

No. 12, 1967.]

Please note that most Acts are published in English and another South African official language. Currently we only have capacity to publish the English versions. This means that this document will only contain even numbered pages as the other language is printed on uneven numbered pages.

## ACT

To amend section 4 of the Explosives Act, 1956, so as to make provision for the manufacture of certain explosives not in an explosives factory, but immediately before being used for the purpose of blasting.

*(English text signed by the State President.)  
(Assented to 10th February, 1967.)*

**BE IT ENACTED** by the State President, the Senate and the House of Assembly of the Republic of South Africa, as follows:—

Amendment of section 4 of Act 26 of 1956, as amended by section 2 of Act 21 of 1963.

1. Section 4 of the Explosives Act, 1956, is hereby amended by the insertion after subsection (1) of the following subsection:

“(1A) (a) The chief inspector of explosives may grant permission to any person applying therefor in writing, to manufacture, at a place approved by the said chief inspector which is not in an explosives factory, by adding ammonium nitrate to or mixing it with non-explosive component parts, so approved, of an authorized explosive so approved, blasting material which is a so approved authorized explosive, for immediate use at a blasting-place mentioned in the application.

(b) Subsection (1) shall not apply to the manufacture of an authorized explosive in terms of such permission.”.

Short title.

2. This Act shall be called the Explosives Amendment Act, 1967.
