MEMORANDUM ON THE OBJECTS OF THE ECONOMIC CO-OPERATION PROMOTION LOAN FUND AMENDMENT BILL, 1998

Objects

Acting in terms of section 3(2) of the Economic Co-operation Promotion Loan Fund Act, 1968 (Act No. 68 of 1968), hereinafter referred to as "the Act", the Minister of Foreign Affairs entered into agreements with the governments of the former Republics of Transkei, Bophuthatswana, Venda and Ciskei in terms of which loans were granted to those governments for development projects within their respective areas of jurisdiction. In the case of the former Republic of Bophuthatswana there was also a separate agreement providing for a non-refundable financial grant from the Economic Co-operation Promotion Loan Fund for the development of the Winterveld area. With the enactment of the Constitution of the Republic of South Africa, 1993 (Act No. 200 of 1993), the said former Republics ceased to exist and the rights and obligations of the lender and borrower, by virtue of the said agreements, were merged and were vested in the Republic of South Africa. In that respect, the Bill merely endorses a factual situation. The said former governments no longer exist, and if the Government of the Republic would be required to repay the amounts owing under the loans granted to the former governments it would simply mean that it would make the payments concerned to itself. The capacities of debtor and creditor have by merger become vested in the same entity.

The development projects which formed the subject of the said agreements and which had at the commencement of the said Constitution not been completed, were taken over by the provincial governments within whose areas of jurisdiction the localities of the development projects are situated. The Bill proposes to provide that all payments as contemplated in the relevant agreements which may be required for the completion of those projects shall be paid to the provincial governments concerned.

The Bill also provides that the Minister of Foreign Affairs, acting in consultation with the Minister of Finance, may pay money which is not required and which will not be used for any existing development project into the National Revenue Fund, established by section 213 of the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 1996).
