# CHAPTER 1 SITE LICENCES

#### Lodging of site licence application

- 3 Any person who has to apply for a site licence, must -
  - (1) complete the application form contained in Annexure A; and
  - (2) lodge the application with the Controller together with the documents specified-
    - (a) in the case of an applicant that does not qualify in terms of Section 2D of the Act, in regulation 29; or
    - (b) in the case of an applicant that qualifies in terms of Section 2D of the Act, regulation 30.
- 4 The application contemplated in regulation 3 must be lodged together with an application for a corresponding retail licence.
- 5 A person contemplated in regulation 3 that does not qualify in terms of Section 2D of the Act must not commence with construction on a site until the Controller has issued a site licence.
- When an application for a licence as contemplated in regulation 3 is lodged, an applicant that does not qualify in terms of Section 2D of the Act, must have published a notice of the application, in a prominent manner, in at least two of the most popular newspapers circulating in the area of the proposed activity in two official languages, one of which must be English.
- 7 The notice must state-
  - (1) the name of the applicant;
  - (2) the purpose of the application;
  - (3) the place where the application will be available for inspection by any member of the public;
  - (4) the period within which any objections to the issuing of the licence may be lodged with the Controller; and
  - (5) the address of the Controller where any objections may be lodged.

8 The period contemplated in subregulation 7(4) must be 14 days from the date of publication of the notice.

#### Acceptance of site licence application

- 9 Before accepting a site licence application, the Controller must be satisfied that-
  - (1) a corresponding valid retail licence application has been lodged for that site;
  - (2) the applicant-
    - (a) is the owner of the site;
    - (b) in the case of publicly owned land, has written permission of the owner; or

  - (3) the application form has been completed in full;
  - (4) the notice contemplated in regulation 6 was published; and
  - (5) all the documents specified in subregulation 3(2) have been submitted with the application form.

# Evaluation of a site licence application

- 10 In evaluating an application for any site licence, the Controller must verify that the information and the documents submitted with the application form are true and correct.
- 11 In evaluating an application for a site licence made by any person who does not qualify in terms of Section 2D of the Act, the Controller must be satisfied that
  - there is a proven need for a site;
  - (2) the location of the site promotes growth and developmental objectives; and
  - (3) the site will-
    - (a) contribute to security of supply of petroleum products;
    - (b) promote competition;
    - (c) promote efficient use or development of logistical infrastructure;
    - (d) promote transformation in the liquid fuels industry; and

(e) increase the participation of HDSA in the liquid fuels industry.

#### Procedure for issuing a site licence

- 12 The Controller must, if satisfied that an application for a site licence meets the requirements of the Act and this Regulation—
  - (1) inform the applicant that the application is successful;
  - (2) require the applicant to, within the period stipulated by the Controller -
    - (a) pay the application fee into a Bank account as stipulated in Annexure B; and
    - (b) submit documents specified in regulation 31; and
  - (3) then issue the site licence upon receipt of the documentation contemplated in subregulation (2)(b).
- 13 A site licence must include-
  - (1) the name of the licensee;
  - (2) the licence number;
  - (3) the identity number or company registration number of the licensee;
  - (4) the location of the site as represented by the Erf, stand or Lot number;

- (6) closure and environmental objectives;
- (7) a record of public participation undertaken and the results thereof; and
- (8) an undertaking by the applicant regarding the execution of the environmental management plan.
- 15 Financial provision required in terms of subregulation 31(2)(b) to achieve the total quantum for the rehabilitation, management and remediation of negative environmental impacts must be provided for by one or more of the following methods-
  - (1) an approved contribution to a trust fund as required in terms of section 10(1)(cH) of the Income Tax Act, 1962 (Act No. 58 of 1962) and must be in the format as approved by the Controller from time to time;
  - (2) a financial guarantee from a South African registered bank or any other or financial institution approved by the Controller guaranteeing the financial provision relating to the environmental management plan in the format as approved by the Controller from time to time;
  - (3) a deposit into the account specified by the Controller in the format as approved by the Controller from time to time; or
  - (4) any other method as the Controller may determine.
- 16 In the case of subregulation (3), proof of payment must be submitted to the Controller as contemplated in subregulation 31(2)(b) prior to the acceptance of the environmental management plan.
- 17 The quantum of the financial provision must be determined in consultation with a competent person and must include a detailed provision for costs that could be incurred in the event of-
  - (1) premature closure regarding-
    - (a) the rehabilitation of the land;
    - (b) the prevention and management of pollution of the atmosphere;
    - (c) the prevention and management of pollution of water and the soil; and
    - (d) the prevention of spillage and leakage into the ground of chemical substances introduced onto the site;

