(Approval of innovative construction products and systems)

Notice is hereby given that Agrbment South Africa has, with effect from 31 August 2005 , issued an Agrbment certificate, details of which appear in the schedule hereto.

**SCHEDULE**

Agreement Certificate 2002/290 (amended July 2005)

**Name of product:** Salutron Pan Gully Combination Trap  
**Certificate holder:** Salutron (Pty) Ltd  
**Description:** The Salutron Pan Gully Combination Trap is a closed bowl gully manufactured **from** polypropylene. Waste water is discharged into the bowl either from the top or, ideally, from the sides. With the locking cap in place over the gully outlet, the entry of foreign objects is restricted. With the cap removed, the sewer can be rodded.
