APPLICATION FOR LICENCE AS A FINANCIAL SERVICES PROVIDER

Introduction

Any person rendering advice and/or intermediary services as defined in the Financial Advisory and Intermediary Services Act, 2002 (the Act), other than a representative, is required to be licensed as a Financial Services Provider (FSP) and must complete the attached application forms.

In this form any word or expression defined in the Act, including any measure referred to in the definitions of "the Act" in section 1(1) of the Act, has, unless the context otherwise indicates, the meaning as so defined.

Note that, if there is any discrepancy between this application form and the provisions of the Act, the provisions in the Act will be deemed to be correct.

Persons acting as representatives of FSP's are not required to complete the attached application form. In terms of section 13 of the Act, the FSP will be responsible for the actions of its representatives and must ensure that such representatives comply with the competency requirements (for the appropriate licence category) of the Determination of Fit and Proper Requirements for Financial Services Providers, 2008 (BN 106 of 2008). The FSP must submit the details of its representatives simultaneously with the completed application form.

Applications may be submitted directly to the Financial Services Board (FSB) or through an authorised recognised representative body. A list of authorised recognised representative bodies is available on the FSB's website (www.fsb.co.za). The instructions below must be followed when applying directly through the FSB. If you are applying via a recognised representative body, consult the recognised representative body regarding it's application process.

Instructions to be followed when submitting an application form directly to the Financial Services Board:

- a. You must obtain a FSP number from the FSB Contact Centre before submitting the application form (Toll free 0800 110 443). The number will be cancelled after two months of issuing should an application not be submitted. If the number has been cancelled the contact centre must be contacted to reactivate it.
- b. The FSP number must be indicated where required. Application forms without a FSP reference number will not be processed and will be returned to the applicant.
- c. If an application for the approval of a compliance officer (Form FSP 13) is not attached to your application, please ensure that your Compliance Officer is already approved as a Compliance Officer by the Financial Services Board before submitting your application.
- The required fee (available on the FSB's website) must accompany the application forms. The FSP number must be used as the reference number if you deposit the application fee directly into the Financial Services Board's bank account. The Bank account details are as follows: Standard Bank, Menlyn branch, Account number 012746363. Applications will only be processed after the total application fee has been received.
- e. Read the instructions on each form before completing the relevant forms and if required, make copies of the pages needed.

#### **KEY INDIVIDUALS / SOLE PROPRIETOR**

#### Instructions:

This form must be completed by an applicant that is a sole proprietor and any key individual of an applicant. A sole proprietor means a FSP that is a natural person.

The expression "key individual" is defined in section 1(1) of the Act as follows:

"Key individual", in relation to an authorised financial services provider, or a representative, carrying on business as –

- a) a corporate or unincorporated body, a trust or a partnership, means any natural person responsible for managing or overseeing, either alone or together with other so responsible persons, the activities of the body, trust or partnership relating to the rendering of any financial service; or
- a corporate body or trust consisting of <u>only one</u> natural person as a member, director, shareholder or trustee, means any such natural person;..."

If an applicant intends to render various financial services, the key individual (see also guidance note for further explanation) or individuals responsible for managing or overseeing the various financial services must be listed.

The key individual is responsible for managing or overseeing the activities of the FSP and such individual must comply with the requirements in the Determination of Fit and Proper Requirements for Financial Services Providers, 2008 (BN 106/2008).

#### **GUIDANCE NOTE:**

Sub-paragraph (b) of the definition requires little or no explanation, in that it deals with entities (persons), which are managed, owned or governed by one natural person only. In this scenario it is clear that this natural person is the key individual as defined.

Sub-paragraph (a) of the definition will be broken down into the two functions mentioned in this sub-paragraph, that is the function of managing and the function of overseeing.

Reference is made to the Concise Oxford Dictionary for definitions of the terminology. Managing is defined as "having executive control or authority (Managing Director.". Overseeing or oversee is defined as "officially supervise (workers, work, etc.)".

It is therefore clear from these definitions that a key individual mentioned in sub-paragraph (a) would include persons in executive control such as directors and other persons performing a managerial function over activities relating to the rendering of a financial service.

In a life insurance company, for example, key individuals may therefore include, directors, provincial managers, and depending on the structure of a particular entity, any other individual whom in the opinion of the controlling body is also engaged in overseeing the activities of a representative, in rendering a financial service regulated by the Act. However, it is not the intention to include every person in a supervisory capacity, or indeed, every director.

Explanatory notes: (The number next to the note refers to the relevant fields that must be completed.)
