

NOTICE 998 OF 2006**DEPARTMENT OF PUBLIC WORKS
AGREMENT SOUTH AFRICA**

(Approval of innovative construction products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 23 November 2005, issued an Agreement certificate, details of which appear in the schedule hereto.

SCHEDULE

Agreement Certificate No 2005/319

Name of product: Affordable Comfort Homes
Certificate holder: Thyssenkrupp Hoesch Bausysteme GmbH
Represented by:
Thyssenkrupp Engineering (Pty) Ltd

Description: The Affordable Comfort **Home** is a building system comprising:

- 2400 mm x 1000 mm x 60 mm superstructure wall panels fabricated from **two** sheets of pre-coated galvanised sheet steel encapsulating an expanded polyurethane core
- cast in-situ concrete slab-on-the-ground and stiffened **raft** foundations which in all cases are designed by a professional engineer.
- galvanised steel ridge beam spans between and is anchored to external eaves walls
- external walls have an oven-baked polyester coating to both sides and internally are clad with x-rated gypsum plasterboard 15 mm thick
- vertical joints are **tongued-and-groove** and wall panels are anchored to a galvanised sheet steel angle which in turn is secured to the foundation slab with expansion bolts
- internal wall panels are the same as external wall panels, clad both sides with gypsum plasterboard (the same as external wall panels)
- ceiling panels are the same as wall panels (without gypsum plasterboard cladding)
- window and door frames are manufactured from polyvinyl chloride-unplasticised (PVC-u)
- conventional services

The Agrément certificate contains detailed information on the product and can be accessed at <http://www.gremenf.co.za>
