## SCHEDULE

### PURPOSE

1. The purpose of this Notice is to identify activities in identified geographical areas that have been subjected to a pre-assessment process using a spatial development tool and which require environmental authorisation prior to commencement as well as to identify competent authorities in terms of sections 24(2) and 24D of the Act.

### DEFINITIONS

2. (1) In this Notice, any word or expression to which a meaning has been assigned in the Act shall have the meaning so assigned, and unless the context otherwise indicates-

**“associated structures or infrastructure”** means any building or infrastructure that is necessary for the functioning of the development;

**“development”** means the building, erection, construction or establishment of a facility, structure or infrastructure that is necessary for the undertaking of a listed or specified activity, including any associated post development monitoring but excludes any modification, alteration or expansion of such a facility, structure or infrastructure and excluding the redevelopment of the same facility in the same location, with the same capacity and footprint;

**“expansion”** means the modification, extension, alteration or upgrading of a facility, structure or infrastructure at which an activity takes place in such a manner that the capacity of the facility or the footprint of the activity is increased; and

**“the Act”** means the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended.

### IDENTIFIED ACTIVITIES AND COMPETENT AUTHORITIES

3. (1) The activities listed in Appendix 1 are identified in terms of section 24(2)(a) of the Act as activities that may not commence without an environmental authorisation from the competent authority.
3. (2) The investigation, assessment and communication of potential impact of activities must follow the procedure as prescribed in regulations 19 and 20 of the Environmental Impact Assessment Regulations published in terms of section 24(5) of the Act.

**SHORT TITLE**

4. This Listing Notice is called the Environmental Impact Assessment Regulations Listing Notice 4 of 2014.
