**SCHEDULE
Agrément Certificate No 2006/322**

Name of product: Khusela Emanzini Coating System

Certificate holder: Duraline (Pty) Ltd

Description: The Khusela Emanzini Coating System is a two coat application for use in all areas of South Africa on sound, suitably prepared external and internal wall surfaces as follows:

- sand-cement plaster
- sand-cement bagged finishes
- the above surfaces previously painted with PVA paint

The Khusela Emanzini Coating System is a ready-to-use acrylic based and fibre-reinforced wall coating. It is available in ten different colours. It is packaged in 5 and 20 litre containers. It is thoroughly stirred on site before application and at regular intervals to prevent settlement. It is applied using a 20 cm block brush or a sheep skin roller.

The Agrément certificate contains detailed information on the product and can be accessed at <http://www.agrement.co.za>
