 - (iii) Biology on the Standard Grade or Higher Grade; or
 - (iv) Physiology on the Standard Grade or Higher Grade;
- (b) obtained the minimum aggregate of 950 marks; and
- (c) passed in -
- (i) at least five subjects and obtained the subminimum of 20 per cent in a sixth subject; and
 - (ii) at least -
- (aa) three languages and one subject from each of two of Groups B, C, E or F; or
 - (bb) three languages and two subjects from Group C; or

- (cc) three languages and two subjects from Group E; or
- (old) two languages, and one subject from each of three of Groups B, C, E or F; or
- (ee) two languages, two subjects from Group C and one subject from one of Groups B, E or F; or
- (ff) two languages, two subjects from Group E and one subject from one of Groups B, C or F:

where a Second Language Standard Grade passed with at least 40 per cent is recognised as a pass in a language; and

- (iii) two subjects from Group A at the Higher Grade of which at least one must be a First Language and one must be a university language of instruction; and
- (iv) two further subjects at the Higher Grade including:
 - (aa) one subject from each of two of Groups B, C, E and F; or
 - (bb) one subject from one of Groups B, C, E or F and a third language from Group D provided that a Second Language Higher Grade will only be recognised for this purpose if the candidate obtained at least 40 per cent.

Minimum requirements for matriculation endorsement to be satisfied by immigrants

4. An immigrant who has attended school on a full-time basis must comply with the provisions of paragraph 3, but may -
 - (a) to satisfy paragraph 3(a)(i) offer and sit -
 - (i) a language chosen from Group D in place of one of the languages from Group A; or
 - (ii) if a German speaking candidate, German First Language Higher Grade in place of the compulsory First Language Higher Grade subject from Group A; or
 - (iii) his or her mother tongue on the Advanced Level in place of the compulsory First Language Higher Grade;
 - (b) to satisfy paragraph 3(c)(iii), pass -
 - (i) a university language of instruction First Language Higher Grade and a language chosen from Group D; or
 - (ii) if a German speaking candidate, German First Language Higher Grade and a university language of instruction First Language Higher Grade or First Language Standard Grade or Second Language Higher Grade; or
 - (iii) his or her mother tongue on the Advanced Level and a university language of instruction First Language Higher Grade or First Language Standard Grade or Second Language Higher Grade;

Provided that -

- (aa) a pass in an Advanced Level language examination shall be regarded as having been passed at the same examination sitting if passed six months before, or at the same time as, or within six months after the same examination sitting, in which case the last date of examination shall determine the date of issue of any certificate or endorsement issued in terms of paragraph 9;
- (bb) the marks obtained for the Advanced Level language examination shall be calculated according to the formula prescribed for the Council's senior certificate, and shall be included in the aggregate calculation in the place of the marks for the compulsory First Language Higher Grade subject for Group A; and
- (cc) if he or she sits the examination in six subjects, he or she may not offer more than four languages, and if he or she sits the examination in more than six subjects, he or she may not offer more than five languages.

Minimum requirements for matriculation endorsement to be satisfied by part-time candidates

5. (1) The Council shall endorse the senior certificate of a part-time candidate who, taking into account the provisions of paragraph 8-
- (a) passed in at least two Higher Grade subjects selected from at least two groups at one sitting; and
 - (b) satisfied the requirements for endorsement set out in paragraphs 3(a), 3(b) and 3(c) at two sittings; or
 - (c) if an immigrant, satisfied the requirements for endorsement set out in paragraphs 3(a), 3(b) and 3(c), read with the provisions of paragraph 4 at a maximum of two examination sittings.
- (2) An unsuccessful full-time candidate who passed at 40 per cent or better in a minimum of three recognised subjects at a sitting is deemed to have sat as a part-time candidate for the purpose of this paragraph and may retain credit for one or more of the subjects he or she passed at 40 per cent or better.

Minimum aggregate

6. The minimum aggregate to qualify for matriculation endorsement shall be 950 marks.

Marks excluded from the aggregate

7. The aggregate is the sum of the marks obtained by the candidate, except that where the candidate sat the examination in more than six subjects, the aggregate is the sum of-
- (a) the marks in the best two subjects from Group A of which one must be a First Language and one a university language of instruction; and
 - (b) the marks in the candidate's remaining four best subjects.

