Dear Deputy Minister

It is requested by the President that I identify areas of responsibilities within the Department that will be under your responsibility as per the mandate given to me to lead the department.

As my Deputy Minister and as discussed, you will as the Deputy Minister be responsible for the Disability Portfolio in the Department. This mandate includes women, youth and any other person with disabilities.

I hope we will be able to carry forward the mandate of the Department in protecting the vulnerable groups affected by Gender Based Violence and Femicide (GBVF).

Yours sincerely,
