DEPARTMENT OF AGRICULTURE, FORESTRY AND FISHERIES

PROCEDURES FOR THE APPLICATION, ADMINISTRATION AND ALLOCATION OF EXPORT PERMITS UNDER THE TRADE, DEVELOPMENT AND CO-OPERATION AGREEMENT BETWEEN THE EUROPEAN COMMUNITY AND THE REPUBLIC OF SOUTH AFRICA

A Trade, Development and Co-operation Agreement (TDCA) between the European Community (EC) and the Republic of South Africa has been established and came into force on 1 January 2000. This agreement provides for the establishment of a Bilateral Free Trade Area between the EC and South Africa in accordance with the World Trade Organization (WTO) rules and the strengthening of European development assistance to South Africa.

As part of the concessions provided for under the TDCA, the EC has agreed to grant tariff preferences on limited quantities of selected products in the form of tariff quotas. Export permits will be issued for the access quantities at reduced levels of duty under the conditions set out in the Schedule.

Sipho Ntombela

5. Conditions for the issuing of export permits

5.1 Permits for the products specified in the Table will be allocated on the basis of the following categories, unless specified differently in the Table:

- (a) 70% to historical exporters.
- (b) 10% to BEE exporters.
- (c) 20% to the SMME and new exporter's category.

Please note that 5% of the initial quota will be reserved to new entrants. The exception is the wine quota, where one million liters will be reserved.

5.2 The allocation of quotas for permits will be done as follows:

- (a) Exporters in the SMME and new exporter's category on an equal basis.
- (b) BEE exporters either on an equal basis or as a historical exporter whichever will enhance government policy for BEE development.
- (c) Historical exporters in proportion to the average quantity of the product concerned, exported by the applicant during the period stipulated for the product in column 4 of the Table.
- (d) Exporters in the new entrants category equal to the maximum average of the SMME and new exporters category or combined category for BEE's, SMME's and New. The allocation for new entrants will be made until 30 April 2013, after which the balance of the unused quota will be re-allocated proportionally to the historical; New and SMME and BEE categories. New entrants must submit proof of orders and ability to export the applied quota.

5.3 The quantity exported by a historical exporter will be calculated on the basis of the detailed list of bills of entry export (DA 550/32 or export certificates for new exporters) or exports captured on the Wine Online System for the product applied for, for the period concerned, submitted together with the application form.

5.4 (a) If the allocation for a particular category is not fully utilized, the balance may be re-allocated to the other categories.

- (b) In order to enhance government policy on BEE's, quotas for exporters in the SMME and new exporter's category, as well as the BEE category can be combined to ensure the most beneficial allocation.

5.5 The quotas allocated to exporters will be provisional quotas, and the rule of "use it or lose it" will be applied. Therefore, if quotas have not been utilized satisfactorily (export rate of 75% per month) by 30 April 2013 for and 31 July 2013, the Department has the prerogative to re-allocate the unused quotas after a process of consultation with the exporter has been followed.

5.6 Permits for the exportation of products under tariff headings 2008.40; 2008.50 and 2008.70 (canned fruit) will be allocated on receipt of a letter of intent from a local supplier indicating that the exporter can source the product for exportation to the EC with the exception of Black entrepreneurs who will qualify under of the BEE promotion initiative for Black exporters.

5.7 If the allocation for a particular product under tariff headings 2009.41– 2009.71 (pineapple and apple juice) is not fully utilized, the balance may be re-allocated to the other product concerned.

- 5.8 Despite any provisions in other laws, applicants registered as joint ventures, mergers, consortiums, holding companies or other similar business arrangements are not allowed to apply separately from their subsidiaries, minority shareholders or divisions for the same product, as this will establish an unfair advantage towards other applicants.
- 5.9 If the market share for a particular applicant exceeds the limit for dominant firms, contemplated in section 7(a)-(c) of the Competition Act, Act 89 of 1998 as amended, the Department can adjust the allocation formula to create fair competition within that industry sector.
- 5.10 A lost permit will only be replaced if an affidavit in this regard has been submitted and the Department is satisfied that the applicant acted in good faith and took the necessary steps to recover the original permit, as well as undertake to return the original permit if it is found. The pro forma of the affidavit is electronically available on the departmental website <http://www.daff.gov.za> or on request from TimothyM@daff.gov.za/ SisiC@daff.gov.za.
- 5.11 The applicant must provide in each permit application the number of new jobs it expects to create annually as a result of the rebate. Refer to item 10 of the application form attached as Annexure A.
- 5.12 The provisions of this section shall apply subject to the conditions specified in the Table.

7. Compliance to BEE criteria in terms of Agri-BEE Charter for Agriculture

- 7.1 Permits issued for products in terms of the Trade Development and Co-operation Agreement between the EC and the RSA are subject to the Agricultural Black Economic Empowerment (AgriBEE) Sector Charter (AgriBEE Charter) under section 12 of the Broad Based Black Empowerment Act, 2003 (Act No 53 of 2003). The AgriBEE Charter was published in Notice no. 314 of Government Gazette No. 30886 of 20 March 2008, and the AgriBEE Sector 9 Code was published on 26 March 2012. The AgriBEE Charter is also available on the departmental website <http://www.daff.gov.za>; Publications / Government Gazette / Notice no. 314.
- 7.2 In the initial phase of implementation of the AgriBEE criteria, until such time that the AgriBEE Sector Code under section 9 of BEE Charter is fully implemented, exporters in the agricultural sector must submit their BEE Status in line with the Generic Scorecard. Exporters will not be disqualified for quota allocation purposes but failure to do an evaluation after the initial phase of implementation will constitute automatic non-compliance.
- 7.3 According to the Generic Codes of Good Practice, enterprises with a moving average turnover of less than R5 million (Exempted Micro Enterprises or EME's) are deemed to be exempted. Sufficient evidence of qualification as an Exempted Micro-enterprise is an auditor's certificate or similar certificate issued by an accounting officer or verification agency, and must be submitted to the Department of Agriculture, Forestry and Fisheries. The gazetted AgriBEE Sector Code under section 9 indicates the turnover threshold levels for Exempted Micro Enterprises (EME's) and Qualifying Small Enterprises (QSE's).
- 7.4 The AgriBEE Charter applies to multinational businesses or South African multinationals whose business falls within the scope of the Charter as defined in the Broad Based Black Empowerment Act, 2003 (Act No 53 of 2003). A specific regime for multinationals exists in the Codes of Good Practice and will apply.
- 7.5 Where an enterprise trades in more than one sector i.e. falls under more than one Sector Code or Section 12 Transformation Charter, the Measured Enterprise must be guided by the principles embodied in the Codes of Good Practice.
- 7.6 Enterprises using agricultural or agricultural related products for processing and / or manufacturing products in a multidiscipline sector will be evaluated according to the AgriBEE Charter.

7.7 Companies or businesses, irrespective of the size (large, medium, small, very small or micro) have to do a proper evaluation in terms of the indicative AgriBEE Scorecard to indicate their progress towards BEE compliance as at 31 October 2012.

7.8 Only BEE verification certificates issued by Accredited Verification Agencies or Verification Agencies that are in possession of a valid pre-assessment letter from South African National Accreditation Systems will be valid. The period of validity of the certificates will be 12 months from the date of issue. The list of accredited Verification Agencies is available on the Department of Trade and Industry website ([http:// www.thedti.gov.za](http://www.thedti.gov.za)). Certificates issued for a holding company can be used by all its subsidiaries.
