
NOTICE 797 OF 2010

Attention: Public Higher Education and Training (HET) Providers

The Services Seta invites Public HET Universities to apply to the Services Seta to be considered for inclusion into our "University of Work" Programme.

To be included we require:

1. An average total costing per year for undergraduate enrollment
2. An average total costing per year for postgraduate enrollment at a Management
3. Advancement and Post-Graduate Diploma level
4. An average total costing per year for a Research Masters enrollment
5. An average total costing per year for a Research Doctoral enrollment.
6. An overview of your institutional policy with examples of practice for each level (or where applicable) of allowing NQF graduates access and credit towards these qualifications.
7. An indication of your Institutions willingness and preparedness to develop and present customised electives to be incorporated into these qualifications.
8. Conditions for your application are for admission and credit acquisition purposes.

Date for deadline: 14 September 2010
