GENERAL NOTICE

NOTICE 459 OF 2011

MUNICIPAL DEMARCATION BOARD

NOTICE FOR GENERAL INFORMATION

In terms of the current constitutional and legal framework the next local government elections will be held in 2016, following the national and provincial elections which are due in 2014. All changes to municipal boundaries need to be finalised prior the national and provincial elections so that the national voters roll can be segmented according to confirmed and final municipal boundaries. All the changes to municipal boundaries must be completed at the beginning of 2013, where after the Municipal Demarcation Board ("the MDB") will delimit wards for the 2016 local elections.

The process and timeframes for the re-determination of municipal boundaries in terms of the Local Government: Municipal Demarcation Act, 1998 ("the Act") are detailed in Circular 1/2011. This circular has been sent to all stakeholders, and can be downloaded from the MDB website www.demarcation.org.za

Persons or institution wishing to make representations for the re-determination of municipal boundaries, are requested to consult the affected municipalities. The municipalities may then submit a request to the MDB in terms of Section 22 of the Act. The closing date for the submission of such requests to the MDB is 15 December 2011.

Schedule 1 contains the maps of the boundaries of all municipalities as on 18 May 2011.

For further information visit the MDB website www.demarcation.org.za or contact the MDB at info@demarcation.org.za or fax number: 012-3422480, or telephone number: 012-3422481.
