### SGB INFORMATION

**As a** necessary step in the development and implementation of the National Qualifications Framework, The Organising Field are briefed [regulation **19(1)(c)** of **28 March 1998**] to recognise or establish Standards Generating Bodies (**SGBs**).

SGBs shall:

- a. generate standards and qualifications in accordance with the Authority requirements in identified sub-fields and levels;
- b. update and review standards;
- c. recommend standards and qualifications to Organising Field;
- d. recommend criteria for the registration of assessors and moderators or moderating bodies; and

- e. perform such other functions as may from time-to-time be delegated by their Organising Field.

Any bodies wishing to nominate representatives, make application to serve on, or make any other submission with regard to the above SGB should note the following information:

SGBs should be composed of organisations, which shall be key education and training stakeholder interest groups and experts in the sub-field. The Organising Field, when making its final decisions will have due regard for, among other things, *“the need for representativeness and equity, redress and relevant expertise in terms of the work of the SGBs”*.

Organisations proposing to nominate persons to SGBs should be sensitive to the need for *equity* and *redress*, and shall nominate persons who-

- (a) will be able to consider issues of productivity, fairness, public interest and international comparability as related to education and training in the sub-field;
- (b) enjoy credibility in the sub-field in question, who enjoy respect; have the necessary expertise and experience in the sub-field and have the support or backing of the nominating body;
- (c) are able to advocate and mediate the needs and interests of all levels within the sub-field covered by the Standards Generating Body;
- (d) are able to exercise critical judgement at a high level; and
- (e) are committed to a communication process between the Standards Generating Body, the Organising Field and the Constituency.

**PUBLIC NOTICE BY THE DIRECTORATE FOR STANDARDS SETTING AND DEVELOPMENT OF ITS INTENTION TO REREGISTER A STANDARDS GENERATING BODY (SGB) FOR CHEMICAL INDUSTRIES (CISGB) IN ORGANISING FIELD 06, MANUFACTURING, ENGINEERING AND TECHNOLOGY**

The Directorate for Standards Setting and Development, in terms of NSB *Regulation 24 (1) (e)*, intends to extend the brief and membership of the Standards Generation Body (SGB) for Chemical Industries (CISGB) In Organising Field 06, Manufacturing, Engineering and Technology, in order to generate and review qualifications and standards from NQF Levels 1 to 4 from 10<sup>th</sup> November 2004 until 09 November 2007.

**PROPOSED BRIEF OF THE SGB**

1. Develop learning pathways for potential qualifications and unit standards in the sub-field of Manufacturing and Assembly for the Chemical Industry.
