

NOTICE 1812 OF 2007**NOMINATIONS OF BOARD MEMBERS
OF THE SOUTH AFRICAN NATIONAL
ACCREDITATION SYSTEM (SANAS)**

Nominations are invited from suitable qualified experienced people for appointment to the SANAS Board.

An Act of Parliament established SANAS as a statutory body. The Board manages the strategic affairs of SANAS, members of which are appointed by the Minister of Trade and Industry as stipulated in Section 8 of the Accreditation for Conformity Assessment, Calibration and Good Laboratory Practice Act, (Act 19 of 2006).

The mandate of the South African National Accreditation System is to carry out accreditation in respect of conformity assessment, which includes accreditation of calibration, testing and verification laboratories, certification bodies, inspection bodies, and rating agencies. SANAS also monitors compliance with principles of Good Laboratory Practice as adopted by the OECD.

Persons nominated must have appropriate qualifications and extensive knowledge and experience. Council members will be involved in extensive liaison with the SANAS Executive, staff members, Industry and Government Institutions.

Board members should have the following attributes:

- should have experience in corporate governance
- have leadership qualities
- should have knowledge of the broader South African Standards, Quality Assurance, Accreditation and Metrology infrastructure.

Remuneration for Board meetings are set at the level as prescribed by the Public Service. Please note that appointment is subject to verification of qualifications and security clearance.

Nominations, including comprehensive CVs must be submitted to the Director-General, department of Trade and Industry, Private Bag X84, Pretoria, 0001 and marked for the attention of Mr TJ Mbekeni – Directorate Technical Infrastructure. Further information can be obtained from Mr TJ Mbekeni Tel 012 394 1341 or from the CEO of the SANAS, Mr M Peet Tel 012 394 3892

Closing Date: 31 January 2008
