the cash value thereof as contemplated in the definition of “cash value” in section 1 of the Value-Added Tax Act; or
- (c) in any other case, the market value of that motor vehicle at the time when that recipient first obtained the vehicle or the right of use thereof, plus an amount equal to value added tax which would have been payable in respect of the purchase of the vehicle had it been purchased by the recipient at that time at a price equal to that market value.