Conversion formula for satisfying matriculation endorsement or exemption requirements

8. (1) If a candidate obtained 33 1/3 per cent to 39 per cent in an official language First Language Higher Grade, he or she shall be deemed to have passed with 40 per cent in that First Language Standard Grade and if a candidate obtained 30 to 33 per cent in an official First Language Higher Grade, he or she shall be deemed to have passed with 33 1/3 per cent in that First Language Standard Grade: Provided that -
- (a) a candidate who offered two official languages at the First Language Higher Grade level and obtained between 33 1/3 per cent and 39 per cent in one of such two subjects shall be deemed to have passed with 40 per cent in that language on the Second Language Higher Grade level; and
 - (b) a candidate who offered two official languages on the First Language Higher Grade level and obtained 30 per cent to 33 per cent in one of such two subjects shall be deemed to have passed with 33 1/3 per cent in that language on the Second Language Higher Grade level.
- (2) If a candidate obtained 33 1/3 per cent to 39 per cent in German First Language Higher Grade, he or she shall be deemed to have passed with 40 per cent in German Third Language Higher Grade and if a candidate obtained 30 per cent to 33 per cent in German First Language Higher Grade, he or she shall be deemed to have passed with 33 1/3 per cent in German Third Language Standard Grade.
- (3) If a candidate obtained 33 1/3 per cent to 39 per cent in any Higher Grade subject other than those mentioned in subparagraphs (1) and (2), he or she shall be deemed to have passed with 40 per cent in that subject on the Standard Grade and if a candidate obtained 30 per cent to 33 per cent in such a Higher Grade subject, he or she shall be deemed to have passed with 33 1/3 per cent in that subject on the Standard Grade.
- (4) Subparagraphs (1), (2) and (3) shall also apply in cases where no official examination is offered in that subject on the Standard Grade.
- (5) Subject to paragraph 7, the actual marks which were obtained in the subject at the level on which the candidate sat the examination in that subject shall be included in the aggregate.

Date of issue of matriculation endorsement

9. The Council shall endorse *senior certificates* that have to be endorsed in terms of paragraphs 3, 4 and 5 on the first day of the month following the month in which the requirements for endorsement were satisfied: Provided that in the case of a candidate who satisfied the requirements for endorsement at two or more examination sittings, the date on which the subjects were passed at the relevant examination sittings shall also be indicated on the senior certificate.

REQUIREMENTS FOR ISSUE OF CERTIFICATES OF COMPLETE EXEMPTION

Certificate of complete exemption by virtue of a combination of technical subjects and senior certificate languages

10. The Committee of Principals shall issue a certificate of complete exemption to a person who passed in a combination of technical subjects and senior certificate languages: **Provided that such person -**
- (a) passed in each of at least four technical subjects on the N5 standard;
 - (b) **included Mathematics among** such four technical subjects; and
 - (c) **towards the completion or partial completion of a senior certificate of the Council** passed in two official languages, one at First Language Higher Grade and the other on at least Second Language Higher Grade and one of which must be a university language of instruction, or, in the case of an immigrant, satisfied the language requirements specified in paragraph 4(b).

Certificate of complete exemption by virtue of a combination of SYSTEM Recovery Programme and senior certificate subjects

11. The Committee of Principals shall issue a certificate of complete exemption to a person who -
- (a) passed in at least three senior certificate subjects including two Higher Grade languages from Group A: Provided that one of these languages is a First Language and provided also that one of these languages is a university language of instruction; and
 - (b) passed with at least 50 per cent in SYSTEM Mathematics and in SYSTEM Physics and Chemistry in the SYSTEM Recovery Programme.

Certificate of complete exemption by virtue of a combination of ASECA and senior certificate subjects

12. The Committee of Principals shall issue a certificate of complete exemption to a person who -
- (a) passed in an official language First Language Higher Grade; and
 - (b) passed in another official First Language Higher Grade or Second Language Higher Grade subject or ASECA Communication in English, if English is not the subject passed under (a); and
 - (c) **passed two ASECA subjects approved by the Committee of Principals** which should include ASECA Advanced Mathematics or **ASECA Mathematics**; and
 - (d) passed another ASECA subject approved by the Committee of Principals or a senior certificate subject listed in paragraph 2; and
 - (e) obtained at least 20 per cent in a sixth subject which may be either a senior certificate subject or another ASECA subject approved by the Committee of Principals; or

(f) passed in an N3 subject as sixth or seventh subject:

Provided that -

- (i) a person may not offer in combination an ASECA subject and a senior certificate subject which are in the opinion of the Committee of Principals substantially the same; and
- (ii) a combination of four Higher Grade subjects or subjects equivalent to Higher Grade subjects or combinations of such subjects must be passed.

Certificate of complete exemption by virtue of the examinations of the examining bodies mentioned in Annexure I

13. (1) Subject to subparagraph (2) hereof, the Committee of Principals shall issue a certificate of complete exemption to a person who passed the examination of the examining body mentioned in Annexure 1: Provided that -

- (a) such person at one or more sittings for the examination obtained a pass in a minimum of either five subjects approved by the Committee of Principals for this purpose, at least two of which shall be approved Advanced Level subjects and the remainder approved Ordinary Level subjects, or four approved subjects, three of which shall be approved Advanced Level subjects and the remaining subject an approved Ordinary Level subject; and
- (b) such person included in the four or five subjects at least one subject selected from each of the following groups:

Group 1: English Language;

Group II: Afrikaans, French, German, Greek, Hebrew, Italian, Latin, Nederlands, Portuguese or any other language approved by the Committee of Principals;

Group III: Biology, Botany, Chemistry, French (if not offered under Group II), General Science, Geology, German (if not offered under Group II), Greek (if not offered under Group II), Hebrew (if not offered under Group II), Italian (if not offered under Group II), Latin (if not offered under Group II), Mathematics, Nederlands (if not offered under Group II), Physics, Physics-with-Chemistry, Portuguese (if not offered under Group II) and Zoology, or any other language approved by the Committee of Principals (if not offered under Group II).

