TERMS OF REFERENCE FOR THE EVALUATION PANEL

1. INTRODUCTION

- 1.1 Section 6A(1) of the ICASA Act, 13 of 2000 as amended, stipulates that the Minister must, in consultation with the National Assembly, establish a performance management system to monitor and evaluate the performance of the chairperson and other councillors.
- 1.2 The ICASA Act further stipulates that the performance management system must, inter alia, set key performance indicators as a yardstick for measuring performance; set measurable performance targets as well as set a procedure to measure and review performance at least once a year.

2. NAME

The structure to evaluate the performance of the Chairperson and other councillors of ICASA will be called the Evaluation Panel.

3. MEASURING AND EVALUATING THE PERFORMANCE OF THE CHAIRPERSON AND OTHER COUNCILLORS OF ICASA

- 3.1 Section 6A (3) provides that as soon as is practicable after appointment of the Chairperson and other councillors, a performance agreement must be concluded between the Chairperson or other councillors and the Minister.
- 3.2 The spirit of section 6A of the Act is to ensure that ICASA'S performance is measured and that the ICASA Chairperson and other councillors discharge their responsibilities in a transparent and accountable manner.
- 3.3 The Performance Management System for the Chairperson and other councillors of ICASA, as adopted by the National Assembly, is a robust mechanism that will evaluate and measure performance of the ICASA Council with the view to enabling a constructive engagement and provision of better rationality in respect of resource allocation so that funds are allocated where they are most likely to maximise the achievement of set outcomes.
- 3.4 The Performance Management System will take into account issues of compliance and time-frames. This system therefore will link directly with the targets and key performance indicators as stipulated in the Annual Work-Plan of the independent Authority.

- 3.5 In addition, the rating system to be adopted by the Evaluation Panel should, as contemplated in Section 6A(4) of the ICASA Act, link with turnaround times and compliance aspects of the work of the ICASA Council.
- 3.6 The evaluation of the Chairperson and other councillors will be aligned to the planning cycle of government. As such, the performance management cycle of the ICASA Council will be linked to the Authority's financial year cycle.
- 3.7 The information to be used during the review session will include, but is not limited to, the performance management system, performance agreements as signed; the Authority's strategic plan; stakeholder survey reports and any other information that may be deemed necessary.
- 3.8 The Chairperson and individual councillors will be required to submit their individual performance reports prior to the sitting of the Evaluation Panel. During the performance review session, the Chairperson and councillors will be required to provide oral submissions in respect of their performance assessments.
