NOTICE FOR A WORKSHOP ON PROPOSED EXEMPTION FOR RADIO FREQUENCY SPECTRUM USE WITHIN THE DECLARED KAROO CENTRAL ASTRONOMY ADVANTAGE AREAS

I, Mere Kgampe, the Director of the Astronomy Management Authority established within the Department of Science and Technology and assigned to be the management authority for the declared Karoo Central Astronomy Areas in terms of section 15 of the Astronomy Geographic Advantage Act, 2007 (Act No.21 of 2007), by the Minister of Science and Technology, hereby, in terms of Regulation 5 of the Regulations on Fair Administrative Procedures published in terms of the Promotion of Administrative Justice Act, 2000, give notice of a workshop that will be held within the Karoo Central Astronomy Advantage Areas.

The Minister published the notice of the proposed exemption for radio frequency spectrum use within the Karoo Central Astronomy Advantage Areas in *Government Gazette* number 42057 under notice number 1301, on 23 November 2018. The notice invited interested and affected parties to submit written representations and/or objections to the proposed list of radio frequency spectrum to be exempted. The purpose of the workshop is to provide special assistance to members of communities within the Karoo Central Astronomy Advantage Areas who need special assistance in order to make informed written representations. Members of the public, including interested and affected parties are invited to attend the workshop that will be convened as follows:

Date	Venue	Time
23 January 2019	SASSA Hall Carnarvon	17H00 to 21H00
