NATIONAL QUALIFICATIONS FRAMEWORK ACT, 2008 (NO. 67 OF 2008)

MINISTERIAL COMMITTEE ON ARTICULATION POLICY

I, Bonginkosi Emmanuel Nzimande, MP, Minister of Higher Education and Training, in accordance with Treasury Regulation 20 issued in terms of the Public Finance Management Act, 1999 (Act No. 1 of 1999) hereby establish the committee set out in the schedule to develop a draft national policy on articulation in terms of s. 8(a) and (b) of the National Qualifications Framework Act, 2008.

DR BE Nzimande, MP

Minister of Higher Education and Training

Date: 16/08/13

SCHEDULE

DEPARTMENT OF HIGHER EDUCATION AND TRAINING MINISTERIAL COMMITTEE ON ARTICULATION POLICY

BACKGROUND AND PURPOSE

1. In his policy document determining the sub-frameworks of the National Qualifications Framework (Government Notice No. 1940 of 14 December 2012), the Minister of Higher Education and Training stated:

"Articulation within and between the sub-frameworks is essential in order to advance the objectives of the NQF. The Act requires an integrated NQF. The sub-frameworks must work with and not against one another in order to enable learners to progress along their chosen learning pathways. Dead-ends, roadblocks and circuitous deviations are to be minimised if not eliminated. An NQF that obstructs learning progression is a contradiction in terms of the Act."

"Although the sub-frameworks I have determined meet the demanding requirements set out in the Act, there is one important proviso. I am not yet satisfied that the optimum degree of integration has been achieved. At a meeting with the SAQA board on 19 April 2012 I requested SAQA in collaboration with the QCs to advise on articulation pathways for the NQF. This work includes the prioritisation of Recognition of Prior Learning (RPL) and Credit Accumulation and Transfer (CAT) policies, both of which are requirements of the Act (ss. 13(1)(h)(iii) and 27(h)(ii)). Substantial work has been done and in terms of s. 13(n)(iii) of the Act I hereby direct SAQA to provide me with a draft policy on the principles that should direct the articulation pathways in the NQF within six months of the publication of this notice."

2. On 14 June 2013 SAQA provided its advice on articulation policy and a draft Action Plan. The Minister has appointed a Ministerial Committee to consider SAQA's proposals and prepare a draft national policy on articulation with proposals for implementation.
