	OPTIONS AVAILABLE TO YOU			

A. REGISTRATION OPTIONS

In order to pay toll on the Gauteng e-road, you have the choice to have your

vehicles recognised by means of the Vehicle Licence Number (VLN) or by an e-tag combined with the Vehicle Licence Number.

Option A: With an e-tag

An e-tag is a small electronic device that needs to be fitted to the inside of a

vehicle's windscreen. The e-tag is linked to a vehicle's Licence Number, vehicle type and e-toll Account.

The e-tag entitles road users to a discount on the toll tariffs. It also has an added benefit of reducing the risk of someone cloning your vehicle licence number.

Option B: With a Vehicle Licence Number (VLN)

If you choose to have your vehicles recognised by vehicle licence number, you are still required to register an e-toll Account.

B. ACCOUNT PAYMENT OPTIONS AVAILABLE

Upon registration you will be asked to select a method by which you would like to pay for your toll.

Option A: Credit Card Settlement Account

You may choose to have a **Pre-paid Account**, or a **Credit Card Settlement Account**.

You may pay your tolls by linking the e-toll Account to a credit card. Transactions are "rolled-up" daily and one amount is deducted from the pre-registered credit card.

Top-up can be done in two ways:

(i) Automatic

You may link the e-toll Account to a credit card or bank account. Once the

minimum amount is reached the e-toll Account will be topped-up to a predefined balance, from the nominated credit card or bank account.

Option B: Pre-Paid Account

This e-toll Account requires the account holder to maintain a minimum

(positive) balance in the e-toll Account and when the minimum amount

is reached, it will need to be topped-up.

(ii) Manually

The Gauteng e-road user can top-up the e-toll Account by making a payment

into the account at an e-toll Customer Service Outlet, or a

Checkers, CNA,

Pick n Pay, Shoprite or **Spar**, (e-toll customer service centre) or by Electronic Funds Transfer (EFT), or by making an online payment at www.sanral.co.za.
