The Authority published a Discussion Paper ("the Discussion Paper") on the Inquiry into Subscription Broadcasting on 23 April 2004. The purpose of the Discussion Paper was to generate comment from all stakeholders on the introduction of a regulatory framework for subscription broadcasting in South Africa. - generate discussion on the appropriate policy and licensing framework for existing subscription broadcasting services and the introduction of new entrants to subscription broadcasting markets.

The Authority invited interested parties, stakeholders, and the public to respond to the issues and questions raised in the Discussion Paper. The dosing date for

the receipt of representations was 14 June 2004. The Authority received seventeen submissions. Oral hearings were held at the Authority's offices on 16, 17, 25 and 26 August 2004.

The Authority hereby publishes its Position Paper on Subscription Broadcasting Services. The Position Paper is divided into three parts, namely Introduction, Submissions, and Findings.
