MEMORANDUM ON THE OBJECTS OF THE FINANCIAL AND FISCAL COMMISSION AMENDMENT BILL, 2003

1. The main purpose of the Bill is to amend the Financial and Fiscal Commission Act, 1997 (Act No. 99 of 1997) ("the Act"), in order to bring the Act into line with the Constitution as amended by the Constitution of the Republic of South Africa Second Amendment Act, 2001 (Act No. 61 of 2001). The last-mentioned Act reduced the number of members of the Financial and Fiscal Commission from 22 members to nine members and changed the appointment procedure for such members.

2. The Bill also seeks to amend section 3 of the Act by proposing the insertion of a provision which would require any organ of state which intends assigning any power or function to an organ of state in another sphere of government to request the Financial and Fiscal Commission's advice on any financial implications of the said assignment. In terms of the proposed amendment, an assignment has no legal force until the organ of state assigning has indicated to the Commission the extent to which it has given consideration to the Commission's advice. The reason for the proposal is that any such assignment inevitably has a financial and fiscal impact, which may, at times, result in unfunded mandates for provincial or local governments.

3. The proposed amendments to sections 24 and 26 of the Act are to bring the Act into line with the Public Finance Management Act, 1999 (Act No. 1 of 1999).

4. The Bill also proposes an amendment to section 5 of the Organised Local Government Act, 1997 (Act No. 52 of 1997), in order to provide for a process whereby organised local government participates in the compilation of a list from which the President will make two appointments in terms of section 5 of the Act to the Financial and Fiscal Commission. This amendment also stems from the amendment of the Constitution referred to in paragraph 1.

5. Lastly, the Bill seeks to effect certain consequential amendments and to provide transitional arrangements.
