the composition of the National Aviation Security Committee.

2.26 Clause 26: Amendment of section 108 of Act 13 of 2009

Clause 26 amends section 108 of the Act to effect a textual improvement.

2.27 Clause 27: Amendment of section 110 of Act 13 of 2009

Clause 27 amends section 110 of the Act to designate the Chief Executive Officer as the authority to approve the appointment of a person responsible for the execution of security programmes of an airport. Certain consequential amendment is effected as a result of this designation.

2.28 Clause 28: Amendment of section 111 of Act 13 of 2009

Clause 28 amends section 111 of the Act to effect textual amendments and to remove incorrect references.

2.29 Clause 29: Amendment of section 112 of Act 13 of 2009

Clause 29 amends section 112 of the Act to remove an incorrect reference and to remove the reference to the amount of the fine. This will allow the amount of the fine to be determined in terms of the Adjustment of Fines Act, 1991 (Act No. 101 of 1991).

2.30 Clause 30: Amendment of the heading to Chapter 7 of Act 13 of 2009

Clause 30 amends the heading to Chapter 7 of the Act so as to remove unnecessary reference to compliance notices.

2.31 Clause 31: Repeal of section 114 of Act 13 of 2009

Clause 31 repeals section 114 of the Act. The provisions of this section were never implemented in practice and when considered in light of the existing practice, they are impractical in some respects, especially when they indicate that non-compliances constitute an offence, implying that the criminal process must be invoked.

2.32 Clause 32: Amendment of section 116 of Act 13 of 2009

Clause 32 amends section 116 of the Act to clarify the powers of inspectors with regards to prohibition of certain activities. The restriction relating to the time period within which a prohibition may be issued is impractical as a prohibition may be as long as the event which caused it still exists.

2.33 Clause 33: Amendment of section 118 of Act 13 of 2009

Clause 33 amends section 118 of the Act to clarify the powers of authorised officers, inspectors or authorised persons. Most of the powers which are listed in the existing provision as appealable against, are not bestowed to the authorised officers etc. these powers are conferred on the Director of Civil Aviation. The amendment further extends the time periods within which an appeal is lodged or adjudicated. The existing timeframes in the Act are unrealistic in practice.

2.34 Clause 34: Amendment of section 119 of Act 13 of 2009

Clause 34 amends section 119 of the Act to effect clarity to the process of medical appeals. In the absence of a designated body or institution, certain powers, e.g. the power to suspend a medical certificate due to non-compliance with certain regulations, vest in the Chief Executive Officer and by extension, to the SACAA medical officers designated by the CEO. The appealable decisions that are currently mentioned in section 119 do not include these medical officers, and the amendment is intended to close the loophole. Furthermore, section 119(7) is deleted as it sounds rather odd that an appellant in the medical case is entitled to legal representation when there are no similar provisions for other appellants. The issue of legal representation in administrative matters is dealt with in the Promotion of Administrative Justice Act, and it should be left that way.

2.35 Clause 35: Amendment of section 120 of Act 13 of 2009

Clause 35 amends section 120 of the Act to remove from appealable decisions, those decisions which relate to privileges granted at the discretion of the Chief Executive Officer.

2.36 Clause 36: Amendment of section 121 of Act 13 of 2009

Clause 36 amends section 121 of the Act to remove unnecessary text.

2.37 Clause 37: Amendment of section 126 of Act 13 of 2009

Clause 37 amends section 126 of the Act to effect textual changes.

2.38 Clause 38: Amendment of section 128 of Act 13 of 2009

Clause 38 amends section 128 of the Act to move the administrative work of the appeal committee from the Civil Aviation Authority to DOT.

2.39 Clause 39: Amendment of heading to Chapter 9 of Act 13 of 2009

Clause 39 amends the heading to Chapter 9 of the Act so as to remove unnecessary text.

2.40 Clause 40: Amendment of section 130 of Act 13 of 2009

Clause 40 amends section 130 of the Act to rectify the assignment of the power to issue exemptions from compliance with the Act. This amendment is intended to remove an inadvertent implication in which the Chief Executive Officer may exempt him or herself from complying with certain requirements prescribed in the Act.

2.41 Clause 41: Amendment of section 132 of Act 13 of 2009

Clause 41 amends section 132 of the Act to remove an unnecessary provision. Article 83*bis* of the Chicago Convention already prescribes the process followed once an agreement is signed.

2.42 Clause 42: Amendment of section 133 of Act 13 of 2009

Clause 42 amends section 133 of the Act to insert new offences relating to the use of aircraft in service as a weapon or a mechanism for discharging weapons or explosives. The bill also criminalizes transportation of prohibited nuclear material.

2.43 Clause 43: Amendment of section 140 of Act 13 of 2009

Clause 43 amends section 140 of the Act to make textual enhancement.

2.44 Clause 44: Amendment of section 142 of Act 13 of 2009

Clause 44 amends section 142 of the Act to add explosives, radioactive material and weapons of mass destruction on the list on the list of items prohibited from conveyance by civilian aircraft.

2.45 Clause 45: Amendment of section 143 of Act 13 of 2009

Clause 45 amends section 143 of the Act to assign the power to avert threat to safety and security, to the Chief Executive Officer. The Chief Executive Officer is considered as appropriately well vested with the opportunity to assess whether any action is likely to jeopardise aviation safety or security.

2.46 Clause 46: Amendment of section 144 of Act 13 of 2009

Clause 46 amends section 144 of the Act to extend the powers of the Chief Executive Officer in relation to administrative fines.

2.47 Clauses 47; 48; 49 and 50: Amendment of section 145 of Act 13 of 2009

Clauses 47; 48; 49 and 50 amends sections 145; 146; 147 and 148 in order to effect textual amendments.

2.48 Clause 51: Amendment of section 155 of Act 13 of 2009

Clause 51 amends section 155 of the Act to extend the regulation making powers of the Minister. This amendment was necessitated by the ICAO requirements for the introduction of State safety programme as well as requirements relating to facilitation as prescribed in Annex 9.

The expression “aviation emergency plans” as proposed in the amendment is of a wider ambit than the existing words as it is not limited to disasters.

2.49 Clause 52: Repeals sections 156 to 162 of Act 13 of 2009

Clause 52 repeals the consultative structures from the Act so as to deal with the establishment thereof and ancillary matters related thereto in the Civil Aviation Regulations. Until the enactment of the Act in 2010, the establishment of the consultative structures was dealt with in the Civil Aviation Regulations. The inclusion of the provisions relating to consultative structures in the Act created some anomalies in relation to provisions which are difficult to implement.

2.50 Clause 53: Amendment of section 163 of Act 13 of 2009

Clause 53 amends section 163 of the Act to remove an incorrect reference. The power to issue technical standards is vested with the Chief Executive Officer and it is considered prudent that any technical standard adopted pursuant to the international standards be kept at the offices of the Civil Aviation Authority.

2.51 Clause 54: Amendment of laws

Clause 54 and the associated schedule amend various laws to align them with the new provisions of the Act.

3. FINANCIAL IMPLICATION FOR STATE

There are no financial implications brought about by the draft Bill.

4. PARLIAMENTARY PROCEDURE

The Department is of the opinion that the Bill should be dealt with in accordance with section 75 of the Constitution of the Republic of South Africa, 1996 (“the Constitution”), as it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.
