BOARD NOTICE 127 OF 2006

The South African Council for the Project and Construction Management Professions

Rules relating to the payment of annual fees.

In terms section 12 (I) of the PCMP Act, 48 of 2000, the Council is empowered to determine fees and charges which are payable to the Council.

The South African Council for the Project and Construction Management Professions has since its inception in 2002 managed to keep the renewal fees at R750 Vat exclusive. The current state of affairs is of a nature that Council is left with no option but to increase the annual fees significantly to continue to provide an improved service. The percentage increase of this nature is not anticipated for the future as the increase in the number of registered persons will address the need.

1. This notice is effective from 01 January 2007
2. The fees prescribed herein include value added Tax (VAT)
3. The previous prescribed annual fees to the Council are hereby repealed with effect from 01 January 2007.
