THE SOUTH AFRICAN NATIONAL ROADS AGENCY LIMITED AND NATIONAL ROADS ACT, 1998

(ACT No. 7 OF 1998):

E-ROAD REGULATIONS

I, Dipuo Peters, the Minister of Transport, after consultation with the Agency hereby, in terms of sections 58 (1)(dA) and (dC) of the South African National Roads Agency Limited and National Roads Act, 1998 (Act No. 7 of 1998) ("the Act") make the regulations in the Schedule hereto.

Dipuo Peters

Minister of Transport

Schedule

1. Definitions

In these regulations, a word or expression that has been defined in the Act has the same meaning and, unless the context indicates otherwise—

"alternate user" means a user who is not a registered e-tag user, a registered VLN user, a day-pass user for the e-road used or a non-registered e-tag user;

"call centre" means the e-toll call centre established by the Agency and reached at 0800 SANRAL (726725);

"class of motor vehicle" means a category of motor vehicle as contemplated in section 27 of the Act;

“day-pass user” means a user of an e-road using a day-pass for the e-road used, which day-pass has been issued and contemplated in regulation 4;

“e-road” means a toll road where liability to pay toll for use of the road is recorded at a toll plaza exclusively by means of any electrical or electronic device;

“e-tag” means an electronic device affixed to a specific motor vehicle in accordance with the Specification Regulations to identify that motor vehicle when it passes under a gantry;

“e-tag credit” means an amount of money, which is reflected in the records of the Agency against an e-tag of a non-registered user, and which monetary credit is reduced by the amount of toll incurred under an e-toll transaction by the user of the motor vehicle to which the e-tag has been fitted;

“e-toll account” means an account opened with the Agency by a person who, through his or her intended use of an e-road, may incur a liability to pay toll for that use and who wishes to discharge that liability through the said account and where such account is linked to the VLN;

“e-toll customer service centre” means a centre as determined by the Agency in the Conditions for the Payment of Tolls published by the Agency in terms of section 27(1)(b) of the Act;

“e-toll transaction” means the recording of the passage of a motor vehicle under a gantry and the simultaneous recording of the liability of the user of that motor vehicle to pay toll for the use of that motor vehicle on the road on which the gantry is situated;

“gantry” means a toll plaza where the liability to pay toll is recorded by an electrical or electronic device;

“motor vehicle” means a motor vehicle as defined in the National Road Traffic Act: Provided that for the purpose of fitment of an e-tag a trailer shall not be considered to be a motor vehicle;

“National Road Traffic Act” means the National Road Traffic Act, 1996 (Act No. 93 of 1996);

“non-registered e-tag user” means a user whose motor vehicle is fitted with an e-tag against which sufficient e-tag credit is reflected in the records of the Agency at the time of an e-toll transaction, for the payment of the toll incurred in respect of that e-toll transaction, but where the user has not registered with the Agency in accordance with these regulations;

“registered e-tag user” means a user who is registered with the Agency for a specific motor vehicle, complies with all the requirements of these regulations and where such user requests that e-toll transactions pertaining to the motor vehicle be recorded using an e-tag fitted to the motor vehicle; and where, at the time of the e-toll transaction, such user has –

- (a) sufficient funds in his or her e-toll account to pay the toll that applies to the e-toll transaction;
- (b) linked his or her e-toll account to a payment method acceptable to the Agency; or
- (c) an agreement with the Agency to pay for e-toll transactions on a different basis than that contemplated in paragraph (a) or (b);

“registered user” means a user who has registered as either an e-tag user or as a VLN user with the Agency to pay e-toll in terms of these regulations;

“registered VLN user” means a user who is registered with the Agency for a specific motor vehicle, complies with the requirements of these regulations and where such user requests that e-toll transactions pertaining to the motor vehicle be recorded using the VLN of the motor vehicle; and where, at the time of the e-toll transaction, such user has –

- (a) sufficient funds in his or her e-toll account to pay the toll that applies to the e-toll transaction;
- (b) linked his or her e-toll account to a payment method acceptable to the Agency; or
- (c) an agreement with the Agency to pay for e-toll transactions on a different basis from that contemplated in paragraph (a) or (b);

“Specification Regulations” means regulations made under section 58(1)(dB) of the Act;

“the Act” means the South African National Roads Agency Limited and National Roads Act, 1998 (Act No. 7 of 1998);

“user” means a person driving or using a motor vehicle on a toll road and “used” or “driven” or any like word has a corresponding meaning;

“VLN” means the motor Vehicle Licence Number allocated to a motor vehicle under section 4(3) of the National Road Traffic Act or under the legislation of the country in which the motor vehicle was registered; and

“website” means the e-toll website established by the Agency and reached at www.sanral.co.za.

