

NOTICE 303 OF 2013**DEPARTMENT OF PUBLIC WORKS****AGRÉMENT SOUTH AFRICA**

(Approval of innovative construction products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 24 August 2011, issued an Agrément certificate, details of which appear in the schedule hereto.

SCHEDULE**Agrément Certificate 2011/396**

Name of product: Betcrete Polycrete Door Frames and Windows

Certificate holder: Betcrete(Pty) Ltd

Description: Betcrete Polycrete Door frames and Windows are prefabricated and made of lightweight concrete consisting of a homogenous blend of silica sand, calcium carbonate and polyester resin. They are available in grey (concrete appearance) colour. The surface finish is two coats of an exterior acrylic paint with South African Bureau of Standard (SABS) or Agrément South Africa accreditation.

Door frames are used in a conventional manner, that is, in conjunction with door leaves and ironmongery. Windows utilises polycrete mullions and transoms and aluminium sashes with monolithic or laminated glazing and ancillary components, namely, lugs, bolts, nuts and screws.

The Agrément certificate contains detailed information on the product and can be accessed at <http://www.agrement.co.za>
