**MEMORANDUM ON THE OBJECTS OF THE BROADCASTING ACT AMENDMENT
BILL, 2008**

(a) Particulars of proposed legislation

The legislation seeks to amend the Broadcasting Act, No 4 of 1999, so as to insert-

- i) a provision for the removal of a member of the South African Broadcasting Corporation (SABC) Board by the appointing body on the recommendation of the National Assembly, and
- ii) a provision for the dissolution of the SABC Board.

(b) Objects of the proposed legislation

- i) The Broadcasting Act does not provide for a mechanism whereby the SABC Board may be dissolved if it is unable to perform its functions;
- ii) The Act only provides for the removal of individual members of the Board upon the recommendation of the Board itself;
- iii) The amendment would ensure that due process is followed when there is a need for the Board as a whole to be dissolved and also provides for the responsibilities of the Board to be executed by an interim Board until the appointment of a new Board.

(c) Financial implications for the State

The proposed legislation will not lead to any additional expenditure by the State.
