Purpose and aims of this statutory measure and the relation thereof to the objectives of the Act

2. (1) The purpose and aims of this statutory measure are to compel certification bodies, exporters, fresh produce markets, importers, market agents, packaging material importers, packaging material manufacturers, potato producers, pre-packers, processors and traders to register with the administrator.
- (2) Registration is necessary to assist the administrator to ensure that continuous, timeous and accurate market information relating to the potato industry is available to all role players.
- (3) Relevant market information is deemed essential in a deregulated market for all role players to make informed decisions. By combining the compulsory registration with the furnishing of returns on an individual basis, market information for the whole of the country can be processed and disseminated to the market place.
- (4) The establishment of this statutory measure will not only assist in enhancing market access for all market participants, but will also develop new markets for South African potatoes internationally. The viability of the potato industry will thus be enhanced. The measure will not be detrimental to the number of employment opportunities within the economy or fair labour practice.
- (5) The PIDT appoints Potatoes South Africa as Administrator to perform the administrative functions regarding the administration of this statutory measure.