- (2) decommissioning and final closure of the operation; and
- (3) post closure management of residual and latent environmental impacts.
- 18 The holder of a site licence must annually update and review the quantum of the financial provision-
  - (1) in consultation with a competent person;
  - (2) as required in terms of the approved environmental management plan; or
  - (3) as requested by the Controller.
- 19 Any inadequacies with regard to the financial provision must be rectified by the licencee-
  - (1) in an amendment of the environmental management plan, as the case may be; or
  - (2) as determined by the Controller.

#### Conditions of a site licence

- 20 A site licence, or a certified copy thereof, must be prominently displayed at the place of business, where any person entering the site may read it.
- 21 A licensee must inform the Controller, in writing, of any change of address or telephone number within 30 days of the relevant change taking effect.
- 22 A corresponding retail licence, or a certified copy thereof, must be prominently displayed at the place of business, where any person entering the site may read it.

    - (b) calling upon the licensee to make such representations to the Controller that may be necessary, within 30 days after the date of that notice;
  - (2) the Controller has considered-
    - (a) any steps taken by the licensee to remedy the failure or contravention concerned or to prevent any such failure or contravention from being repeated; and
    - (b) any other relevant matters submitted by way of representations contemplated in subregulation (1)(b).
- 67 A licence ceases to be valid if-
  - (1) the licence is surrendered to the Controller;

- (2) the licence is cancelled by the Controller;
- (3) the licensee fails to comply with the Act or this Regulation and does not remedy the failure within the time period specified by the Controller; or
- (4) The licensed activity is no longer a going concern.
- 68 If a licence has ceased to be valid, the licencee must surrender the licence to the Controller within a period of 14 days, from the date of receipt of the notification on which it ceased to have effect.

#### Time period for decision making

69 The Controller must make a decision, as required by this Regulation, within a period of 90 days provided that in the first 12 months of operation of this Regulation, the period must be 300 days.

#### **Appeals**

70 The period contemplated in section 12A(3) of the Act shall be 90 days.

#### **False Declarations**

71 The Controller may revoke or amend any decision or the award of any licence that was influenced by a false declaration, including any material non-disclosure.

#### Additional Information

- 72 The Controller may request additional information from an applicant that may be necessary to enable the Controller to make a decision regarding the granting of a licence.
- 73 The Controller may request additional information from a licensee that may be necessary for regulatory purposes.

#### Amendment of licence

- 74 A licensee may apply, in writing, to the Controller for a licence to be amended by-
  - (1) specifying the amendment sought; and
  - (2) setting out the reasons for the amendment sought.

- 75 The Controller must consider the request and may issue an amended licence provided that-
  - (1) the change will not affect any rights, debts, liabilities or obligations of the licensee, nor render defective any legal proceedings by or against the licensee, and any legal proceedings that could have been continued or commenced by or against it prior to such change; and
  - (2) the applicant has paid the amendment fee stipulated in Annexure B.

### Publication of data by the Controller

- 76 The Controller will, after 12 months of the commencement of Amendment Act, as at the end of June and December each year, and within 30 days of the end of these months, publish data on-
  - (1) valid retail licences;
  - (2) the number of valid retail licences held by historically disadvantaged South Africans;
  - (3) the number of retail licences issued in the calendar year concerned;
  - (4) the number of lapsed retail licences in the calendar year concerned;
  - (5) the number of valid site licences.
  - (6) the number of valid site licences held by historically disadvantaged South Africans;
  - (7) the number of site licences issued in the calendar year concerned;
  - (8) the number of lapsed site licences in the calendar year concerned;
  - (9) the licence numbers of all valid licences;