(2) For the purpose of the issuing of a certificate of complete exemption -

- (a) a credit in the Cambridge Overseas School Certificate examination shall be deemed to be an Ordinary Level subject pass of the General Certificate of Education;

- (b) a Subsidiary Level subject pass for an examination conducted by an examining body specified in Annexure I up to and including the July 1993 examination shall be deemed to be an Ordinary Level or an M Level subject pass, whilst as from the November 1993 examination such a subject pass shall be deemed to be an Ordinary Level pass only;
- (c) a mark of 42 to 44. per cent of the maximum marks in an M Level examination of the Associated Examining Board referred to in Annexure I shall be deemed to be an Ordinary Level pass;
- (d) a Principal Level subject pass at the Higher School Certificate examination conducted by an examining body specified in Annexure I shall be deemed to be an Advanced Level pass; and
- (e) a pass in a first-year bachelor's degree instructional offering or instructional offerings approved by the Committee of Principals and leading to a degree at a South African university shall be deemed to be an Advanced Level pass.

Certificate of complete exemption by virtue of Advanced Supplementary Examinations of the examining bodies mentioned in Annexure 1

14. (1) Subject to paragraph 13(2) and subparagraphs (2) and (3), the Committee of Principals shall issue a certificate of complete exemption to a person who has passed -
- (a) in at least five different subjects on the Advanced Supplementary Level and Ordinary Level including one selected from each of Groups I and II and two selected from two of Groups III, IV and V:
 - Group 1:** A first language approved by the Committee of Principals;
 - Group II:** A second language approved by the Committee of Principals;
 - Group III:** A third language approved by the Committee of Principals not offered for the purpose of Group I or II, Biology, Chemistry, Mathematics or Physics;
 - Group IV:** Art, Biology (if not offered under Group III), Chemistry (if not offered under Group III), Economics, Geography, History, Mathematics (if not offered under Group III), Music or Physics (if not offered under Group III);
 - Group V:** Accounting, Business Studies, Computing, Further Mathematics or Design and Technology;
 - (b) in four Advanced Supplementary Level subjects, of which at least one shall be from Group I or II and at least two shall be selected from two of Groups III, IV or V of subparagraph (a): Provided that any recognised language subject from Group III may be recognised as a Group II subject satisfying the grouping requirements of that group only;
 - (c) in English as First Language or Second Language at Advanced Supplementary Level or English Language at Ordinary Level.

- (2) An Advanced Supplementary subject from Group V of subparagraph (1)(a) may only be recognised for the purpose of subparagraph (1)(b), if the candidate has passed in Mathematics on at least Ordinary Level.
- (3) A candidate must have satisfied all the requirements of subparagraphs (1)(a) and (1)(b) at not more than two examination sittings.
- (4) Where a subject is not examined in the November examination, the preceding or following June examination sitting, and in the case where the main examination is in June, the previous or subsequent November examination sitting will be regarded as the same examination sitting for the purposes of subparagraph (3).

Certificate of complete exemption by virtue of HIGCSE and IGCSE level examinations of the University of Cambridge Local Examinations Syndicate

15. (1) Subject to paragraph 13(2) and subparagraphs (2) and (3), the Committee of Principals shall issue a certificate of complete exemption to a person who -
 - (a) passed in at least five different subjects on the HIGCSE and the IGCSE levels selected from Groups I and II and two of Groups III, IV and V:
 - Group 1:** a first language approved by the Committee of Principals;
 - Group II:** a second language approved by the Committee of Principals;
 - Group III:** a third language approved by the Committee of Principals which is not offered for the purpose of Group I or II, Biology, Chemistry, Mathematics, Physical Science or Physics;
 - Group IV:** Art and Design, Biology (if not offered under Group III), Chemistry (if not offered under Group III), Economics, Geography, History, Mathematics (if not offered under Group III), Music, Physical Science (if not offered under Group III) or Physics (if not offered under Group III);
 - Group V:** Accounting, Computer Studies or Design and Technology;
 - (b) passed four HIGCSE level subjects, of which at least one shall be from Group I or II and at least two others shall be from different groups, selected from Groups III, IV or V of subparagraph (a): Provided that any recognised third language subject from Group III can be recognised as a Group II second language subject satisfying the grouping requirements of one group only; and
 - (c) passed either First Language English or English as a Second Language at HIGCSE Level or obtained a symbol 4 for First Language English or English as a Second Language at HIGCSE Level provided four other HIGCSE Level subjects, satisfying the grouping requirements of sub-paragraph (b) had been passed.
- (2) A HIGCSE level subject from Group V of subparagraph (1)(a), selected for the purpose of subparagraph (1)(b), shall be accompanied by a pass in Mathematics on at least the IGCSE level.

