NOTICE 727 OF 2003 DEPARTMENT OF PUBLIC WORKS AGRÉMENT SOUTH AFRICA

(Approval of new building products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 27 November 2002, issued an Agrément certificate, details of which appear in the Schedule hereto.

SCHEDULE

AGRÉMENT SOUTH AFRICA AGRÉMENT CERTIFICATE No 89/194

Name of product: Space Frame 2000 Building System
Certificate holder: Space Frame Manufacturing (Pty) Ltd
Description: Space Frame Building System walls are constructed using lightweight, three-dimensional welded wire frames, with or without a central core of polyurethane foam insulation. The frames are erected and plastered to form continuous wall surfaces.

Foundations consist of:

- Concrete floor slabs or surface beds with thickened edge beams supporting external walls and the floor slab thickened under structural internal walls
- Conventional concrete strip foundations with masonry foundation walls and conventional surface beds, are use.

Ceilings and services are conventional. Roofs are conventional.

This Agrément certificate contains detailed specifications can be accessed at
