BOARD NOTICE 3 OF 2020

NOTICE OF APPLICATION FOR THE DEFINING OF A PRODUCTION AREA VLOTTENBURG (WARD)

(In terms of Section 6 of the Wine of Origin Scheme published by Government Notice No. R.1434 of 29 June 1990)

Please take note that Vlottenburg Boerdery (Edms) Bpk applied to the Wine and Spirit Board to define Vlottenburg (Ward) as a production area to produce Wine of Origin.

Definition of proposed ward boundary

The proposed Vlottenburg Ward (Fig. 1) boundary starts on the Polkadraai Road where it crosses the Sanddrif River and then moves in a westerly direction along the Polkadraai Road to right against the Polkadraai Hills Ward just past Skilpadvlei. From there the boundary runs south- and then westwards along the existing outer boundary of the Polkadraai Hills Ward, to where it crosses the Vlaeberg River. From there the boundary follows the Vlaeberg River in a general southerly direction to where it joins the Eerste River. From there, upstream with the Eerste River in a north-easterly direction to where the Sanddrif River flows into the Eerste River right against the Vlottenburg farm. From there, in a general northerly direction up along the Sanddrif River to where it rejoins the starting point mentioned above.

Geology

The proposed ward consists of well weathered granite soils (N-Ck, coloured red in Fig. 2), with large parts of the soils of binary origin, with younger, sandy Table Mountain Sandstone material overlying the primary rocks (Qgg, coloured yellow in Fig. 2), often with ferricrete ('ouklip'/laterite concretions or banks) on the contact zone.

Topography

The proposed Vlottenburg Ward can be considered a natural unit with a generally convex hill landscape and abundant cooler southern slopes. It mostly drains southwards to the Eerste River (Fig. 1; Fig. 3).

The proposed boundaries can be viewed at www.sawis.co.za – "Certification – News and Information" or contact Jackie Cupido at 021-807 5704.

Anyone having any objection against this application is hereby notified to lodge their objections, with motivations, in writing with Olivia Poonah (olivia@wsb.org.za), The Secretary, Wine and Spirit Board, P O Box 2176, Dennesig, Stellenbosch, 7599 within 30 (thirty) days of publication of this notice.