- (3) A candidate shall satisfy all the requirements of subparagraphs (1)(a) and (b) at not more than two examination sittings.
- (4) Where a language subject is not examined in November, the preceding June examination sitting and the previous or subsequent November examination sitting will be regarded as the same examination sitting in terms of subparagraph (3).
- (5) Where a symbol 4 is obtained for a HIGCSE level subject, it is regarded as a passmark in the equivalent IGCSE level subject except where it is a HIGCSE level first language subject in which case it shall be regarded as a second language HIGCSE level subject pass in that subject if another first language HIGCSE level subject is also passed.

Certificate of complete exemption by virtue of Advanced International Certificate of Education Examinations of University of Cambridge Local Examinations Syndicate

16. (1) The Committee of Principals shall issue a certificate of complete exemption to a person who, taking into account the provisions of paragraph 13(2) -
 - (a) was awarded an Advanced international Certificate of Education by the University of Cambridge Local Examinations Syndicate; and
 - (b) included in the subjects passed towards the Advanced International Certificate of Education five full credit pass marks or alternatively four full credit pass marks and two half credit pass marks; and
 - (c) satisfied the following subject requirements:

 - (iii) **national diploma obtained from a South African technikon;**
 - (iv) **nursing diploma obtained from a South African nursing college in terms of a co-operation agreement with a South African university; or**
 - (v) **any other equivalent post-school qualification approved by the Committee of Principals.**
- (2) **The Committee of Principals shall date a certificate of complete exemption issued in terms of subparagraph (1) with effect from the first day of the month following the date of completion of the approved diploma: Provided that if the university where the candidate intends to register for degree purposes is prepared to grant exemption from degree instructional offerings by virtue of instructional offerings passed towards completion of such diploma, such university may apply on behalf of the candidate to antedate the certificate of complete exemption and the Committee of Principals may antedate such certificate to the beginning of the year in which the first diploma instructional offerings were passed on the grounds of which the relevant university is prepared to grant exemption from degree instructional offerings in terms of the provisions of the Joint Statute,**

Certificate of complete exemption to immigrants by virtue of a combination of senior certificate subjects and one language with First Language Higher Grade equivalence

19. The Committee of Principals may issue a certificate of complete exemption to an immigrant who as a fulltime candidate for a recognised examination, at one and the same examination sitting -
- (a) sat the examinations in at least five subjects from Group A to F, including at least one subject from each of four different groups; and
 - (b) sat, and passed, the examination in a language subject with First Language Higher Grade equivalence; and
 - (c) passed in -

- (i) at least four other subjects; and
- (ii) a university language of instruction First Language Higher Grade, First Language Standard Grade, or Second Language Higher Grade, with 40 per cent; and
- (iii) in addition to the language subject with First Language Higher Grade equivalence, two subjects on the Higher Grade; and
- (iv) including the language subject with First Language Higher Grade equivalence -
 - (aa) three languages, and one subject from each of two of Groups B, C, E or F; or
 - (bb) three languages, and two subjects from Group C; or
 - (cc) three languages, and two subjects from Group E; or
 - (old) two languages, and one subject from each of three of Groups B, C, E or F; or
 - (ee) two languages, two subjects from Group C and one subject from one of Groups B, E or F; or
 - (ff) two languages, two subjects from Group E and one subject from one of Groups B, C or F; and
- (d) obtained at least the subminimum of 20 per cent in a fifth subject; and
- (e) obtained the minimum aggregate of 950 marks:

Provided that -

- (i) the marks obtained for the language with **First Language Higher Grade** equivalence mentioned in subparagraph (b) shall be calculated from a total of 400 marks and shall be used for the calculation of the aggregate in the place of marks for the compulsory First Language Higher Grade;
- (ii) the marks obtained in a university language of instruction First Language Higher Grade, First Language Standard Grade or Second Language Higher Grade may not be excluded for the purpose of calculating the aggregate;
- (iii) an examination sitting in the language with First Language Higher Grade equivalence mentioned in subparagraph (b), which was conducted six months before, at the same time as, or within six months of the senior certificate examination sitting, shall for the purpose of this paragraph be regarded as part of the same examination sitting; and
- (iv) a candidate who sat and passed in the language with First Language Higher Grade equivalence mentioned in subparagraph (b) may in addition sit the examinations in a maximum of three other languages.

- (ee) a candidate who passed an extra-curricular subject of the same examining authority at a level higher than the examination for which the Committee of Principals has granted Higher Grade subject equivalence shall also be granted Higher Grade subject equivalence.

Date of issue of certificates of complete exemption

21. Except as provided for in paragraph 18(2) the Committee of Principals shall date a certificate of complete exemption which is issued in terms of the provisions of paragraphs 10 to 20, from the first day of the month following the month in which the exemption requirements are satisfied.