2. System of registration

- (1) Any person who wishes to be registered as–
 - (a) a day-pass user;
 - (b) a registered e-tag user; or
 - (c) a registered VLN user,

of an e-road may do so in terms of these regulations.

(2) A user of a motor vehicle on an e-road who, at the time of his or her use, has not registered in terms of sub-regulation (1) must be categorised as either–

- (a) a non-registered e-tag user; or
 - (b) an alternate user,
- as the case may be.

(3) The use of an e-road and the liability to pay toll for any e-toll transactions by a person who registers as a registered user or a day-pass user is subject to the Act and these regulations and, any person so registering, undertakes thereby to comply with the Act and these regulations.

3. Registration as an e-tag or VLN user

(1) A person who uses an e-road may apply to the Agency to register as an e-tag user or a VLN user for a specific motor vehicle and to open an e-toll account, by providing the information contemplated in sub-regulation (2) by –

- (a) faxing a form obtainable from an e-toll customer service centre or the website as shown in Annexure A to these regulations to the facsimile number indicated on that form;
- (b) submitting such form by electronic mail message to the email address as indicated on that form;
- (c) logging on to the website for those purposes and providing the required information;
- (d) submitting the required information to an e-toll customer service centre; or
- (e) calling the call centre,

in each instance supplying to the Agency the information and documentation stipulated in sub-regulation (2).

(2) The following information as applicable, must be supplied to the Agency together with the application for registration as contemplated in sub-regulation (1):

- (a) The name and surname of the person applying for registration;

- (b) the identity number or the business registration number of the person applying for registration;
- (c) the VLN, make, model and colour, and if required by the Agency, the vehicle register number as reflected on the motor vehicle licence disc, of the motor vehicle to be used on the e-road by the person applying for registration or that is to be used on the e-road by persons in respect of whose use of the said motor vehicle on the e-road the person applying for registration undertakes liability to pay the toll so incurred;
- (d) a contact telephone number or electronic mail address for the person applying for registration or his or her authorized representative;
- (e) a preferred method of communication for notifications;
- (f) a preferred method of receipt of invoices;
- (g) the physical address of the person applying for registration;
- (h) the method of identification to be used for the motor vehicle as it passes beneath a gantry, whether by e-tag or VLN and, if by e-tag–
 - (i) provide the e-tag identification number if acquired at a third party retailer, being the number reflected on the side of the e-tag; or
 - (ii) apply for the issue of an e-tag for the motor vehicle described in paragraph (c) above;
- (i) an undertaking on the part of the person applying for registration to make payment to the Agency of all toll incurred in respect of the use on the e-road of the motor vehicle described in the application for registration; and
- (j) a proposed method of payment for the settlement of the e-toll account to be opened, which method of payment shall be subject to the conditions that the Agency may determine and make known.

(3) Upon receipt of the application referred to in sub-regulation (1) and if the application made and the information submitted is in accordance with these regulations, the Agency must –

- (a) capture the information submitted by the person applying for registration;

- (b) if the proposed method of payment for the settlement of the e-toll account to be opened complies with such conditions as the Agency has determined and made known, register the person who applied under sub-regulation (1) as a user in the register contemplated in regulation 10;
- (c) to the extent applicable, specify the e-tag identification number and the corresponding VLN of the motor vehicle to which such e-tag must be fitted; and
- (d) if such person applied for an e-tag under sub-regulation (2)(h)(ii), issue an e-tag to such person.

(4) The Agency must collect tolls from registered users in the manner contemplated in regulation 6.

4. Registration of a day-pass user

(1) Any person intending to use an e-road may, before using that e-road, apply to register as a day-pass user of that e-road by providing the VLN, make, model, colour, year and class of the motor vehicle to be used –

- (a) on the website;
- (b) by visiting an e-toll customer service centre; or
- (c) by contacting the call centre , and

by providing a payment method accepted by the Agency.

