MEMORANDUM ON THE OBJECTS OF THE MEDICAL SCHEMES AMENDMENT BILL, 2002

The Bill seeks to amend the Medical Schemes Act, 1998 (Act No. 131 of 1998) ("the Act").

1. DISCUSSION OF CLAUSES

The specific clauses of the Bill are discussed below in turn:

Clause 1

The definition of "broker" in section 1 of the Act is amended to include the ongoing provision of advice and services beyond introduction or admission of members to a medical scheme. The definition also excludes parties who may otherwise fall within the definition, but who are not doing broker business.

Clause 2

The additional subsection (7) to section 65 of the Act requires all persons falling within the broadened definition of a broker to be accredited, and thereby establishes the single "gateway" to accreditation of health brokers, as agreed upon in terms of the above agreement. Amendments to subsections (1) and (3) flow from the insertion of subsection (7).

Clause 3

Since the Act was promulgated, there has been some lack of clarity on how medical schemes brokers should be regulated in their conduct of business, in particular, as to what extent they can be regulated by the Financial Services Board. The Council for Medical Schemes agreed with the Financial Services Board in February 2002 on how to jointly regulate the conduct of business by medical schemes brokers, thereby ensuring that there is no inadequacy in such regulation. The Bill seeks to provide a framework for such agreement.

3. FINANCIAL IMPLICATIONS FOR STATE

6. PARLIAMENTARY PROCEDURE

The State Law Advisers and the Department of Health are of the opinion that the Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.