Conversion of certificates of conditional exemption to endorsed senior certificates or certificates of complete exemption

22. (1) The Council shall endorse the senior certificate of a candidate who qualified for the issue of a certificate of conditional exemption in terms of the provisions of paragraph 24, but to whom no certificate of conditional exemption has been issued, if such person satisfied the outstanding requirement or requirements at a subsequent senior certificate examination.
- (2) The Committee of Principals shall issue on application a certificate of complete exemption to a candidate to whom a certificate of conditional exemption had been issued in terms of paragraphs 24, 25, 26, 27, 28, 29, 30 and 31 if such person satisfied the outstanding requirement or requirements.

REQUIREMENTS FOR THE ISSUING OF CERTIFICATES OF CONDITIONAL EXEMPTION

Issuing of certificates of conditional exemption

23. The Committee of Principals shall on application issue a certificate of conditional exemption to a person who intends enrolling for bachelor's degree studies at a South African university, who complied with the requirements of paragraph 24, 25, 26, 27, 28, 29, 30 or 31.

Certificate of conditional exemption by virtue of a senior certificate issued by the Council

24. The Committee of Principals shall issue a certificate of conditional exemption to a person who in an examination for the senior certificate of the Council -
- (a) at one and the same sitting, or in the case of a part-time candidate, at the two permitted qualifying sittings for the examination, sat examinations in not less than six subjects chosen in accordance with -
- (i) the provisions of paragraph 3(a); or
- (ii) in the case of an immigrant, the provisions of paragraph 3(a) read with paragraph 4; and
- (b) passed in at least five subjects; and
- (c) obtained the minimum aggregate of 950 marks; and

- (d) lacks only **one** of the following requirements for a senior certificate with a matriculation endorsement:
- (i) a pass in one of the languages required by paragraph 3(c) or 4(b) or 19(b); or
 - (ii) a pass in a subject which means that the grouping requirement of paragraph 3(c) is not met including a case where a candidate offered only three groups; or
 - (iii) a pass in **Mathematics** or a natural science subject required by the proviso to paragraph 3(c)(iv); or
 - (iv) a pass in one of the two subjects on the Higher Grade required by paragraph 3(c)(iv); or
 - (v) a 20 per cent subminimum in the sixth subject:

Provided that where a failure in a Higher Grade language subject used for the purpose of Group A results in the candidate having to satisfy more than one of these requirements, a certificate of conditional exemption shall be issued.

Certificate of conditional exemption by virtue of a combination of subjects passed in technical and other examinations

25. Subject to paragraphs 29(2), 32 and 34, the Committee of Principals shall issue a certificate of conditional exemption to a person who passed in a combination of technical and senior certificate language subjects and who -
- (a) passed in four technical subjects including Mathematics at the N5 standard and in one of the two languages prescribed by paragraph 10(c); or
 - (b) passed in both languages prescribed by paragraph 10(c), but did not obtain a pass in Mathematics as one of the four technical subjects at the N5 standard; or
 - (c) passed in both languages prescribed by paragraph 10(c), but did not obtain a pass in one of the four technical subjects at the N5 standard.

Certificate of conditional exemption by virtue of the examinations of the examining bodies mentioned in Annexure I

26. Subject to paragraphs 13(1) and 32, the Committee of Principals shall issue a certificate of conditional exemption to a person who obtained, towards a certificate mentioned in Annexure 1, the pass mark in a minimum of such four Ordinary Level and Advanced Level subjects as the Committee of Principals may approve: Provided that -
- (a) such person passed in five different subjects, one of which is an approved Advanced Level subject and in addition satisfied all the requirements of paragraph 13(1)(b); or
 - (b) such person passed in at least two approved Advanced Level subjects and in a subject from each of two of the three groups prescribed by paragraph 13(1)(b); or

- (c) such person passed in at least two approved Advanced Level subjects and in a subject from each of the three groups prescribed by paragraph 13(1)(b) but lacks a pass in a fifth subject required by paragraph 13(1)(a).

Certificate of conditional exemption by virtue of HIGCSE and IGCSE level examinations of the University of Cambridge Local Examinations Syndicate