(2) Upon receipt of the application referred to in sub-regulation (1) and if the application made and the information submitted is in accordance with these regulations the Agency must –

- (a) capture the information submitted by the person applying for registration; and
- (b) if-
 - (i) the method of payment for day-pass complies with such conditions as the Agency has determined and made known, and
 - (ii) subject to sub-regulations (4) and (5),

register the person who applied under sub-regulation (1) as a day-pass user in the register contemplated in regulation 10 and issue to such person confirmation of registration as a

day-pass user entitling the user to use the e-road in respect of which the day-pass has been issued.

(3) The Agency must confirm the registration of a day-pass user by notification to the user at the time of registration either at the call centre, or by issuing a receipt at the e-toll customer service centre at which the application is made.

(4) The person so registered as a day-pass user may, after being issued with confirmation of registration as a day-pass user, use the e-road for which he, she or it was registered as a day-pass user, without incurring any further toll liability in respect of that use under the following conditions:

- (a) The period for which the person so registered may use the e-road for which he, she or it was registered as a day-pass user without incurring any further liability to pay toll shall not exceed 24 hours from the time when the user first uses the e-road;
- (b) an e-road may only be used under registration as a day-pass user 12 times during a 12 month period to be reckoned from the date and time the e-road was first used pursuant to the day-pass registration; and
- (c) if the same motor vehicle in respect of which a day pass was registered is used on an e-road outside of the 24-hour period as contemplated in paragraph (a) or on an e-road other than the e-road in respect of which registration as a day-pass user was applied for, then, unless the person so using the motor vehicle is a registered user or a non-registered e-tag user, he, she or it shall be an alternate user and shall be liable for toll accordingly.

(5) A day-pass must be used on an e-road, for which the vehicle was registered for the day-pass, within 30 days from the date of purchase, failing which the day pass shall expire.

(6) A day-pass user is identified at the time of an e-toll transaction by the VLN of the motor vehicle used by the day-pass user, which must be the motor vehicle specified in sub-regulation (1).

5. Use of an e-road by registered users, by non-registered e-tag users, and by alternate users

(1) Before using an e-road, a registered e-tag user must, in the manner contemplated in the Specification Regulations published in terms of section 58(1)(dB) of the Act, fit the e-tag as provided for in paragraphs (3)(c) or (d) of regulation 3 to the corresponding motor vehicle and maintain the e-tag in working order.

(2) (a) If a motor vehicle for which an e-tag has been specified passes beneath a gantry on an e-road and the equipment used to identify the e-tag fails, the user who is registered as

the e-tag user in respect of that motor vehicle will be identified by the VLN of the motor vehicle.

- (b) In the case where the Agency detects that the e-tag of the registered e-tag user does not function properly it must notify the user by means of the preferred method of communication referred to in paragraph (2)(e) of regulation 3.
- (c) If a user, 10 days after he, she or it has been notified by the Agency as contemplated in sub-regulation (2)(b), continues to use an e-road without first replacing or returning the e-tag that is malfunctioning, -
 - (i) he, she or it will incur liability for toll as a registered VLN user provided that he, she or it otherwise satisfies the requirements of the definition of "registered VLN user," or
 - (ii) if he, she or it does not satisfy the requirements of the definition of "registered VLN user" then he, she or it will incur liability for toll as an "alternate user".

(3) A motor vehicle of a registered user that passes beneath a gantry shall be identified at the time of the e-toll transaction either by the e-tag or VLN, as the case may be, and the liability for toll may differ according to the method of identification in question.

(4) Registered users must maintain an e-toll account with the Agency and must make payment timeously of all amounts due in respect of that account, which payment shall be subject to the conditions that the Agency may determine and make known.

(5) Where a non-registered e-tag user, who prior to his or her use of an e-road fits an e-tag to a motor vehicle in the manner contemplated in the Specification Regulations published in terms of section 58(1)(dB) of the Act—

- (a) he, she or it is identified at the time of the e-toll transaction by the VLN and e-tag so fitted;
- (b) the liability for toll for the use of the e-road by the non-registered e-tag user may be determined accordingly; and
- (c) the toll for the e-toll transaction so occurring will be set off against any e-tag credit.

