#### **FOREWORD**

Section 32 of the Constitution of the Republic of South Africa, 1996 (the Constitution) grants everyone the right of access to any information held by the state or by another person and that is required for the exercise or protection of any right.

The Promotion of Access to Information Act, 2000 (Act No. 2 of 2000), (PAIA) in realisation of these constitutional rights, specifically-

- charges all public bodies with the responsibility to facilitate public access to information/ record(s) under their custody;
- provides a framework and procedures for the public to exercise their constitutional right to information as swiftly, inexpensively and effortlessly as reasonably possible;
- stipulates mechanisms which governmental bodies must put in place, to facilitate access to such information by members of the public; and
- outlines conditions under which restricted access apply, including those relating to personal, commercial, financial, technical or scientific information about a third party; information which may affect court or police proceedings, e.g., police dockets in bail proceedings and certain categories of information about the South African Revenue Service.

There are undoubtedly limitations to public realisation of the rights as stipulated in section 36 of the Constitution and sections 33 to 45 of the PAIA Act, respectively.

In compliance with the statutory requirements of the PAIA and to contribute to the promotion of departmental transparency, accountability and effective governance, the Department of Human Settlements has produced a manual as a mechanism to facilitate public access to information/record(s) under its custody.

It is hoped that this manual will serve as an effective platform/tool for providing the public with the relevant information to enable them to exercise their right of access to information under the custody of the Department.

#### 9. PROCEDURE FOR REQUESTING ACCESS TO INFORMATION

The PAIA Unit receives requests for access to information on behalf of the DIO; the Unit assists any person wishing to lodge a request.

For any enquiries regarding lodging of a request for access to information of the Department, the prospective requester may submit a request in writing to **fax number**: 012 421 1428, **email address**: paia@dhs.gov.za or visit the nearest DHS office for assistance.

#### 9.1. WHO CAN REQUEST INFORMATION?

- Any person can request information.
- Personal requesters request information about themselves.
- Requesters requesting information on behalf of another person. (A requester that is acting on behalf of someone else must produce a letter of authority.)

#### 9.2. MANNER OF ACCESSING INFORMATION

#### 9.2.1. VOLUNTARY ACCESS/AUTOMATICALLY AVAILABLE RECORDS

Certain categories of records are automatically available without a person having to request them through PAIA processes as per the provisions of section 15(1)(a) of the Act. Information/records that are automatically available will be made electronically available on the departmental website and at departmental offices in the manner or form requested, should this be reasonable and possible.

#### 9.2.2. TELEPHONIC REQUESTS

DHS also accepts telephonic requests. Any such request made to the DIO or the PAIA Unit at the telephone number given in this manual will be attended to. Officials at the PAIA Unit will complete the prescribed Form A on behalf of the requester and furnish them with a copy thereof.

#### 9.2.3. ORAL REQUESTS

If an individual is unable to complete the prescribed form because of illiteracy or a disability, such person may make the request orally to the DIO.

The DIO at the DHS must reduce the oral request to writing in the prescribed form and provide a copy thereof to the requester.

#### 9.3. FORMAL REQUESTS AS PER PAIA REQUIREMENTS

#### STEP 1: Completing the prescribed access request form

- Obtain the prescribed request form, Form A contained in Annexure B of this manual, which is available on the DHS website or at any office of the DHS upon request.
- Complete the prescribed form in full clearly indicating the record or records requested and sign the request form in the space provided.
- If a request is made on behalf of another person, the requester must submit proof of the capacity in which the request is made, to the reasonable satisfaction of the DIO.

#### STEP 2: Payment

The requester must pay the prescribed request fee if due and when requested to do so by making a deposit into the account number provided below. Persons listed in paragraph 9.5.4 of this manual are exempted from paying the request fees.

#### **PAYMENT METHOD**

| Reference      | Promotion of Access to Information Act |

#### STEP 3: Submission of request

The requester must submit the application form to the DIO through the PAIA Unit at the address, fax number or email address provided in this manual. The request form should be accompanied by proof of payment for the request fee. No proof of payment is attached by people qualifying for exemption, but the reasons for exemption should be clearly stated on the form.