27. (1) Subject to paragraphs 15(2), 15(3), 27(2) and 32, the Committee of Principals shall issue a certificate of conditional exemption to a person who passed a minimum of four HIGCSE level subjects and one IGCSE level subject in an examination conducted by the University of Cambridge Local Examinations Syndicate and who lacks one of the following requirements:
- (a) an approved IGCSE or HIGCSE level subject for the purpose of paragraph 15(1)(a);
 - (b) one of the compulsory groups required by paragraph 15(1)(b);
 - (c) a HIGCSE level subject required by paragraph 15(1)(b); or
 - (d) a pass in Mathematics on at least the IGCSE level as required by paragraph 15(2).
- (2) A person is entitled to a certificate of conditional exemption if he or she has passed in the subjects by virtue of which the certificate was obtained in terms of subparagraph (1) at no more than two examination sittings.
- (3) A person to whom a certificate of conditional exemption was issued and who lacks a pass in another IGCSE level subject, may satisfy the outstanding requirement by obtaining a pass in the particular subject at the Higher Grade or Standard Grade for the purpose of a senior certificate of the Council or by obtaining a pass at a South African university in an examination for a qualifying instructional offering or offerings in the equivalent field of study approved by the Committee of Principals.
- (4) A person to whom a certificate of conditional exemption was issued and who lacks a pass in another HIGCSE level subject, may satisfy the outstanding requirement by obtaining a pass in the particular subject at the Higher Grade for the purpose of a senior certificate of the Council or by obtaining a pass in an examination in the qualifying instructional offering or offerings approved by the Committee of Principals at a South African university at the first-year level which leads unconditionally to an instructional offering or offerings at the second-year level in the relevant field of study.

Certificate of conditional exemption to applicants from foreign countries

28. Subject only to paragraphs 32(2), 32(4) and 36 the Committee of Principals shall on request issue a certificate of conditional exemption to the registrar of a South African university in the name of an applicant from any foreign country who holds a certificate entitling him or her to unconditional admission as a candidate for a degree, or equivalent qualification, at a foreign university or other institution, approved by the Committee of Principals, in the country where he or she obtained his or her school-leaving Certificate: Provided that admission to such foreign institution on the grounds of mature age or any other special conditions shall not be regarded as unconditional admission to degree studies, for the purpose of this paragraph.

Certificate of conditional exemption to immigrants

29. (1) Subject to paragraphs 2, 32(2), 32(4) and 37, the Committee of Principals shall issue a certificate of conditional exemption to an immigrant who, at one and the same examination sitting –
- (a) offered for the examination at least six subjects selected from Groups A to F in paragraph 2, including at least one subject from each of four different groups; and
 - (b) passed in at least five subjects; and
 - (c) obtained the minimum aggregate of 950 marks; and
 - (d) obtained at least 40 per cent in a university language of instruction First Language Higher Grade; and
 - (e) satisfied the requirements of paragraphs 3(c)(i) and 3(c)(ii); and
 - (g) passed in at least one language of university instruction Higher Grade and satisfied the grouping requirements of paragraph 3(c)(iv) in all other respects.
- (2) Subject to paragraphs 10, 29(1)(a), 29(1)(b), 32(2), 32(4) and 37, the Committee of Principals shall issue a certificate of conditional exemption to an immigrant who passed four technical subjects, including Mathematics, at the N5 standard, and who wishes to register as a student for bachelor's degree studies at a South African university Provided that such person -
- (a) passed in each of at least four technical subjects at the N5 standard;
 - (b) included Mathematics amongst such four subjects; and
 - (c) obtained at least 40 per cent in a university language First Language Higher Grade towards a senior certificate of the Council.
- (3) A pass in the home language of an immigrant at the Advanced Level of the General Certificate of Education or in a language that was granted First Language Higher Grade equivalence by the Committee of Principals shall be accepted in lieu of a pass in a First Language Higher Grade from Group A.
- (4) In the case of a German-speaking immigrant, a pass *in* German First Language Higher Grade shall be accepted in the place of a pass in a First Language Higher Grade from Group A.

Certificate of conditional exemption by virtue of mature age

30. (1) Subject to paragraphs 32(2), 32(4) and 38, the Committee of Principals shall issue a certificate of conditional exemption to the registrar of a South African university on behalf of a person who submits a statement from the senate of the university specifically stating that the applicant may in the opinion of the senate reasonably be expected to complete the curriculum: Provided that the applicant has -
- (a) attained the age of 23 years before or during the year in which the applicant wishes to enrol at a South African university for a bachelor's degree with a minimum prescribed full-time duration of three years, for which a matriculation endorsement or a certificate of exemption is a prerequisite; and

- (b) before 31 March of the year for which a certificate of conditional exemption is required, passed with at least 40 per cent in at least four Higher Grade or Standard Grade subjects, at least three of which shall have been passed simultaneously and one of which shall be a recognised subject on the Higher Grade: Provided further that -
- (i) an official language Second Language Higher Grade subject shall only be recognised as a Higher Grade subject if at least 40 per cent is obtained; and
 - (ii) other subjects may be recognised for the purpose of this subparagraph, or that a certificate of conditional exemption may be issued in terms of this subparagraph to a person whose general educational qualifications satisfy the Committee of Principals.
- (2) Subject to paragraphs 30(1), 32(2), 32(4) and 38, the Committee of Principals shall, regardless of the applicant's educational qualifications, issue a certificate of conditional exemption to the registrar of a South African university on behalf of a person who submits a statement from the senate of the university specifically stating that the applicant may in the opinion of the senate reasonably be expected to complete the curriculum: Provided that the applicant attained the age of 45 years before or during the year in which the applicant wishes to enrol at a South African university for a bachelor's degree with a minimum prescribed full-time duration of three years.

