

NOTICE 1278 OF 2009**INTERNATIONAL TRADE ADMINISTRATION COMMISSION OF SOUTH AFRICA****CORRECTION NOTICE OF INITIATION OF THE SUNSET REVIEW OF THE ANTI-DUMPING DUTIES ON CLEAR DRAWN AND FLOAT GLASS ORIGINATING IN OR IMPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA (PRC) AND INDIA**

This notice serves to correct Notice No. 1197 of 2009 published in Government Gazette No. 32536 on 4 September 2009 with respect to the allegation of the continuation or recurrence of dumping.

THE PRODUCT

The product allegedly being dumped is clear drawn and float glass of a thickness of 3 mm to 6mm, classifiable under tariff subheadings 7004.90 and 7005.29, originating in or imported from the PRC and India.

THE ALLEGATION OF THE CONTINUATION OR RECURRENCE OF DUMPING**PEOPLE'S REPUBLIC OF CHINA (PRC)**

The allegation of dumping is based on a comparison between the normal value in the PRC and the export price statistics obtained from the South African Revenue Service (SARS).

The normal values for the subject products were determined based on a quotation for 3 mm and 4 mm glass, obtained in the PRC. The average price per square meter was calculated and based thereon. The prices of 3, 4, 5 and 6 mm were calculated separately for comparison purposes. The export price was determined based on statistics obtained from the South African Revenue Services (SARS). On this basis, the Commission found that there was *prima facie* proof of dumping.

India

The allegation of dumping is based on a comparison between the normal value in India and the export price from India to Zimbabwe.

The normal values for the subject product were determined based on a quotation for 3 mm and 4mm glass obtained in the PRC. The average price per square meter was calculated and based thereon. The prices of 3, 4, 5 and 6mm were calculated separately for comparison purposes.

Since there were no exports to South Africa of the subject product originating in or imported from India, the export price was determined based on an export price from India to Zimbabwe. On this basis, the Commission found that there was *prima facie* proof of dumping.
