MEMORANDUM ON THE OBJECTS OF THE BOXING AND WRESTLING CONTROL AMENDMENT BILL, 1998

It is necessary to amend the Boxing and Wrestling Control Act, 1954 (Act No. 39 of 1954), to make provision for the following:

The definition of Minister (clause 1), is amended in order for Minister to be defined as the Minister "of Sport and Recreation", instead of "for Sport".

Clause 2 makes provision for the **expunction** of the present chairperson and the additional member of the South African National Boxing Control Commission and for the chairperson of each of the nine provincial boxing commissions to be included as members of the Commission. The members of the Commission shall among their number elect a person to act as chairperson of the Commission, subject to the ratification of such an appointment by the Minister. "

Payment of honoraria and allowances to the members of the Commission shall be determined by the Minister (clause 3), to compensate the members for their services and sacrifices in the above regard.

Provision is made for the imposing of a fine not exceeding R50 000 on any boxer, official, trainer, manager or promoter for any contravention of or failure to comply with any provision not already referred to in section 23 of the Act and to suspend the certificate of such person until such fine is paid (clause 4), empowering the Commission with more punitive powers to control boxing. Provision is also made for the control of such powers.

The Commission may require any boxer fighting outside the Republic to furnish the Commission with full details in writing regarding the purse money as well as any other information relating to such fight as the Commission may determine (clause 4), in order to protect the interests of boxers fighting abroad.

Provision is made for the increase of the **maximum** fine to be prescribed for any contravention of or failure to comply with any regulation (clause 5).

The Minister may advance to the Commission out of money appropriated by Parliament an amount not exceeding R100 000 (as opposed to R10 000 in the Act), as he or she may deem necessary to enable the Commission to carry out its functions (clause 6).

Provision has also been made for heavier penalties not exceeding R10 000 for **offences** in terms of section 23 of the Act (clause 7).

Save for clause 2, the Bill will come into operation on promulgation in the *Gazette* (clause 8).
