DEPARTMENT OF EDUCATION

No. 285

3 March 2004

**NATIONAL EDUCATION POLICY ACT, 1996 (ACT NO. 27 OF 1996) AND
THE SOUTH AFRICAN SCHOOLS ACT, 1996 (ACT NO. 84 OF 1996) AS
AMENDED**

**APPOINTMENT OF MEMBERS TO SERVE ON THE PROPOSED
MANAGEMENT STRUCTURES WITH THE AIM OF DEVELOPING
ADDITIONAL SUBJECTS TO BE INCLUDED IN THE NATIONAL
CURRICULUM STATEMENT GRADES 10-12 (GENERAL)**

1. The Minister of Education, hereby, in terms of *Section 3(4)(l) of the National Education Policy Act, 1996 (Act No. 27 of 1996)* and *Section 61 of the South African Schools Act, 1996 (Act. No. 84 of 1996)* as amended, approved the establishment of a Ministerial Project Committee and associated curriculum development structures with the aim of developing additional subjects to be included in the National Curriculum Statement Grades 10-12 (General) hereafter referred to as the "NCS".
2. On 16 September 2003 he has declared the *NCS Grades 10-12 (General)* as national education policy. In view of the requests received from stakeholder bodies and members of the public to develop additional subjects to be included in the NCS, he has decided to approve a second curriculum development phase with the aim of developing two additional subjects, namely Religion Studies and Civil Technology.
3. To guarantee mobility and articulation between the vocational and the trade occupational professional pathways, it is deemed necessary that the newly developed technical subjects statements for Engineering Graphics and Design, Electrical Technology and Mechanical Technology, to be offered in the vocational pathway, be reviewed with the aim of ensuring that they are aligned

with the already developed unit standards that will be offered in the trade occupational professional pathway.

4. In response to his call in the *Government Gazette*, Vol. 460, No. 25636 of 28 October 2003 for nominations for people to serve on the various curriculum development structures of the second phase of the NCS, the Minister of Education has appointed the following persons to serve on the already approved curriculum development structures:
