### NOTICE 1683 OF 2006

#### DEPARTMENT OF PUBLIC WORKS AGREMENT SOUTH AFRICA (Approval of innovative construction products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 31 May 2006, issued an Agrément certificate, details of which appear in the schedule hereto.

#### SCHEDULE

Agrément Certificate No 2006/323

**Name of product:** IsoBoard® Nail Up Insulated Ceilings  
**Certificate holder:** Isofoam (South Africa) (Pty) Ltd

**Description:** IsoBoard® Nail Up Insulated Ceilings are extruded polystyrene rigid foam boards which are fixed to the underside of timber ceiling bracing or cold formed galvanized steel sections or roof rafters by means of concealed fixing clips, screws and adhesives. IsoBoard® Nail Up Insulated Ceiling boards are:

- white in colour
- 600 mm wide with the longitudinal edges of the boards tongued-and-grooved to facilitate interlocking once installed. The exposed longitudinal edges of boards are also bevelled. Boards may also be supplied with longitudinal grooves cut in their surface at 100 mm centres (IsoPine)
- manufactured in standard thicknesses of 25, 30 and **40** mm
- supplied in standard lengths of up to 8 m.

Ceiling boards are supplied in packs wrapped in white coloured, translucent plastic sheets.

The Agrément certificate contains detailed information on the product and can be accessed at <http://Mww.agrement.co.za>
