

NOTICE 755 OF 2004
DEPARTMENT OF PUBLIC WORKS
AGRÉMENT SOUTH AFRICA

(Approval of new building products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 26 November 2003, issued an Agrément certificate, details of which appear in the Schedule hereto.

SCHEDULE

AGRÉMENT SOUTH AFRICA
AGRÉMENT CERTIFICATE No 2003/301

Name of product: Vesta ABS Co-extruded Baths
Certificate holder: Ampaglas S.A. (Pty) Ltd
Description: This certificate covers three Vesta ABS Co-extruded Baths, viz: Princes (5 mm wall thickness), Cathy (4 mm wall thickness) and Tanya (3 mm wall thickness).

The baths are vacuum-formed from multi-layered extruded acrylic butadiene styrene sheeting incorporating an acrylic cap layer to the exposed surfaces, that improves the durability and UV resistance. The sheets are cut to size, heated and the baths are vacuum-formed. After moulding, the baths are reinforced with polyester resin and glass fibres on the outside face. Waste and tap[holes etc (if required) are drilled after the vacuum process has been completed.

The certificate covers the use of Vesta ABS Co-extruded Baths in all areas of South Africa in all buildings where occupants are ambulant.

This Agrément certificate contains detailed specifications and can be accessed at <http://www.agrement.co.za>. Copies are obtainable from The Manager, Agrément South Africa, P O Box 395, Pretoria, 0001
