Short title and commencement

**MEMORANDUM ON THE OBJECTS OF
THE LOCAL GOVERNMENT:
MUNICIPAL SYSTEMS AMENDMENT BILL, 2003**

BACKGROUND TO BILL

As a result of the nature of the provisions of the Local Government: Municipal Finance Management Bill that is currently before Parliament, certain amendments to the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000), are required. A decision has been taken that these consequential amendments should be addressed in a separate Bill, and not as part of the Local Government: Municipal Finance Management Bill. The Local Government: Municipal Systems Amendment Bill, 2003 ("the Bill"), contains these amendments.

CONSULTATION

The National Treasury was consulted and the Bill was published in the *Gazette* in terms of section 154(2) of the Constitution on 27 June 2003 for public comment.

FINANCIAL IMPLICATIONS FOR STATE

Financial implications are not quantifiable at this stage, but will depend on the extent of the implementation of various provisions of the Bill by the three spheres of government.

IMPLICATIONS FOR PROVINCES

There are no direct implications for provinces.

IMPLICATIONS FOR MUNICIPALITIES

The implementation of the provisions of the Bill will facilitate effective corporate governance systems of municipalities and will streamline the execution of assigned functions and powers to municipalities as well as facilitating service delivery through provisions relating to matters such as service delivery agreements and the establishment of municipal entities. The implications pertaining to the implementation of these provisions will depend on the extent to which they are applicable to specific municipalities.

PARLIAMENTARY PROCEDURE

The Department of Provincial and Local Government and the State Law Advisers are of the opinion that the Bill must be dealt with in accordance with the procedure prescribed by section 75 of the Constitution. The Bill does not fall within a functional area listed in Schedule 4 to the Constitution, nor does it provide for legislation envisaged in the sections referred to in section 76(3) of the Constitution. Although the Bill provides for legislation envisaged in Chapter 13 of the Constitution, the Bill does not affect the financial interests of the provincial sphere of government.
