**MEMORANDUM ON THE OBJECTS OF THE NATIONAL
ENVIRONMENTAL MANAGEMENT: PROTECTED AREAS
AMENDMENT BILL, 2008**

1. INTRODUCTION

The Bill seeks to add a Schedule detailing areas of national parks, currently in the National Parks Act, 1976 (Act No. 57 of 1976), to the **National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003)** (the Act). The Bill also seeks to provide that management of special nature reserves may be assigned to any suitable person, organisation or organ of state but that the management of a national park can only be assigned to the South African National Parks. The Bill proposes that flying corridors over national parks and heritage sites and specific areas need the prior permission of the management authority, and the Bill provides for an appeal to the Minister against a decision of the management authority, for measures for dealing with the winding up and dissolution of the South African National Parks, that the South African National Parks manages all existing parks, nature reserves and protected environments that is assigned to them and for traffic fines in parks.

2. BACKGROUND AND DISCUSSION

2.1 Clause 1: Amendment of section 20

Reference to national parks and their areas are contained in Schedule 1 to the National Parks Act, 1976. It is now desirable to repeal the said Act and have all provisions dealing with national parks in the Act. Further, any amendments or additions to national parks are provided for by means of a notice in the *Gazette* thus preventing the Act itself from been amended each time the Schedule is amended.

2.2 Clause 2: Amendment of section 28

Section 28 of the Act contains a time period for an area of land be included in a national park or nature reserve. The Bill seeks to extend the time period by agreement with all the parties concerned.

2.3 Clause 3: Amendment of section 38

In terms of section 38(1) of the Act the Minister must assign the management of a special nature reserve or a nature reserve to a suitable person, organisation or the state. As the South African National Parks has exclusive right to the name, it is not desirable to have multiple organisations running national parks. It is therefore recommended that the “must” be substituted with “may”, thus giving the Minister a discretion and that national parks are only assigned to South African National Parks.

2.4 Clause 4: Amendment of section 47

As controlling flights over special nature reserves, national parks or heritage sites are of utmost importance to protect life and the environment, this section has been amended to provide that prior written permission and subject to conditions that the management authority provides must first be obtained before flying over the aforementioned areas. Provision is made that contravention of this section is an offence.

2.5 Clause 5: Amendment of section 54

There is no enabling section in the Act providing for tax exemption, winding up or dissolution of the South African National Parks and the transfer of its assets. The proposed amendment provides for this if the transferee has similar interests and is exempted from income tax in terms of the Income Tax Act, 1962 (Act No. 58 of 1962).

2.6 Clause 6: Amendment of section 55

The Act has no empowering section providing for the South African National Parks to manage protected areas other than national parks. Further provision has now been made for the Minister to assign the management of world heritage sites and protected areas not included under section 55(1)(a) of the Act, subject to written documentation by the Minister. Further, to increase their exposure, provision is now made for the South African National Parks to attend international and similar initiatives identified by the Minister.

As roads in the park are neither national nor provincial a provision is now made for the South African National Parks to make and enforce traffic rules in all areas administered by it.

2.7 Clause 7: Amendment of section 75

Previously the South African National Parks could only retain as part of its funds money received in respect of offences committed within national parks. This is now expanded to include money collected for all offences committed under the Act.

2.8 Clause 8

This clause seeks to add a new Schedule to the Act and is motivated by having reference to National Parks contained only in the Act with a detailed description of the various parks.

4. PARLIAMENTARY PROCEDURE

- 4.1 The State Law Advisers and the Department of Environment Affairs and Tourism are of the opinion that this Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.
