1. INTRODUCTION

The Promotion of Access to Information Act, 2000 (Act No.2 of 2000) prescribes that a Public Body must provide details of records held by such public body so that any request to information may be accommodated.

The details of the records kept by a Public Body are contained in a book, which is called a manual. The manual therefore relates to the records kept by the Public Body. The records kept pertain to the business/functions of each and every business unit. To distinguish between the business/functions of each unit, the records for each unit are numbered differently. Each record also carries a disposal instruction.

Apart from records (files), the manual also contains information on the addresses of the Head of Public Body, its functions as well as list of all records kept by public body.

Our vision is to be-

a dynamic, people centered department, leading the effective management of nation's water resources, to meet the needs of current and future generations.

Section 156, read in conjunction with Part B of Schedule 4 of the Constitution of the Republic of South Africa (Act 108 of 1996) gives the Execution Authority the responsibility to regulate as well as support and strengthen the capacity of municipalities to manage their own affairs, to exercise their powers and to perform their functions.

Water Research Act, 1971 (Act No.34 of 1971)

8. PROCEDURE FOR REQUESTING ACCESS TO INFORMATION

The Director-General of the Department is the Information Officer in terms of PAIA, and has, in his capacity as such, appointed a Deputy Information Officer (DIO) to provide the effective implementation of PAIA. To gain access to the Department's services, request must be made to the relevant Deputy Information Officer (DIO). (**See Annexure D contact details**)

The requester must be given access to records if:

- The records are requested in terms of section 18(1), and fall under section 15 of PAIA, that is, they are automatically available without a person having to request access
- All procedure requirements in terms of PAIA relating to the request for access to the records having been complied with
- Access to that record is not refused on any ground of refusal mentioned in chapter 3 of PAIA

Access to the records can only be denied if prescribed by an enactment of the law (Act, Regulation or documents having the force of law), subject to limitations in terms of Section 36 of the Constitution.

How to request access to the records of the Department

The requester must use the form prescribed in the Government Gazette [Government Notice R187-15 February 2002] (Form A). The requester must indicate whether the request is for a copy of the record or if the requester wants to inspect the records at the relevant Department's office. Alternatively, if the record is not a document it can then be viewed in the requested form, where possible - see [Section 29(2)].

If the requester asks for access in a particular form, access should be granted in the manner that has been asked for, unless doing so will

interfere unreasonably with the running of the public body concerned, or damage the record, or infringe a copyright not owned by the state. If, for practical reasons, access cannot be given in the required form but in an alternative manner, the fee must be calculated according to the manner in which the requester asked for it [Section 29(3) and (4)].

If, in addition to a written reply to their request for record, the requester would like to be informed of the decision in any way, for example by telephone, this must be indicated as such [section 18(2)(e)].

If the requester is asking for the information on behalf of somebody else, the capacity in which the request is being made should be indicated [Section 18 (3)].

If a requester is unable to read or write, or has a disability, then the requester can make the request for the record orally. The Deputy Information Officer must then fill in the request form on behalf of the requester and give the person a copy [Section 18 (3)]. See Annexure A for Request Form

Fees payable by the requesters

All fees required in terms of PAIA Regulation (Notice 187 of the Government Gazette of 15 February 2002) are payable by cheque or cash at the Department's offices. A cheque or receipt of payment must accompany the request form to The Department. If the payment is by a cheque, a photocopy must be made on both sides. Proof of payment can be faxed to the Department for the attention of the Deputy Information Officer concerned. **See Annexure D for contact details.**

All requesters other than personal requesters must pay a request fee. Deputy Information Officer must notify the requester (other than personal requester) of the requirements to pay the prescribed fee (if any) before processing the request.

The request fee payable to the Department is R35.00 and is payable on submission of each application. This amount is not refundable. The requester may lodge an internal appeal, where appropriate. After internal appeal procedures are exhausted, an application to court against the tender or payment of the request fee can be made by requesters.

After the Deputy Information Officer has made a decision on the request, the requester must be notified of such a decision in the manner in which the requester wanted to be notified. If the request is granted, access fee must be paid for search, preparation and reproduction, and for any time that exceeded the prescribed hours to search and prepare the record.

An access fee shall be determined by the amount of records and the manner in which access is required.

Payments can be directed to the Department on the following details:

Bank	ABSA
Account Number	4049624754
Code	632005
Reference	Promotion of Access to Information Act

Please note: Some of The Department's records are automatically available without a person having to request access in terms of PAIA. See classifications and categories in Annexure D below or ask the Deputy Information Officer. See Annexure B for prescribed fees of public bodies.

Appeal Procedure

The supply of information is guaranteed by PAIA and the Constitution, and any unconstitutional limitations of this right may end up in the Constitutional Court.

Should requesters believe that the Department refusal to grant access to the records is unjustifiable, or should the requesters have any grounds for complaint in terms of PAIA, the following actions can be taken against the Department:

- An internal appeal can be lodged to the Minister of Water and Environmental Affairs as the relevant authority in terms of PAIA;
- After exhausting the internal appeal remedies, an application may be lodged with a court; and
- A person, who intentionally denies a right of access to Information in terms of PAIA, can be fined or imprisoned because an offence would have been committed.

An internal appeal must be lodged in the prescribed form, within 60 days after the decision on a request is given to the requester. The appeal must contain information on what decision is being appealed, why the requester is appealing, and any other information that is known by the requester relating to the appeal. No fee is payable for internal appeal until such time it is prescribed in terms of PAIA Regulations. **See Annexure B for Appeal Form.**
