**MINISTRY OF EDUCATION
MINISTERIE VAN ONDERWYS****No. 1195****23 November 2001****APPOINTMENT OF MEMBERS TO SERVE AS MEMBERS ON THE MINISTERIAL PROJECT COMMITTEE OF THE
"MASIFUNDE SONKE" PROJECT**

The Minister of Education, Professor Kader Asmal, MP, early called for 2001 to be a focus year on reading. The "Masifunde Sonke" campaign is a key stand in Governments' national literacy in its mission to promote lifelong learning, "Masifunde Sonke" will continue for the next three years.

The campaign is for everyone—children and their parents, teenagers and adults, avid readers, and for those who limited literacy skills is a barrier to reading enjoyment.

To accomplish the above a ministerial project Committee has to be established.

The members of the Ministerial Committee have been appointed by the Minister of Education and it is foreseen that the Committee will function until May 2002.
