1. In this Schedule, "the Act" means the Financial Advisory and Intermediary Services Act, 2002 (Act No. 37 of 2002), any word or expression to which a meaning has been assigned in the Act, read with the definition of "this Act" in section 1(1) of the Act, has that meaning and, unless the context otherwise indicates-

Objectives of exemption

2. The Exemption in respect of certain Applicants for Authorisation, 2004, published by Board Notice 94 of 2004 in *Gazette* No. 26820 of 23 September 2004 applies to a provider referred to in subparagraph (i) of the definition of “provider”. The need has been identified to extend that Exemption to a provider so defined who has submitted an application for authorisation after 29 September 2004, but prior to 31 December 2004.

Section 8(1) of the Act provides that the registrar must be satisfied that a financial services provider is competent to act with reference to requirements contained in the Fit and Proper Determination, which include certain required minimum qualifications.

The registrar has determined from information obtained and exemption applications submitted that there would be many providers, as referred herein, who will not comply with the required minimum qualifications.

The objective of this Exemption is to relieve such provider from the obligation under section 8(1) to comply with the required minimum qualifications, subject to certain conditions.

The registrar is satisfied that the requirements of subsection (4), read with subsections (1), (2) and (3), of section 44 of the Act are met for a temporary relaxation of the required minimum qualifications for providers.

Extent of exemptions and conditions

3. (1) (a) A provider referred to in subparagraph (ii) of the definition of "provider" is hereby exempted from section 7(1) of the Act, subject to the condition that the provider must during the duration of the exemption inform all clients of their rights to submit complaints (if any) against the applicant to the Ombud for Financial Services Providers by virtue of section 26(1)(a)(iii) of the Act, read with the applicable provisions of the Rules on Proceedings of the Office of the Ombud for Financial Services Providers as published in the *Gazette*, pending finalisation of the provider's application by the registrar.
- (b) The exemption referred to in paragraph (a) continues until the date on which the application of the provider is finally granted or the date on which the application is finally refused by the registrar.
- (2) A provider is hereby exempted under section 44(4) of the Act until 30 September 2007 from the obligation under section 8(1) of the Act to comply with the required minimum qualifications, subject to the condition that the provider who has on a date six months prior to 30 September 2007 not yet complied fully with the required minimum qualifications, as may then be applicable, must inform the registrar in writing (including any electronic communication) of the steps taken to ensure full compliance by the expiry date.
- (3) (a) A provider is hereby exempted under section 44(4) of the Act from the provisions relating to further conditions/restrictions operating from "date of licensing" appearing in the relevant Column Four requirement, subject to the condition that the reference to "date of licensing" is read as a reference to "the date of full compliance with the 'required minimum qualifications' as defined in paragraph 1 of the Exemption regarding Certain Minimum Qualifications, 2004".
- (b) A key individual of a provider is hereby exempted under section 44(4) of the Act from the provisions relating to further conditions/restrictions operating from the "date of appointment" of the key individual in the relevant Column Four requirement, subject to the condition that the reference to "date of appointment" is read as a reference to "the date of full compliance with the 'required minimum qualifications' as defined in paragraph 1 of the Exemption regarding Certain Minimum Qualifications, 2004".

Amendment and withdrawal of exemptions and conditions

4. The exemptions and conditions set out in paragraphs 3 may at any time during the currency of the exemptions-
- (a) be amended by the registrar by notice in the *Gazette*;
 - (b) be withdrawn by the registrar in like manner.
