“**The Act**” means the Marketing of Agricultural Products Act, 1996 (Act No 47 of 1996).

### Purpose and aims of statutory measure and the relation thereof to the objectives of the Act

2. The purpose and aims of this statutory measure are to provide financial support to the South African Pecan Nut Producers Association NPS (SAPPA) to fund research projects, information and technology transfer; plant improvement functions and certification; market information and statistics; communication; trade and market access; and transformation and training for the pecan nut industry.

These measures are necessary to ensure that continuous, timeous and accurate information relating to the pecan nut industry is available to all role players in order for them to make informed decisions.

The measure will not be detrimental to the number of employment opportunities or fair labour practice and will support the statutory measures relating to registration and the rendering of returns applicable to pecan nuts and pecan nut products.

The measure will be administered by SAPPA, a non-profit company established in terms of the Companies Act (as amended), 2008 (Act 71 of 2008). SAPPA will implement and administer the measure as set out in the Schedule.

### **Products to which statutory measure applies**

3. This statutory measure shall apply to pecan nuts and pecan nut products, both from domestic source and on imported product.

### **Area in which measure shall apply**

4. This measure shall apply in the geographical area of the Republic of South Africa.

### **Imposition of levy**

5. A levy is hereby imposed on pecan nuts and pecan nut products.

### **Amount of levy**