Certificate of conditional exemption by virtue of a certificate issued by the senate of a university

31. (1) The Committee of Principals shall issue a certificate of conditional exemption to a person who, in the opinion of the senate of a university, has demonstrated, in a selection process approved by that senate, that he or she is suitable for admission to bachelor's degree studies, which certificate shall be valid for admission to that university only.
- (2) Where the senate of a university certifies that the holder of a certificate of conditional exemption issued in terms of this paragraph has completed one full credit of instructional offerings, the Committee of Principals shall issue a certificate of complete exemption to him or her, dated from the first day in January of the year in which the first degree credit was obtained.

Period of validity of certificates of conditional exemption

32. (1) A certificate of conditional exemption issued in terms of paragraphs 24, 25, 26 and 27 shall be deemed to have lapsed, but may be renewed each year on application if the holder of the certificate does not satisfy the outstanding requirement.
- (2) A certificate of conditional exemption issued in terms of paragraphs 28, 29 and 30 shall be deemed to have lapsed if the holder thereof does not satisfy the outstanding requirement for exemption within a period equal to the minimum prescribed full-time duration for the relevant bachelor's degree plus two additional years calculated from 1 January of the year in which the holder registers for a bachelor's degree at a university.

- (3) A certificate of conditional exemption issued in terms of paragraph 31 shall be deemed to have lapsed if the holder thereof does not satisfy the outstanding requirements within a period of three years calculated from 1 January of the year in which the holder provisionally registers for a bachelor's degree at the relevant university.
- (4) A person whose certificate of conditional exemption has lapsed, may again apply for a certificate in terms of the relevant provisions of paragraphs 24 to 38.

Completion of outstanding requirements for matriculation endorsement *or* certificate of conditional exemption at a supplementary examination

33. (1) A candidate who is entered for the main examination sitting and who, for medical or other good reason acceptable to the examining authority concerned, does not satisfy the requirements for endorsement, may satisfy any outstanding requirement or requirements at the associated supplementary examination sitting.
- (2) (a) A full-time candidate who at the main examination sitting or a part-time candidate who at two examination sittings combined -
- (i) sat the examination in at least six subjects; and
 - (ii) passed in at least five subjects; and
 - (iii) obtained the minimum aggregate prescribed by paragraph 6; and
 - (iv) passed in at least two subjects on the Higher Grade;
- may satisfy any outstanding requirement or requirements at the associated supplementary or any subsequent examination sitting; and
- (b) A candidate who sat the examination in five subjects and in addition passed in a Second Language on the Standard Grade at 40 per cent or better, shall be deemed to have sat in six recognised subjects for the purposes of this subparagraph.
- (3) No other candidate may satisfy outstanding requirements for endorsement at the associated supplementary examination sitting.

Completion of outstanding requirements to candidates who sat their examinations in a previous dispensation

34. (1) A candidate who, in terms of the requirements and conditions applicable before the introduction of the provisions of the differentiated education system, and of the regulations applicable at that stage, qualified to satisfy the outstanding requirements for a matriculation exemption certificate at a subsequent examination or examinations without having to repeat the full examination, shall be allowed to satisfy the outstanding requirements in terms of the provisions of paragraph 6(4) of the regulations of the Matriculation Board as published in Government Notice No. R323 of 18 February 1983; or
- (2) a candidate who, in terms of the requirements and conditions applicable before the abolition of the M Level examinations and who qualified to satisfy outstanding requirements for a certificate of complete exemption, shall be allowed to satisfy the

outstanding requirements in terms of the provisions of paragraphs 14 and 26 of the regulations as published in Government Notice 1586 of 28 November 1997.

Certificate of conditional exemption issued in terms of the provisions of paragraphs 24 to 27

35. (1) The holder of a certificate of conditional exemption issued in terms of paragraphs 24, 25, 26 and 27 who, during the period prescribed by paragraph 32, satisfied the conditions mentioned on the certificate and obtains at a South African university a credit for a bachelor's degree with a minimum prescribed full-time duration of three years, for which a matriculation endorsement or a certificate of exemption is a prerequisite, shall be deemed to be a student who is in possession of a certificate of complete exemption as from the commencement of such period and the Committee of Principals shall issue a certificate, dated accordingly, to him or her.
- (2) If the holder of a certificate of conditional exemption satisfied the conditions mentioned on the certificate during the period prescribed by paragraph 32(1) and 32(4) but obtained no credit for a bachelor's degree at a South African university during such period, the Committee of Principals shall issue a certificate of complete exemption to him dated from the first day of the month following the date on which he or she obtained a pass in the outstanding subject.
- (3) (a) If the holder of a certificate of conditional exemption does not satisfy the conditions mentioned on the certificate during the period prescribed by paragraph 32(1), the certificate shall be deemed to have lapsed; and
- (b) A person referred to in subparagraph (a) may again apply in terms of paragraph 32(4) for the renewal of his or her certificate of conditional exemption, and if such certificate is thus renewed, he or she shall be allowed to register for further instructional offerings at a South African university.

