

NOTICE 441 OF 2009**DEPARTMENT OF PUBLIC WORKS
AGRÉMENT SOUTH AFRICA****(Approval of innovative construction products and systems)**

Notice is hereby given that Agrément South Africa has, with effect from 11 February 2009, issued a Mantag certificate, details of which appear in the schedule hereto.

SCHEDULE**Mantag Certificate No 2008/M56**

Name of product: Bright-Kid Container Conversion

Certificate holder: Breidert Education Development cc

Description: Second hand ISO mild steel shipping containers are sourced and refurbished and used as pre-school classrooms, detached housing and primary health care centres in all regions of South Africa.

Containers are 12,0m x 2,3m x 2,4m high with mild steel sections forming the frame, corrugated side wall panels and roof, cargo loading door and timber floor.

Appropriate sized sections of side panels are removed to accommodate windows and mild steel door. Corrosion is removed by brushing affected areas with a rotary wire brush, then coating the brushed areas with a zinc chromate primer and two coats enamel, the final coat being decorative.

Damaged sections of timber floor are replaced and 2mm vinyl floor covering secured with adhesive. A Kulite polystyrene ceiling is installed.

The Agrément certificate contains detailed information on the product and can be accessed at <http://www.agrement.co.za>
