

NOTICE 699 OF 2012**CROSS-BORDER ROAD TRANSPORT AGENCY****Moratorium on Registration of New Associations - Mozambique**

That the Regulatory Committee ratified the following decision on the 31 May 2012

- A ban on the registration of new associations on the RSA/ Mozambique route effective immediately;
- Existing members and associations can continue to apply for permits;
- A process is executed to legitimate the operations of current affiliated members of existing associations that currently do not have permits. This process must be finalised by the end of July 2012;
- Exchange of data on joint venture agreements between two countries by the 31 May 2012 in order to verify associations , members affiliated to such associations and ranking facilities;
- The referral processes to be strictly adhered to in order to confirm availability of ranking facilities;
- The process to be monitored until the next meeting where the matter will be reviewed.