Certificate of conditional exemption issued in terms of paragraph 28

36. If a person to whom a certificate of conditional exemption has been issued in terms of paragraph 28 satisfied all the requirements of a South African university for a bachelor's degree with a minimum prescribed full-time duration of three years and for which a matriculation endorsement or a certificate of complete exemption is a prerequisite, the certificate of complete exemption shall be dated on the first day of the month following the month in which the applicant qualified for the school certificate in terms of which he was admitted as a candidate for a bachelor's degree or an equivalent qualification at a university or other institution approved by the Committee of Principals, in the country where the qualification was obtained.

Certificate of conditional exemption issued in terms of paragraph 29

37. If the holder of a certificate of conditional exemption issued in terms of paragraph 29(1) satisfied, at a South African university, during the period of validity of the certificate, the requirements for a bachelor's degree with a minimum prescribed full-time duration of three years, for which a matriculation endorsement or a certificate of exemption is a prerequisite, a certificate of complete exemption, dated with effect from 1 January of the year in which such candidate obtained the conditional credit for the bachelor's degree in terms of this paragraph, shall be issued to him or her.

Certificate of conditional exemption issued in terms of paragraph 30

38. (1) If the holder of a certificate of conditional exemption issued in terms of paragraph 30 satisfied, at a South African university, during the period of validity of the certificate, the requirements for a bachelor's degree with a minimum prescribed full-time duration of three years, for which a matriculation endorsement or a certificate of exemption is a prerequisite, a certificate of complete exemption shall be issued to him or her with effect from 1 January of the year in which such person obtained the conditional credit for a bachelor's degree in terms of this paragraph.
- (2) As soon as the holder of a certificate of conditional exemption issued in terms of paragraph 30 satisfied all the requirements for a bachelor's degree with a minimum prescribed full-time duration of three years, for which a matriculation endorsement or a certificate of exemption is a prerequisite, an antedated certificate of complete exemption shall be issued to him with effect from 1 January of the year in which such person obtained the conditional credit for the bachelor's degree in terms of this paragraph.

ISSUING OF CERTIFICATE OF COMPLETE OR CONDITIONAL EXEMPTION BY VIRTUE OF EXCEPTIONAL CONDITIONS**Issuing of certificate of complete or conditional exemption by virtue of medical or physical disability**

39. The Committee of Principals may issue a certificate of complete exemption or a certificate of conditional exemption to any person who, owing to medical or physical disability, is in the Committee's opinion unable to satisfy the endorsement requirements of paragraph 3.

Issuing of certificate of complete or conditional exemption by virtue of condonation authority

40. The Committee of Principals may issue a certificate of complete exemption, or a certificate of conditional exemption, in any of the categories provided for in these regulations, where a candidate:
- (a) has met all but one of the requirements prescribed in these regulations for the certificate; and
 - (b) is acceptable by a university as a candidate for degree study; or
 - (c) did not meet one or more of the requirements prescribed for the certificate and shows to the satisfaction of the Committee of Principals that he or she has not met this or these requirements because of a bona fide error on the part of the Matriculation Board, a university, an examining authority, or a school; and
 - (d) is acceptable by a university as a candidate for degree study.

RECOGNITION OF BACHELOR'S DEGREE INSTRUCTIONAL OFFERINGS FOR EXEMPTION PURPOSES**Recognition of bachelor's degree instructional offerings in the place of corresponding senior certificate subjects for the issuing of a certificate of complete exemption**

41. (1) A pass in a first year bachelor's degree instructional offering or offerings approved by the Committee of Principals leading unconditionally to a second-year level instructional offering in that field of study may be recognised by the Committee of Principals for the purpose of exemption from a corresponding senior certificate subject on the Higher Grade or Standard Grade.
- (2) A pass in a first year bachelor's degree instructional offering or offerings approved by the Committee of Principals, leading unconditionally to a **second-year level instructional** offering or offerings in a related field of study, may be recognised by the Committee of Principals for the purpose of exemption from a corresponding senior certificate subject on the Higher Grade or the Standard Grade.
- (3) A pass in a special, beginner's or practical bachelor's degree instructional offering or offerings recognised as a qualifying instructional offering or offerings, which lead to a second-year level instructional offering or offerings in that field of study or a related field of study and which is certified as such by the South African university concerned, may be recognised by the Committee of Principals for the purpose of exemption from a corresponding senior certificate subject on the Higher Grade or Standard Grade: Provided that if such instructional offering does, or offerings do not lead to a second-year level instructional offering or offerings in that field of study or a related field of study, the Committee of Principals may recognise such instructional offering or offerings for the purpose of exemption from a corresponding senior certificate subject on the Standard Grade and, in the case of an official language, for exemption from the relevant Second Language Higher Grade.