(6) The passage of a motor vehicle beneath a gantry, the user of which is an alternate user, is identified at the time of the e-toll transaction by the VLN or an e-tag and the liability for toll will be determined according to the tolls applicable to alternate users.

(7) A registered user must—

- (a) within 14 days of changing his or her physical or postal address or any of the particulars supplied to the Agency at the time of registration, notify the Agency of his or her new address or such new particulars;
 - (b) notify the Agency within 24 hours after he, she or it becomes aware of the theft of a motor vehicle in respect of the use of which registration was applied for;
 - (c) notify the Agency within 24 hours if a motor vehicle for which an e-toll account is registered has been declared unfit for use;
 - (d) furnish information, if requested to do so, regarding a motor vehicle which is or may have been used by him or her on an e-road to any traffic officer, an employee of the Agency or an employee of an agent appointed by the Agency to operate the e-road;
 - (e) ensure that the number plates of the motor vehicle that he, she or it is using on an e-road are affixed in the manner prescribed in regulation 35 of the National Road Traffic Regulations, 2000 and are clearly visible at all times; and
 - (f) not tamper with or duplicate a number plate or use a motor vehicle on an e-road without number plates being properly affixed to the motor vehicle.
- (8) An e-tag user–
- (a) may not tamper with or duplicate an e-tag;
 - (b) must notify the Agency within 24 hours of the e-tag becoming damaged or stolen or destroyed and, in the case of a registered e-tag user who wishes to remain registered–
 - (i) provide a new e-tag identification number and the corresponding VLN of the motor vehicle to which such e-tag will be fitted, or
 - (ii) apply for the issue of a new e-tag ; and
 - (c) where he, she or it wishes to transfer the e-tag issued to him, her or it to another motor vehicle, provide the VLN, make, model and colour to the Agency and request the transfer of such e-tag to the new motor vehicle.
- (9) An alternate user must–
- (a) ensure that the number plates of the motor vehicle that he, she or it is using on an e-road are affixed in the manner prescribed in regulation 35 of the National Road Traffic Regulations, 2000 and are clearly visible at all times;

- (b) not tamper with or duplicate a number plate or use a motor vehicle on an e-road without number plates being properly affixed to the motor vehicle; and
- (c) ensure that his, her or its current address is on record with the appropriate registering authority as required by the National Road Traffic Regulations, 2000 made under the National Road Traffic Act and notify the Agency of any change of such address within 14 days from the date that the change took place.

(10) Where a user is required by any provision contained in these regulations to give notice to the Agency of any occurrence or for purposes of complying with any provision of these regulations, then such notice must be given either by contacting the call centre or by visiting an e-toll customer service centre, or by any other means of notification that is indicated on that website.

6. Terms and conditions for payment of toll

(1) A registered user must pay the toll for which he, she or it becomes liable as a result of his or her use of an e-road at the place and subject to the conditions that the Agency may make known and determine.

(2) Unless payment is made in terms of sub-regulation (1), such registered user shall remain liable for the payment of all tolls in relation to the use of an e-road.

(3) Where a registered user does not pay the toll payable by him, her or it, the Agency must, within 32 days after the registered user has used an e-road, send an invoice to the said user to the last known address of such user reflecting the amount of the toll payable and such invoice must be paid by the said user on or before the date reflected on the invoice: Provided that the user is responsible to ensure that his or her correct address has been supplied to the Agency and that the VLN of the user is identifiable.

(4) If an alternate user has used an e-road he, she or it must pay the toll applicable to such use within the time and at the place and subject to the conditions that the Agency may make known and determine.

(5) If an alternate user does not pay the toll contemplated in terms of sub-regulation (4) within the time and at the place and subject to the conditions that the Agency may make known and determine, the Agency must within 32 days after the alternate user has used an e-road but after expiry of the grace period and unless the user has registered, send an invoice to the said user, to the last known address provided in terms of the National Road Traffic Act by such user, reflecting the amount of the toll payable and such invoice shall be paid by the said user on or before the date reflected on the invoice.

