Attention is drawn to Notice 649 of 2010 published in Government Gazette No. 33328 on 2 July 2010 in which interested and affected parties in the proposed core, central and co-ordinated astronomy advantage areas as indicated in the schedule to that notice, are invited to register their details with the Department.

Attention is also drawn to the fact that once an area has been declared a central astronomy advantage area, the Minister may –

- declare that no person may, within a central astronomy advantage area, conduct certain activities (for details, see s23 of the Act, which is available on the Department of Science and Technology website [www.dst.gov.za/](http://www.dst.gov.za/) under "LEGISLATION" (click on it) and then under "Acts" (click on Acts) as the 6<sup>th</sup> item on Page 2);
- prescribe regulations to apply in core and central astronomy advantage areas on national standards or measures for the control or minimisation of light pollution or any other activity (for details, see s37 of the Act); and

- make regulations concerning a range of issues (for details, see s50 of the Act).