#### 9.4. TURNAROUND TIMES FOR ATTENDING TO REQUESTS

In terms of section 25 of the Act, DHS must decide whether to grant or refuse a request and give notice with reasons to that effect within 30 days of receipt of the request.

The 30 days within which DHS has to decide whether to grant or refuse the request may be extended once for a period of not more than 30 days if the request is for large amounts of information, or if the request requires a search for information held at another office of the DHS and the information cannot be reasonable obtained within the original 30 days.

DHS must notify the requester in writing should an extension be required.

#### 9.5. FEES

The Act provides for two types of fees, namely:

#### 9.5.1. NON-REFUNDABLE REQUEST FEE

A requester, other than a personal requester, requesting access to information held by the Department will be required to pay the prescribed request fee of R35,00, as specified on Form A, before the request is processed further. Persons listed under paragraph 9.5.4 of this manual are exempted from paying request fees.

The DIO will withhold a record until the requester concerned has paid the applicable fees (if any).

#### 9.5.2. ACCESS FEE

- An access fee is payable in all instances where a request for access to information is granted for reproduction costs and, if applicable, the postal fee and the time reasonably required to search for and prepare the record for disclosure.
- Persons listed under paragraph 9.5.4 of this manual are exempted from paying an access fee
- A requester requesting copies of records that are publicly available does not have to pay the request fee of R35,00, but will pay an access fee for reproduction, if applicable.

The DIO will withhold a record until the requester has paid the applicable fees (if any).

#### 9.5.3. DEPOSITS

If the search for a record and the preparation of the record for disclosure, including arrangements to make it available in the requested format, would require more than the hours prescribed for this purpose in the regulations, the DIO must by notice require the requester to pay as a deposit the prescribed portion (being not more than a third) of the access fee which would be payable if the request is granted.

If a deposit has been paid in respect of a request for access that was refused the DIO of DHS will refund the deposit to the requester.

#### 9.5.4. EXEMPTIONS

The following persons and circumstances are exempted from payment of an access fees:

- A single person whose annual income after permissible deductions does not exceed R14 712,00 per annum.
- Married persons or life partners whose combined annual income after permissible deductions does not exceed R27 192,00 per annum.
- Where the cost of collecting any fee in respect of the search and preparation of a record for disclosure exceeds the amount charged, such fee does not apply.
- The search and preparation cost do not apply to the personal records of a requester.
- The request and access fees do not apply to records requested by a maintenance officer
  or maintenance investigator for purposes of a maintenance investigation or inquiry in
  terms of the provisions of the Maintenance Act, 1998 (Act No. 99 of 1998), or section 44
  of its regulations.

#### 10. REFUSED ACCESS AND APPEALS

#### 10.1. GROUNDS FOR REFUSAL

DHS may refuse a request for access to its information if the requested information relates to:

- Manifestly frivolous or vexatious requests or substantial and unreasonable diversion of resources of the Department.

#### 10.2. MANDATORY DISCLOSURE IN PUBLIC INTEREST

A request for access to a record that could otherwise be refused on the grounds for refusal in terms of PAIA may be granted, however, in circumstances where the disclosure of the record is in the public interest, and if such public interest clearly outweighs the harm contemplated in the grounds for refusal.

#### 10.3. DEEMED REFUSAL OF A REQUEST

If the DIO fails to give a decision on a request for access to the requester within the prescribed 30 days the DIO will be deemed to have refused such a request. The requester may then lodge an internal appeal against such refusal.

#### 10.4. REMEDIES IF REQUEST FOR ACCESS IS REFUSED

- Must complete the prescribed internal appeal form in full indicating the decision against which the internal appeal is lodged.

- The relevant authority must consider and decide on the internal appeal within 30 days after the notice of internal appeal is received.
- The decision of the relevant authority must either confirm or set aside the decision of the DIO, and where applicable substitute the decision on the request.