(6) The Agency may follow criminal and civil process to collect all outstanding tolls if, despite an invoice having been sent, the user continues to fail to pay such outstanding tolls within the period stipulated in the invoice or at all

(7) Despite sub-regulations (5) and (6) where a motor vehicle that has been used on an e-road cannot be identified as a result of its having no number plates, illegible number plates or number plates which are shown to be false, or where the motor vehicle is registered outside of the Republic of South Africa -

- (a) the Agency need not send an invoice to the user of that motor vehicle as required by sub-regulation (5); and
- (b) the Agency may follow criminal and civil proceedings to collect such toll as may be owed for the use of the said motor vehicle on an e-road without first having to send an invoice.

(8) No person may—

- (a) in relation to any application made under these regulations; or
- (b) in relation to the furnishing of any information which, to his or her knowledge, is to be or may be used for any purpose in terms of these regulations,

make a declaration or furnish information to the Agency or any other person referred to in these regulations, which to his or her knowledge is false or misleading.

(9) Any user of an e-road who, through such use, becomes liable to pay toll may request an invoice from the Agency at any e-toll customer centre, failing which the Agency shall not be obliged to provide invoices to any user, save as provided for elsewhere in these regulations.

7. Nominations

(1) The owner of a motor vehicle that was used on an e-road and who was not the user of the motor vehicle that was operated on an e-road and who wishes to nominate another person as the user of such motor vehicle for the purpose of identifying the person who was using the vehicle at the time of the relevant e-toll transaction, may do so by completing the form as shown in Annexure B to these Regulations, providing the information as contemplated in sub-regulation (2) and submitting such form to the Agency via registered post to the Agency's postal address, being Private Bag X64 Centurion, or at an e-toll customer service centre.

(2) The owner of a motor vehicle contemplated in sub-regulation (1) must provide—

- (a) his, her or its full names and contact details and the VLN of the motor vehicle concerned;
- (b) the date, time and road when and where the relevant e-toll transaction occurred; and

(c) the full names, postal and residential address of the driver or user.

(3) The Agency must—

- (a) if the information on the form as contemplated in sub-regulation (1) is complete and corresponds with the Agency's records pertaining to the relevant e-toll transaction; and
- (b) if satisfied that person nominating was not the driver or user of the motor vehicle at the time of the e-toll transaction,

capture the information in the register contemplated in regulation 10 and remove the toll transaction to which the nomination relates from the record of such nominating person and send an invoice as contemplated in regulation 6(5) to the person who has been nominated as user.

8. Representations

(1) The owner of a motor vehicle, or a user or driver who wishes to make a representation as to the alleged driving or use of the relevant motor vehicle on an e-road may do so by completing the form as shown in Annexure C to these Regulations and submitting such form to the Agency at an e-toll customer service centre or sending it by registered post to the Agency's postal address, being Private Bag X64 Centurion.

(2) The Agency must duly consider the representations and any reply thereto and—

- (a) may conduct independent investigations to verify the facts; and
- (b) may—
 - (i) allow the representations if there are reasonable grounds indicating that the person making the representation must not be held liable for the e-toll transaction; or
 - (ii) reject the representations if there are no such reasonable grounds.

(3) If the representations are allowed the agency must capture the information in the register as contemplated in regulation 10 and , where appropriate, cancel the e-toll transaction to which the representation relates, and inform the person who made the representation thereof.

(4) If the representations are rejected, the Agency must advise the person that the representations have been rejected, provide the reasons for the decision and inform the person who is liable that he, she or it is liable for the relevant outstanding tolls.

(5) If that person fails to pay the outstanding tolls for which he, she or it is liable, the Agency may follow the procedures contemplated in regulation 6(6).

9. Offences

Any person who wilfully or negligently contravenes or fails to comply with the provisions of sub-regulation (7), (8)(a) or (9) of regulation 5 or sub-regulation (7) of regulation 6, shall be guilty of an offence and shall upon conviction be liable to a fine or imprisonment not exceeding six months.

10. Registers and records

(1) The Agency must establish and keep a register to record all transactions of registered e-tag users, registered VLN users and day-pass users.

(2) Final disposition of the records contemplated in these regulations must be in accordance with the National Archives and Record Service of South Africa Act, 1996 (Act No. 43 of 1996).

(3) Records may be kept as hard copies, as microfilm or in electronic format.

11. Short title and commencement

These regulations are called the e-Road Regulations, 2013 and shall come into operation on date of their publication in the *Government Gazette*.
