

NOTICE 992 OF 2006**DEPARTMENT OF PUBLIC WORKS
AGREEMENT SOUTH AFRICA**

(Approval of innovative construction products and systems)

Notice is hereby given that Agreement South Africa has, with effect from 15 March 2006, issued an Agreement certificate, details of which appear in the schedule hereto.

SCHEDULE

Agrément Certificate No 2006/321

Name of product: Arma Tile Roofing System
Certificate holder: Brownbuilt Metal Sections

Description: The Arma Tile Roofing System comprises lightweight pressed metal tiles which meet requirements of **SANS 1022** and accessories such as:

- ridge caps (angle ridge and round ridge),
- hip caps (angle hip cap and round hip cap),
- barge board covers,
- headwall flashing,
- side wall flashing, and
- valley gutters

The tiles and accessories are pressed from 2275 galvanized **mild** steel sheet 0, 45 mm thick and are factory coated, after pressing, with acrylic paint and silica grit or natural stone grit. Arma Tiles are manufactured in 1 720 mm lengths and 364 mm widths.

The Arma Tile roofing system can be used in new roofing or re-roofing applications in areas of South Africa not subject to aggressive environments and where roof pitches exceed 12°

The Agreement certificate contains detailed information on the product and can be accessed at <http://www.agreement.co.za>
