Strategic positioning of South African Agriculture  
in dynamic global markets

#### INVITATION TO REGISTER AS A DIRECTLY AFFECTED GROUP IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT

The National Agricultural Marketing Council (NAMC) is updating its "Register of Directly Affected Groups" for each commodity in the agricultural sector.

A directly affected group means any group of persons, which is party to the production, sale, purchase, processing or consumption of an agricultural product and includes labour employed in the production or processing of such a product.

The register is used to bring applications for statutory measures to the attention of directly affected groups and to invite such directly affected groups to lodge any objections or representations relating to a request for intervention in the agricultural sector within a specified time. The viewpoints of directly affected groups are incorporated in the NAMC's recommendations to the Minister of Agriculture.

If not yet registered, you are kindly invited to register  
as a directly affected group with the NAMC.

Registration is free of charge and registration forms could be requested from the offices of the NAMC. Alternatively, please fax or e-mail the following information to register with the NAMC:

- Name of the organisation/company/group
- Agricultural products the company would like to register for eg. maize, red meat, citrus etc.
- Group to be registered for eg. producer, trader, importer, etc
- Contact person
- Postal address, telephone and fax numbers
- E-mail address and website
